Australian update

The damage bill for humans and animals and the Earth, is becoming clearer and higher with every day some new tragedy uncovered.

The death toll in human lives is now over 200, but we may never know how many of our native fauna and flora was lost, perhaps forever.

The land will take a long time to recover from this and of the native animals, birds and reptiles lost we may never see a bright recovery for some species. Species that were already on the endangered lists.

The Pagan Alliance Network of Australia News

On the 6th February, 2009, 1330 AEDST a ritual was held for the Bushfire Victims of Victoria.

Congratulations and thanks to the 35 or so people who turned up to the Edinburgh Gardens in Melbourne on Sunday February 15th to help raise funds for bushfire victims. PAN has raised \$528 to be matched by a participating business and donated to the Red Cross, and a further \$420 to be donated to the Kingbilli Wildlife Sanctuary in Taggerty, North East Victoria, on the front line of the fires. This is in addition to previous fund-raising activities.

Many participants were touched by the emotion generated during the ritual - thanks to Seline and Hawthorn from the Euphoria tribe for facilitating an intense and moving experience. And thanks to the fantastic drummers: clearly something good was happening when others in the park were touched by the energy and wandered over to see what was happening and have a bit of a dance themselves.

Seline and Hawthorn will be organising subsequent events to raise money for people and wildlife affected by this disaster, including Ebay auctions of rare occult items and another picnic day. Please consider lending your support as the need for donations will not be over quickly.

Below are some of the prayers expressed during the ritual.

May all those hurt in the fires find healing.

May all those who died be at peace.

May all those who are homeless find shelter, food, and hope for the future. May they have a hearth in the coming winter.

May the brave men and women fighting on the containment lines be given the strength of the Gods of War. May they know our gratitude.

May all the animals caught in the fire find safety, and food, and water. May the ones that are in agony, beyond hope or healing, be touched by the mild shafts of Artemis and given peace.

May those who deliberately or recklessly started this firestorm have their hearts weighed on the scales of Ma'at and receive swift justice.

May those who have given money, or food, or clothes, or their time and energy, be themselves rewarded in due measure for their generosity.

May those still under threat stay safe.

May the land be healed, and the rains come again.

So mote it be.

My prayer for us all: We are all from the one source, May we all continue to work together to create a better world.

Runes

By Vitki Freyatrú

Waes Hael!

Hello again folks. After what seems like an age without a working computer I am up and running again. In fact it has been so long that we have completely passed the feast of Imbolc with nary a word from me. Why should Imbolc be special to a Heathen? (I hear you thinking) And the answer is that in itself Imbolc is not a Heathen festival but it does coincide with a one or more Heathen festival held about the same time or possibly a little later. Most likely it was timed to the full moon rather than a set calendar date.

(There is one school of thought that says the cross quarter days should be movable too, with Imbolc being held when the sun reaches 15 degrees Aquarius; but this has nothing to do with Heathenry or its festivals and I digress.)

Two different festivals were held probably by different tribes in different centuries and in different places. Firstly there is Disting which is a festival devoted to the Disir. (Dise singular, Disir plural) The Disir are the female ancestors who carry the female tribal soul and were invoked for help for a number of different reasons ranging from successful crops, as might be expected in an agricultural society, to success in battle as might be expected from the Viking peoples. An aspect, or aspects, of the Disir are the Valkyries, not only as the bearers of the slain to Valhalla (and Folkvang) but also as ancestral spirits who will fight alongside you. I think that if I was in a battle I think I would draw comfort from the belief that should I die the first person I would meet would be my grandmother or aunt to guide me on the next stage of my journey. Therefore the Disir can also be said to act as spirit guides.

The Goddess with the closest links to the Disir and also to the Valkyries is Freya. It is Freya who chooses which of the slain shall go to be Einherjar in Valhalla and which shall feast in her own hall of Sessrúnnir. A kenning for Freya is Vanadis. This translates as Dise of the Vanir. Names given to the Gods and Goddesses almost invariably are given after one of their aspects. For example Odin is also known as Grim, which translates as 'hooded'. I take the deeper meaning of Vanadis to be that Freya carries, or is the embodiment of, the spirit of the female ancestors to the Vanir.

