Correllians around the World

by Lady WolfCiara

In this series of articles, we are going to focus on a Correllian Member, and learn a little bit more about the said person. I do hope that this will shine a light to all of those, who are giving of themselves, to the Tradition.

tradition grow.

This month, we are going to talk with **Lady Silvia**, or as she really is named: **Silvia González**, she lives in La Coruña, Spain, and is a 3rd Degree Clergy within the Tradition, she is 43 years old, single and she lives with her parents and is working in customer service. She loves traveling, the beach, walking in nature, reading and spending time with her loved ones. Her other interest she has in Wicca-related things are that she like to continue learning about wicca, shamanism, and is in the beginning of her training in the world walker order. In the future, she would like to be able to help others and help the Correllian

Her favorite divination tool is Tarot., and she was looking for a tradition with which to learn and grow, and that is how she found the Correllian Tradition in 2016.

She has studied Reiki Usui (I and II level), Akashic records (3 degrees and master), Correllian Shamanism, and she is also, a priestess of the sea. She is a member of Temple Dragón.

This is a lovely picture of her hometown

We thank **Lady Silvia** for her time to answer our question for us. Hoping for continued blessings, for her in the Wicca-path, and Correllian Tradition, that she is leading.

Manifestation Globe

By Rev. Firefay

In this period of the New Year many people like to make New Year Resolutions or decide to make a change in their lives. Many of you fellow Correllians will be practicing manifestation spells to facilitate these changes or goals. I wish to share with all of you a discovery I made during a meditation that has proven a valuable and powerful manifestation tool. After I had the vision and found that the tool was accessible on demand, I knew that it was something I needed to share with the community instead of keeping it for myself. After all we can only really advance together as a whole. One single individual is much less powerful than a whole group. I feel that this tool might be used by several people simultaneously with a same goal to magnify its power.

While meditating I suddenly found myself inside a huge globe of light made of a substance that seemed like liquid electricity. It was blue in colour and flickered like lightning, but it flowed like liquid all around me. When I imagined what I wished to manifest, the material flowed into the centre of the globe in front of me and formed the blueprint of whatever I imagined. As soon as the form was complete and I was happy with the result, a wave of energy spread out in a circle with a burst carrying the manifestation into the physical plane. I have been using this tool for manifestation ever since and have had quite a bit of success. The power of my manifestation spells has multiplied exponentially. I would be curious to see what a group of Correllians could manifest using this tool accessible through the astral plane. All it takes is good meditation and visualization skills to get there.

I'm looking forward to seeing the results of these group manifestations. If any of you feel like trying one, please announce the event in the Correllian community so that any who wish to join can do so. This can be a virtual event since the tool is in the astral plane and it requires every participant to meditate and visualize to arrive there. What counts is deciding as a group the goal and what to manifest as well as the time so that the manifestation takes place at the same time.

Wishing you all the best New Year ever and may all your goals be manifested in perfect love and perfect trust with harm to none.

Imbolc Project

Crafting with Bella

Some years ago, I got the idea that I would make some ornaments for the sabbats. A witch's ball.

It was difficult to start but in the end I got it.

For the Imbolc ornament, you will need

- 1 clear ball
- white clay to make the foundation
- fake snow to lay over the foundation
- 1 mini candle to glue into the ball

It ended up looking like this

Recipe for Imbolc Northern Hemisphere

By Rev. Bella

Iceberg Wedge Salad with Yoghurt Dressing found at <https://wiccanow.com>

Ingredients

- 1 cup natural, unsweetened yoghurt
- Juice of at least 1 lemon
- 2 tsp honey
- 1 tsp mustard
- 1 Iceberg lettuce
- 1-2 cups mixed herbs roughly chopped

Cut your iceberg lettuce into 8 wedges and lay out onto a large plate.

Make your dressing by adding the yoghurt, honey and mustard to a small bowl. Whisk until thoroughly combined. This may take a couple of minutes as the honey hardens when added to the cold yoghurt. Check the flavour and mix in lemon juice until you have a delicious dressing that suits your taste for sourness. Season generously with salt and pepper.

