Pagan Calendar 4 - 17 January 2016

January 4 In Korea, the annual Sacrifice to the Seven Stars (Chilseong-je) is performed on this date at midnight. To receive good fortune and divine blessings, water and white rice are offered to the god who rules the constellation Ursa Major.

January 5 Twelfth Night and Wassail Eve (in England) heralds the end of Christmastide. In ancient Egypt times, it was believed that the waters of the mystical and sacred River Nile possessed special magical powers on this date.

On this date in the year 1918, renowned astrologer and author Jeane Dixon was born in Medford, Wisconsin.

January 6 Day of the Triple Goddess On this date in the year 1988, Circle Sanctuary of Mount Horeb, Wisconsin, became legally recognized as a Wiccan Church by its local Township and County levels of government. Circle Sanctuary's attainment of church zoning was a significant victory for Wiccans around the world, for it was the first time a Witchcraft group had been publicly sanctioned as a church by local government officials.

January 7 In the seventeenth century, it was customary on this day for a special Epiphany Cake to be baked with a coin in it. Whoever was lucky enough to receive the portion containing the coin was saluted by the family as a "king" or "queen" for the day. As part of the tradition, the "king" or "queen" would draw cross symbols on the ceiling with white chalk to drive out evil spirits and ward off misfortune.

January 8 Old Druid's New Year In ancient Greece, Midwife's Day (dedicated to the goddess Babo) was celebrated annually on this date, while an annual festival called Justica's Day was celebrated by the early Romans. In ancient times, this day was dedicated to the Norse goddess Ferya (or Freyja), who presided over both love and fertility.

January 9 On this date in the year 1989, Jamie Dodge (a Wiccan who had been fired from her job at the Salvation Army because of her Wiccan beliefs) won a lawsuit against her former employer for violating her First Amendment right to freedom of religion and unnecessary entanglement of government with religion.

On this date in the year 1880, "Old Dorothy" Clutterbuck was born in Bengal. She belonged to a hereditary Witch coven in the New Forest of England, and was the High Priestess who initiated Gerald B. Gardner into the Craft in 1939. She passed away in the year 1951.

January 10 The Feast of Dreams, a centuries-old ritual, is performed annually by the Native American Indian tribe of the Iroquois to celebrate their New Year, which occurs on this date. In rural England and Scotland, Plough Monday (the first Monday after Epiphany) occurs on or around this date. A plough is traditionally paraded through the streets and a ritual sweeping with brooms is performed to drive away evil spirits from the village.

January 11 In years gone by, an old ritual to ward off Witches was performed annually on this date in many fishing villages along the coast of Scotland. At sunset, a barrel of tar would be placed on top of a pole, set on fire, and allowed to burn throughout the night. Afterwards, charred pieces of it would then be used by the villagers and fisherman as protective charms.

In ancient Rome, a festival called the Carmentalia was celebrated annually, beginning on this date and lasting until the fifteenth of January. The festival honored the Roman goddess Carmenta, a deity presiding over childbirth, whose priestesses cast the fortunes of children at the moment of their birth. Juturna, the ancient Italian goddess of pools and still waters, is honored each year on this day.

January 12 Each year on this date, a sacred solstice ritual called the Makara-Sankranti is celebrated by Hindus in India with saffron, songs of joy, and ritual baths in sacred rivers.

January 13 Saint Silvester's Day. Evil spirits are traditionally driven away with clanging bells on this night by villagers in Urnasch, Switzerland, where the pre-Julian New Year's Eve continues to be celebrated on this date.

In pre-Christian Ireland, the thirteenth day of January was celebrated each year as the Feast of
of
Brewing by the ancient and mysterious priests known as the Druids.

January 14 On this date in the year 1967, a psychedelic spiritual "pow-wow" called the Human Be-In took place in San Francisco's Golden Gate Park. The event drew approximately 20,000 people (including Allen Ginsberg and Timothy Leary) and consisted of chanting, dancing, poetry readings, music, and celebrations of love and the unity of humankind. In Southern India, the three-day Pongal festival begins on this date each year to celebrate the
the
January rice harvest, honor the great sun-god Surya, and give thanks to the spirits who bring the rainy season.

January 15 In ancient Rome, a sacred festival called the Feast of the Ass was celebrated each year on this date in honor of the goddess Vesta and the ass that saved her. Vesta presided over the hearth and her temple was lit by a sacred fire tended by six virgin priestesses known as the Vestal Virgins.

January 16 Each year on this date in the country of Indonesia, the fire-god Betoro Bromo is honored by Buddhist monks and pilgrims who gather at Mount Bromo. At the first stroke of midnight, offerings of food and flowers are cast into the volcano where the god is believed to dwell.

On this date in the year 1976, the famous astrologer and author known as Zolar died.