This brings me very neatly to Freya's Mother who was Nerthus. Nerthus also had a festival held in spring which was recorded by the Roman writer Tacitus. I will tell you more about Her next week.

TAROT

Rev. Leona

The Tarot card for today is The Ten of Pentacles
Key terms for this card are Fulfillment, Richness, Family, Prosperity.

Message of Ten of Pentacles

The Ten of Pentacles brings you to the completion of a cycle. Here you will find that you have accomplished many tasks and many trials. Now is the time to sit back and reflect on all that you have accomplished. This is the time for you to look back and see that you have achieved all that you set out to achieve. This is the time when finances are secure and stable. Your home is filled with peace and love and your family and friends are all healthy and well cared for. You may still bear the scars and the wounds of trials and tests passed along the way. Know that now is a time for healing and time for you to be able to look back and know that all of this is now behind you. You have come through and all that remains are the memories of times gone by.

The Ten of Pentacles brings you face to face with the dreams that you have been chasing. Here you are now able to look at yourself and see the changes that have taken place. You are now a new person who is stronger and healthier for all the choices you have made. There were times of great distress that you have come through and now you are able to face the future with renewed hope and optimism. This is the time for you to look at the roots and the foundations that you have planted. You are now able to stay grounded yet at the same time fly through the stars. You have all of your material needs cared for. The Ten shows that you have achieved the stable material life you have worked hard for. You have paid off the debts of the past and now you are able to meet the future free of any material baggage that was holding you back.

This is the time for you to get together with friends and family. You have passed all the test and trials for this path and now you are able to sit together and reflect over all the trials that you have overcome. This is a time for celebrations and for reflections. Sitting together and laughing over the hard times that you have passed through is all part of the completion of the cycle. This is a time to ponder and to listen to the words of others as well as the worlds of your own soul. The Ten of Pentacles is the point where you have moved through the tree of life and you are able to say that you have mastered all the lessons of this path and that you have achieved all that you have set out to accomplish. Now you are able to just relax and just be. There are no demands upon you right now and there are no needs that you are trying to meet. This is the time for peace and the time for family.

The Ten calls you to come out and bask in the sun. There will be new trials and new lessons when you begin the new path but for right now everything is well with the world and you are asked to come out and enjoy. There is nothing right now that you can do and so now is the time for you to sit back and relax. This is a time for family and friends. A time for you to look back and to look forward. There are so many wonders and blessings in your life and now is the time for you to take stock of all that you have and all that you have accomplished.

Meditation for Ten of Pentacles

Meditations for this month will require one candle and a journal.

Find a quiet spot where you will be able to sit comfortably. Take in a deep breath and allow it to fill your body. With every breath feel your body relax. Allow the air to carry away all the stress and anxiety of the day. Feel your body let go and drift away with peace. When you are ready light the candle and close your eyes.

Focus on the following questions.

Where in your life have you achieve stability?

What part of your life has manifested the same as how you dreamt?

Have you been able to share your accomplishments with others?

Write your answers in your journal. Focus on the following questions.

What can you do to share your stability with others?

How can you show the way for others who are on the same path as you?

What have you learned from all the trials that came before this?

Write your answer in your journal. When you are ready open your eyes and extinguish the candle. Now is the time to spend with friends and family.

DragonAngel

Merry Meet fellow Wiccans to my Wiccan World.

It has been a .hectic week for me, with some bad and some good things happened to me. As it usually does with me and my family in an ordinary week.

On Monday evening, me and my husband was out on a walk with the dogs, and we had our male dog loose. He is very good in obedience, so we can have him like that. Well, I should go in to a shop and buy somethings that we needed. My husband stands outside and wait with the dogs. Meanwhile I am inside, another German Shepherd male is approaching from behind.

My husband stands with his back, towards them that are approaching. The other German Shepherd and the one who is walking with him in a leash isn't telling a sound, and when they are about 10 feet away. Then our male dog runs forward to him, and is sniffing him out. But as they are males, they can't just sniffing they must show off, too. So it starts a quarrel, and my husband goes in between to separate them.