Pour your yoghurt dressing over the iceberg wedges. I line up the wedges and then pour the dressing over in a slow side to side motion, so you end up with a tight zigzag of dressing over all the wedges of lettuce.

Sprinkle all your herbs over the top and serve one wedge as one portion.

Recipe for Lughnasadh Southern Hemisphere

By Rev. Bella

Green Broth of Eggs and Cheese found at <http://druidsegg.reformed-druids.org>

Ingredients

- 3 tablespoons parsley
- 1/2 ounce grated cheese
- 3 small leaves fresh sage
- 5 threads saffron
- 2 thin slices = 1.5 oz white bread (or
- 2 cups pea stock or diluted chicken
- 1/8 teaspoon ginger
- 1 tablespoon white wine
- 1-3/4 ounce grated cheese
- 3 eggs

bacon)
stock

Soak bread in stock (either water left from cooking peas or 1/2 cup canned chicken broth plus 1-1/2 cup water).

Grind parsley, sage, and saffron in a mortar thoroughly; add 1/2 ounce cheese and soaked bread and grind together.

Strain through a strainer; if necessary, put back in mortar what didn't go through, grind again, and strain again.

Mix wine and ginger, add to mixture, and bring to a boil over moderate heat; be careful that it does not stick to the bottom.

Stir in the rest of the cheese; break eggs into soup and continue to simmer until eggs are poached.

Wolfciara's Wiccan World

By Lady WolfCiara

Merry meet my fellow Wiccans and Welcome to my little corner of the Wiccan World.

So yet another month has passed by and Yule came and went. I attended the Yule-ritual as expected, and it was a lovely ritual, as it always is. We were five of us, and it felt magical, and inspiring to attend it. I have attended some other Rituals online, too.. Mostly it is on Fridays, that I attend for the weekly healing ritual.

What else has happened, then... Well, I had the most wonderful Christmas-eve, together with my boyfriend and his father. Had ham, meatballs, pickled herring, pickled salmon, potatoes, mini-sausages, and smoked leg of mutton. I took a lot of snaps and drank a beer to it. We had a lovely time together and in Sweden we have a custom, to look at "Donald Duck and his friends celebrating Christmas", with Santa's fabric on the North pole, and many other animated movie-clip from Disney-movies. Ending with Benjamin Cricket singing: "When you wish upon a star".

During the week between Christmas and New Year, I had visits from my four nieces, and one of the fathers to two of them (Niki and Ellie, as my other brother had to work during the week). They exchanged Christmas-gifts, and they also got gifts from me and a friend of mine, who is like a Grandmother to two of them, as she has been for all times, in their lives. It was a fun-packed time and lot of love, laughter, and happy times. There was a sleepover for two nights, and a lot of girl-laughter, and early mornings, and early bedtime for us grown-ups, too. We even, had time to be out in the snow, and have some joyous time outside, too. Looking forward to next time, that we can get together, again.

Janne, my brother

Me, WolfCiara

Marcus, my boyfriend

They were playing school, and it's from there, the picture of them three together. Looking from left to right, it is Nylah, 8 ½ years old, and the oldest, Ellie, 8 years old, and Nikki, 4 years old, and the youngest of them. The one missing is Zion, who is 7 ½ years old. Nylah, and Zion are siblings, and Ellie and Nikki are siblings,

obviously. Its Zion on the right picture, goofing around. It was Nikki, and Ellie's dad, that was with us during the stay.

Take care until next time. Blessed be all of you. Love and light, hugz and blessings.

Wolfie's Reading Corner

By Lady WolfCiara

Welcome to the corner for readings and, hopefully, answers to a specific question, or just a reading to know what will be happening next month. The readings can be anonymous, and known only to the Herald Editor, and myself. To get your reading done, you only have to send in an e-mail to the Herald Editor at this address: heraldeditor@gmail.com.