January 17 Wassailing the Apple Trees, a ritual dating back to old Celtic Britain, is held annually on this date (the eve of the old Twelfth Night). A traditional libation of cider is poured on the roots of apple trees while an old invocation is sung to the tree in order to ensure fertility and to drive away all evil-natured supernatural entities.

Chancellor's New Year's Address

Greetings all!

As you know, it has been my custom these many years to begin each new Calendrical Year with a New Year's Address. Candlemas of this year will mark the thirty-seventh year since Lady Krystel and I became First Priestess and Priest of the Correllian Tradition. That is a long time, and after so long it is no wonder that Lady Krystel has chosen to retire-in-office these last few years. As for myself, I have given my life to the Correllian Tradition and I rejoice in watching the younger generations of Correllian Priesthood coming into their own. Nonetheless, I do not perceive retirement as being anywhere in my future.

Last year, Year 15 Aq. / 2015 AD, was a major year for the Correllian Tradition. We had many great happenings, some of which bode extremely well for the future. Perhaps the most remarkable of these events was the creation of Correllian Educational Ministries. Correllian Educational Ministries is an integrated seminary of the Correllian Nativist Church, with its principle duty being to train Correllian Clergy and educate the wider public about Correllian and broader Pagan religion. The Witch School platforms including Magick TV and Pagans Tonight Radio, are now under Correllian Educational Ministries and thus directly under the Tradition itself. We hope through this to renew and revitalize our educational systems. Many new classes and programs are planned, which we hope to put in place in the new year. We have high hopes for Correllian Educational Ministries and hope that you will enjoy the many new offerings planned. You can learn more about Witch School and Correllian Educational Ministries at www.WitchSchool.com!

Also in Year 15 Aq. / 2015 AD the Correllian Tradition sent a large delegation to the Parliament of the World's Religions in Salt Lake City, Utah. This was a wonderful adventure in which our Correllian delegates got to meet and interact with delegates from a wide range of other religions. Rarely have we enjoyed an event more! You can read all about this great adventure at <http://www.correllian.com/PWR2015.html> and see lots of videos at www.YouTube.comMagickTV! !

Some of the best moments at the Parliament were seeing our Clergy people presenting in various workshops. Rev. Laurie Denman led a presentation on the International Peace Warriors. Rev. Eblis and Rev. Ser Jeanine DeOya offered a presentation on Diversity in Modern Paganism. And Rev. Karen Silva presented on Sacred Dance. How wonderful is that? In addition, our own Arch Priestess Stephanie walked in the Parliaments Opening Procession. I could not have been prouder of these and all of our Correllian delegates, every one of whom did a fantastic job of representing our Tradition! Thank you all!

Also in Salt Lake City Rev. Angela Munn hosted a Regional Lustration of the Living on the night the Parliament ended. We were honored to have many religious leaders present including Selena Fox of Circle, Rt. Rev. Linda Isles of the Fellowship of Isis Triad Union, and Yvonne Conway-Williams of the Covenant of the Goddess, and many other great people! It was a truly splendid evening – Thank you Rev Angela for your work in facilitating this!

Among the momentous announcements at the Regional Lustration were a number of important appointments.

Rev. Lori Barberio Keigans was been appointed as the Press Secretary for the Correllian Tradition, and Head of the Correllian Press Corps. Congratulations Rev. Lori!

Rt. Rev. Harwe Tuileva was appointed to the Correllian Council of Elders –congratulations Arch Priestess Harwe! Rt. Rev. Harwe has done much wonderful work over many years and we look forward to working with her on the Council of Elders for many years to come!

Also at the Regional Lustration First Priestess Krystel called in to announce that she has taken a Coregent in office: Arch Priestess Stephanie Leon Neal has been named Coregent First Priestess. Congratulations Lady Stephanie! This is a first for our Tradition: we have had Regents before, but never a Coregent. It is a major step. Lady Stephanie will be invested in office during the Lustration of the Ancestors in Jacksonville, Florida, the weekend of April 15-17. To learn more about the Lustration or to register, go to <http://www.correllian.com/Lustration2016-promotion.html>

This will be the first time that the investiture ceremony has been performed in thirty-seven years, and it is not expected that it will be performed again for many years to come, so if you are able to attend please do!

Finally, we had appointed a new First Elder at the Regional Lustration, as Lady Stephanie's acclamation as Coregent left this office open. However this appointment has not worked out and the office is again vacant. Therefore it gives Lady Stephanie and I great pleasure to announce that the new First Elder of the Correllian Tradition is the Arch Priestess Windy Lajoie. Congratulations Lady Windy and may the blessing be upon you!