It turns out that he was bitten on the palm, just below his thumb. Luckily, the dogs didn't suffer any harm, but it was a nasty bite he got. It is about 2 inches in length, and it is about 1/3 of an inch deep and wide. He told me that you could see the tendions moving in the dog bite, he had got. Well, as it was a dog bite, they didn't want to do any stitches on it. So he just got a tetanus shot and got the wound taken care of. He also got to eat Penicillin 3 times a day for 10 days. So all in all, it was a lucky bite, had taken about an inch higher it has been in his lower thumb joint, and Goddess know what would had happen then.

Well, the good news then, I have had a spring cleaning on my altar. Dusting off some dust, and also cleanse it from impurity that always comes as dust. So now it is sparkling from the dusting and cleansing. It is just my ordinary cleansing thing, that I try to do every now and then. But it is well needed though. Otherwise we have had a sunny and clear winterweather here in Sweden. With walks outside in the snow, and a lot of playing with the dogs in the snow. So it has now settled down and is back to normal here at home, again.

Take care until Monday. Love to you all, always. Blessed be all of you.

Hugz and Blessings

Culture Vulture's Page

The Culture Vulture

The place where YOU can have Your say about the issues that are relevant to You!

Merry Meet Readers!

This new section of the herald is being brought into being to allow you the readers to have your say on the various topics we bring to these pages every week!

We want to hear what you have to say, your opinions and suggestions, and we will endeavour to incite you to write them!

I am Culture Vulture (CV for short) and my place in this endeavour is, to taunt you, tease you, annoy you, interest you, niggle you, play with your minds and your sensibilities (*don't you just love Severus Snape*), until you burst forth into the written word, which we will then print so all can read them.

"Be aware though that some comments may be considered too inflammatory by the editor and therefore may not see the printed page"*

So, do you have an issue that you would like to see discussed in print? Whether it be a spiritual issue, an environmental issue, a political issue, a general issue about the way our Tradition is presented and viewed in the greater world environment or just something that we as Wiccans and Pagans can help change and support. Please let us know.

If you have suggestions about articles you would like to see in the Herald, we are interested in those ideas too.

As CV I will bring forward a subject for discussion regularly. It may be a trifle confronting, upsetting, annoying or just plain "piffle"! If you think so please say so!

All letters will carry an alias whether supplied or not so beware... the sharp tongue of someone who has to find one for you if one is not supplied...

I can be found at culture1.vulture@yahoo.com.au

If it is printable and is not libel or anything close to, we will print it... We will not print letters that are aimed personally at individuals or any Tradition bashing, this is not what we are about...

We are simply trying to get **You** the reader, involved in helping us make a better world for us all.

The first suggestion for a contentious (tongue in cheek) discussion comes from Heathen Lad

Dear Culture Vulture,
How's about, What is the best biscuit to dunk in a cup of tea.
My vote goes to ginger nuts!

Yours in Tea and Bikkies
"Heathen Lad"

Answer:

Dear Heathen Lad,
I guess it depends on whether they use Australian ginger or not ... LOL
Then, there's the question, does the Ginger come from NSW or Queensland...lol
Or perhaps it comes from Barbados, who knows the answer... LOL
And then the question can grow to, do you even like tea and bikkies or maybe you prefer
Coffee and Cookies... the discussion goes on...

Personally I will go a Dutch Spice biscuit and green tea any day, and I don't dunk any!

Yours
Culture Vulture

And so it goes...
Dear Readers,
The Ball is in your court.

In the next edition there will be a short editorial, which I do hope will elicit some brisk and snappy letters from your midst.

Until then farewell
Yours
Culture Vulture...

Animal Totems

Rev. Mehitabel

Part 5. Land Animal Totems

Sources: <http://www.whats-your-sign.com/animal-totems.html>
<http://www.angelfire.com/ok/bobbiesues/pg8mwMEDS.html> & google pictures

Each totem carries messages and information for us. This is known as their medicine.

Beaver Animal Symbolism

Dreams and water, the Animal symbolism of the beaver is concerned with building our lives around our dreams. This dream symbolism is characteristic of a water animal for water symbolises dreams, psyche, motion, emotion, intuition and the subconscious

Beavers are master builders, creating fantastic dams that alter the flow of entire rivers. This characteristic makes the beaver an analogy for building our up dreams.