I am using a 3-card-spread, and either cards or Runes. You as a querent, has the opportunity to choose from which one you want me to use. The different ones, that I am using are: "The fairies oracle by Brian Froud", "Cosmic tarot by Norbert Löche", WolfPack Tarot by Robert Pertho", "Runes", and "The Correllian Alphabet by Lord Don Lewis, (Cards made by Lady WolfCiara)", Do include if you want a past-present-future reading or, a specific question answered.

This month is the querent: **General Reading for year 2022!**

I'm doing a 3-card-spread and using: "The Runes".

Past: **F - Fehu – Livestock Rune – fortune-Rune - CONTENTEDNESS**

Present: **H - Hagalaz – Heimdall's Rune - rainbow Rune - RHAPSODY**

Future: **S - Sigel – Baldur's Rune – sun Rune – LOVE**

Conclusion, and prediction is:

In **the Past** the World has encountered that time and energy has been used in a project, provides tangible success or fulfillment, in near future. In **the Present** there are situations outside one's own control with delays, which we need to understand better before going any further with turning preconceptions shattered but cleans away what is needed to develop. In **the Future**: change and re-evaluation of the circumstances in the current state will pass, replaced with something very different – maybe unexpectedly. It is a life-giving power of love, care, love between parent and child, humility, and generosity.

Love and light, hugz and blessings. Take care until next time. Blessed be all of you.

The Order of Divination – Runes

This month the Order of Divination has been thinking about the time of the calendrical year and forms of divination that people might use to give a reading of the twelve months ahead. But we decided to go a little different and rather than go for a twelve month Tarot spread we opted for the Runes and the elemental spread! That way rather than having a more complex spread many of you should be able to interpret a simpler spread. Each element represents a different season covering the entire period of the calendrical year.

What do you make of this?! Please do write in and tell us and let us know if you try this yourself and what your results were.

Thank you to all those who wrote in with their thoughts and interpretations last month. Please do let us know if you would like to have them published in the next edition of the Correllian Herald. Or if you wish to tell us about a particular form of divination or spread, or tarot deck, or rune set or have your own interpretations featured then please send them to – heraldeditor@gmail.com

You are more than welcome to participate in the weekly rituals if you so wish to. Witan Shrines are the first level of the Temple-Making Process. Witan Shrines are created by Charter of the Tradition and may progress to Full Temple status over the course of several years or remain at Witan Shrine status indefinitely.

A list of current Witan Shrines may be found HERE: <http://correllian.weebly.com/witan-shrines.html>

Proto-Temples are groups which have progressed beyond the status of Shrines and are on their way to becoming Full Temples but have not yet achieved that status.

A list of current Proto-Temples may be found HERE: <http://correllian.weebly.com/proto-temples.html>

Full Temples of the Correllian Tradition have completed the Temple-Making Process and, if headed by a Third Degree, have representation on the Witan Council. A Full Temple can perform all of the functions of a Temple and may in some cases have multiple branches.

A list of current Temples may be found HERE: <http://correllian.weebly.com/temples.html>

Formal Shrines are Shrines that are dedicated to specific activities of a limited nature. Formal Shrines may exist as an aspect of a larger group or may stand alone in their own right.

A list of current Formal Shrines may be found HERE: <http://correllian.weebly.com/formal-shrines.html>

Personal Shrines are an aspect of an individual Correllian member's personal piety and are not bodies of the Tradition as such. Personal Shrines exist wholly at the discretion of the member, however the Tradition does acknowledge them upon request.

A list of current Personal Shrines may be found HERE: <http://correllian.weebly.com/personal-shrines.html>

Orders are associations within the Tradition dedicated to specific skills, tasks, or interests. This sort of Order is not to be confused with the Meritorious Orders which are awarded in recognition of service.

A list of current Orders may be found HERE: <http://correllian.weebly.com/orders.html>

Houses of Contemplation are established to facilitate the temporary or permanent practice of the contemplative religious life. Depending upon the rules of the specific House of Contemplation guests may come for spiritual retreats of designated length, or to pursue a life of permanent contemplation in the manner of a Monastery.

A list of current Houses of Contemplation may be found HERE: <http://correllian.weebly.com/houses-of-contemplation.html>