We rejoice to have you with us as we continue forward into Year 16 Aquarius – we feel it will be the best year yet! Many new adventures are to come! The world is melting down on all sides, but we are called by Goddess to be strong and help to focus the energies of the New Age in positive ways that will help the world rebuild. Each of us has a role –let us go forward together!

Blessings to all!

Rev. Donald Lewis-Highcorrell

Please say the Correllian Peace Prayer or one of your own on the 22nd day of each month at 9pm your time.

Join in on the 'Correllian Spiritual War for Peace'

Prayer for Peace

Offer a brief prayer for peace, while imagining the sigil strongly. Meditate on thoughts of peace, love, and healing, focusing these energies into the sigil. As you do this, imagine the spiral circling inward, integrating the energy into the sigil. When you have sent all the energy that you comfortably can, give thanks and allow the image of the sigil to fade. Make

sure to clear and release afterward.

The Correllian Peace Sigil is connected to the Crystal Web enabling peace energy to spread across the world.

Correllian Peace Prayer

I pray for Peace
I pray for Love
I pray for Stability
I pray that Love may overcome Fear
And I send energy of Love and Peace

By my will so mote it be!

Starting a Shrine Order or Correllian Study Group

Personal Shrines: Personal Shrines are a personal expression of faith and are wholly the property and responsibility of the individual Correllian who runs them. Personal Shrines are not considered bodies of the Tradition as such, but are a demonstration of personal piety on the part of an individual member of the Tradition. A Personal Shrine cannot be upgraded!

Formal Shrines: Formal Shrines are Chartered bodies of the Tradition which exist to fulfil a specific spiritual, educational, or charitable purpose.

A Formal Shrine is basically the same as a Personal Shrine: a private worship centre maintained by an individual Correllian Tradition member of Inner Court. The difference is that a Formal Shrine is dedicated to a specific project, event, or program of a social or charitable nature which the Tradition endorses. A Formal Shrine cannot be upgraded!

Witan Shrines: Witan Shrines are the first stage in the Temple-making process. Witan Shrines must fulfil a probationary period of a MINIMUM of one year before being reviewed for Proto-Temple status which is the next stage in the Temple making process.

Correllian Orders: An Order is an association dedicated to the study or practice of a particular subject, such as ecology, healing, music, etc.

Although regarded as an independent body, an Order is formed by a Charter from the Tradition, which may only be granted by the Heads of Tradition through the office of the Chancellor. An Order may be formed around any subject of interest.

Correllian Study Groups: Like Personal Shrines, Study Groups are not formal bodies of the Tradition, but are independent groups run by Correllian members.

Study Groups exist to help students of Correllian Wicca join together to help one another in their studies.

For information on how to start a Shrine Order or Correllian Study Group or for an application form contact the Witan Herald: witanherald@gmail.com

Spanish Wiccan Blog and Pod Cast

Wiccan blog and pod cast in Spanish, 13 lunas (13 moons), created and maintained by Rev. Clara Fuentes (aka Harwe Tuileva), a Correllian priestess from Spain.

The blog seeks to keep Pagans and Wiccans from all the Spanish-speaking countries informed by means of an easy access format, and, of course, for free. Besides, the recent creation of a radio program in the form of a podcast completes this successful project that is currently receiving more than 400 visits per day at its website. The wonderful reception granted by the Spanish-speaking community reflects the need of more information of the

Pagan and Wiccan community, which was looking forward to counting on this kind of initiatives in their own language.

The blog can be found at <http://www.13-lunas.com>.

For more information please contact Rev. Harwe Tuileva: harwe1982@hotmail.com

The Order of Web Weavers Crystal Web Mapping Project

The Order of the Web Weavers has been working diligently on mapping the Crystal Web. If any of you have a crystal that you have added or removed from the Crystal Web contact us to ensure are records up to date and accurate.

The information we need in order to best catalogue your crystal/s is the following. Your Craft Name and E-mail Address along with your City, State, Country, Latitude, and Longitude. Sent to the following e-mail address: wwwcw@correllianorders.info

Please include the above information, if you have removed your crystal from the Crystal Web along with 'Remove' in the subject line. If you have added several crystals then we would need a separate entry for each crystal, unless they are located together. If they are located together then please include how many crystals are at that location.

We are excited about this project and hope that you will be too. Once the crystals have been properly catalogued we can then begin placing them on the map program. This will give us a good visualization on the Crystal Web. Thank you in advance for your participation in this wonderful project.

Bright Blessings,

The Order of Web Weavers

Order of Peace Weavers

The motto of the Order of Peace Weavers is: "Be Peace, Live Peace, Send Love, Weave Peace." We hold a monthly 15 minute group peace meditation on the first Wednesday of every month and would love to have more join us to promote peace.

The Order of Peace Weavers is a chartered order of the Correllian Tradition. Membership is by invitation or application and is open to Inner and Outer Court members.