The beaver tells us to believe in our dreams as if they were real, to build on them as if the dream is reality that we can change the course of our life flow by focusing our lives on a goal to coax our dreams into your physical reality.

Animal symbolism of the beaver also deals with working diligently. The dams and these beavers build are sometimes eight feet tall and span across entire bodies of water. That kind of accomplishment doesn't happen overnight, nor does it happen by just wishing of completion. Dreams need work to manifest – this is the message of the beaver.

The beaver also reminds us to relax, to share quality time with family, to take time for ourselves, and our loved ones. The beaver admonishes unbalance, and encourages us to set our priorities right. Working to fulfill life-long dreams is admirable, but not at the expense of neglecting our friends and family. Clearer understanding of our subconscious thoughts and dreams

Beaver medicine brings us the following gifts and messages:

- Ability to mould our thoughts more constructively to suit our needs
- Determination to follow our dreams
- Diligence to keep and reach our goals
- Balance and flexibility concerning ourselves and our expectations
- Take time for self, friends and family. The people in our lives are most precious

Call on the spirit of your beaver totem when you:

- Need encouragement or inspiration in reaching your goals
- When you've got the blues, and need a boost of energy (beaver is better than B-12!)
- You're starting new creative projects or building new business deals
- You're attending a family reunion or class reunion
- You need a little more structure discipline in the family
- You've want more clarity in dream interpretation or subconscious realms.

Poets Retreat

The Bard's Song

As I walked out one quiet evening,
At the hour of twelve at night,
Who should I meet but a fair young maiden
Combin' her hair by candle light;
Lassie, I have come a-courtin',
Your kind favours for to win,
And if you'd heed my petition,
I would be your Paladin...

Gather roses in the Springtime,
Gather roses while you may,
Time is passing; roses wither;
Winter comes; we're here -today-

Have you seen the dew a-formin'
On the grass at early morn.
Have you seen the forest quiet,
Or a stag that's barely born.
Have you seen the dawn a-breakin',
O'er the Western Ocean's tide.
Have you felt my heart a-beatin'
When it's held close to your side.

I can give no gold or silver,
I can give no fields of land,
I can give no servants brisk,
To wait on you both foot and hand;
I can give you wide roads callin'
Wind and rain, and moon and sun,
Songs to sing, and love and laughter,
Dresses made of plain home-spun.

Come dance with me upon the greensward,
in the moonlight, in the Spring.
Dance with me within the forest,
Dance with me within the ring!
Earth below us, stars above us,
Fire and water by our side,
Dance with me within the moonlight,
Dance with me, and be my Bride!

Thoughts And Ideas / Crafts:

Compass

One of the things we witches need to know is which direction is which. We like our altars to face a particular direction, the Quarters need calling in the right place, etc. What better to help us with this than a compass?

You Will Need:

1. Needle
2. Magnet
3. Styrofoam plate
4. Scissors
5. Tray
6. Water

Cut a circle out of your Styrofoam plate. Make sure your circle is small enough for your needle to stick out a little on both sides of it.

Rub your needle with a magnet for about 45 seconds to magnetize it. Be sure to only rub it in one direction or it won't work. Hold the needle facing away from you and roll it around in your fingers as you rub it to make sure it's magnetized on all sides.

Lay the needle down right in the middle of your Styrofoam circle and lay the circle down to float in a tray of water. The magnetism of the needle will cause it to spin and point North!

Ideas For The Kitchen:

When I found this recipe online, I wasn't overly sure about it. Trust me though - I tried it and it is DELICIOUS!!!

Honey Cake

(Makes 1 cake)

You Will Need:

1. 2 ½ cups flour
 - ½ teaspoon baking soda
 - 2 ½ teaspoons baking powder
 - 1 ¼ teaspoons allspice
 - 1 teaspoon ground cinnamon
 - ¼ teaspoon nutmeg
 - 1 teaspoon ground ginger
 - 4 eggs, beaten
 - 1 ¼ cups granulated sugar
 - ½ cup oil, (any oil will do)
 - 1 cup raw honey

Preheat oven to 350° Fahrenheit / 180° Celsius / Gas Mark 4.

Grease and flour a 9x13 baking pan.

Combine all ingredients in a large bowl, stirring well.

Pour into pan, and bake for 45 minutes.

About 30 minutes in, open the oven and sprinkle just a touch of raw sugar on top to give it a finished look.

Finish cooking it.

Serve unfrosted.

Jokes:

Your Neighbour Is A Witch If...

Part 1 of 5

- 1) Never puts any rubbish out on refuse-collection day. I mean, recycling and composting is fine, but you can take it too far.**
- 2) You casually ask what phase the moon is in, and she tells you down to the exact number of days, hour and minute of rising, position on horizon, and current angle of declination.**
- 3) All the stray cats in the neighbourhood tend to congregate in her garden (and use your own as their litter).**

4) A screech owl has chosen the lamp-post outside her house as its favourite calling-post. That's just when it's getting warm at night and you like to sleep with the window open.

5) Doesn't cut down the weeds in her garden; in fact it looks more like she's cultivating them. Needless to say, you get the seeds wafting over onto your pristine lawn.

6) Most of her clothes on the washing line are black.

7) The local kids talk in whispers as they go past her house, then start running at the last moment.

8) Nobody trick-or-treats her house; not after the incident when the kids' costumes were less scary than hers when she opened the door to them. (She was embracing the Crone that year no doubt!)

9) Footprints on the roof. And the trees in her flight-path have been pruned down. I swear it's true!

10) She can't even make a simple sandwich without adding fresh herbs to it. And don't ask her for a cup of tea unless you want something yellow coloured and smelling of flowers.

Puzzles:

WORD SEARCH

This week our puzzle theme is “The Psychic & The Paranormal”. 15 words have been hidden in the diagram. They have been printed across (backwards or forwards), or up, or down, or diagonally, but always in a straight line without letters being skipped. Can you find them all?

THE ORDER OF WORLD WALKERS

This Correllian order is headed by the Rev. Krystal High Correll and she is offering training for those who wish to join the order. The training consists of twelve lessons, one a month, for a year, offered through e-mail.

The purpose of this order is to fulfill the deeper purposes of the Correllian Tradition--advanced psychic and spiritual work, primarily conducted on multi-dimensional levels. This work includes:

Learning to connect and work with your spirit guides. Conscious dying and conscious incarnation. Advanced dream work. Exploring the known boundaries of the multi-dimensional universe, then conducting independent work to go beyond those boundaries. The study of time and advanced work within it. Soul rescue (helping those who are not aware they have died, or are not willing to cross over). Mediumship (being a voice for the so-called dead, visiting the land of the dead and communicating with them, and building a pathway between the living and the dead). Healing, both personal and of our Earth.

These purposes are divided among five houses that consist of the members who are dedicated to the work of the House.

The Order of World Walkers is a working order. The training is only the beginning. Each of the houses offer work that can be done for the rest of your life, if you choose to do it.

I believe that everyone who chooses to become a member of the order chose this before coming into this life time to continue work begun in other lives.

For more in-depth information, including the cost of the lessons, contact me at
krystalneuman@yahoo.com
May You Blessed Be
Krystal

THE ORDER OF WEB WEAVERS CRYSTAL WEB MAPPING PROJECT

The Order of the Web Weavers has been working diligently on mapping the Crystal Web. If any of you have a crystal that you have added or removed from the Crystal Web contact us to ensure are records up to date and accurate.

The information we need in order to best catalogue your crystal/s is the following. Your Craft Name and E-mail Address along with your City, State, Country, Latitude, and Longitude. Sent to the following e-mail address: *wwcw@correllianorders.info*

Please include the above information, if you have removed your crystal from the Crystal Web along with 'Remove' in the subject line. If you have added several crystals then we would need a separate entry for each crystal, unless they are located together. If they are located together then please include how many crystals are at that location.

We are excited about this project and hope that you will be too. Once the crystals have been properly catalogued we can then begin placing them on the map program. This will give us a good visualization on the Crystal Web. Thank you in advance for your participation in this wonderful project.

Bright Blessings,
The Order of Web Weavers
