Animal Totems

Part 21 Land Animal Totems

Rev. Mehitabel

Each totem carries messages and information for us. This is known as their medicine.

Skunk

Often maligned, this little creature is a member of the Mustelids which includes badgers and ferrets. The group is characterised by strong, musky odours originating in the glands by the anus. The smell of the small mammal house in the zoos of old was down to these creatures!

Although best known for its defence mechanism, the skunk does not make use of the powerful anal gland secretion unless there is no other option. Refilling the glands takes several days so it conserves its weapons till they are really needed. Because of this the skunk teaches us patience and caution, and shows us how to assess before action. A peaceful creature, it teaches us the value of pacifism and shows us the assurance that comes from possession of the most effective deterrent.

The skunk has strong maternal bonds with her offspring and protects them well. She can offer guidance and support in all problems of child care. Allow her to enter your life when motherhood seems hard.

The skunk also guides us in life. Reach out to the skunk in times of stress and she will help you.

Learn from the skunk the virtues of patience, assurance, strength, peace, innocence and silence. Prepare to welcome her and find in her a true friend

TAROT

The Tarot card for today is the Tower

Key terms for this card are Sudden Change, New Direction Path, Unexpected Events

Message of the Tower

The Tower holds the key to the next phase of your life. When the Tower comes into your life you will see sudden change. There have been some parts of your life that need to have new life infused into them. This is the time for you to realize what needs to change. The Tower appears in your life when you refuse to listen to the warnings. Now is the time to focus on your life. What do you need to do to make your life better. The Tower will appear in your life without warning so expect the unexpected today. You will find that there is a lot that will happen today that will be unexpected. Be ready to be at the mercy of synchronicity today. The Tower will give you opportunities and options that were not available before. You have to be willing to accept anything that comes your way today. Know that for today destiny has taken over and you have to sit back and wait to see where you are taken.

The Tower will bring new energy and possibility into your life. You have to be ready for when the Tower appears anything is possible. The Tower will bring situations to you that will cause you to question your life path and will have you searching for the value in what is happening in your life. The Tower cannot be stopped and the Tower cannot be avoided. The Tower comes with an important message that you need to listen. The Tower is the Universe's intervention. When the Tower appears you are on the verge of making a big mistake. You need to listen to the signs and you need to allow the Tower to do the work it was sent to complete. The Tower will seem chaotic when it first appears but once the dust settles you will be able to see the changes and the new opportunities left in its wake.

The Tower will come with such force and power today that you will not know which way to turn. There is much that will be destroyed with the appearance of the Tower but know that all that the Tower destroys is old and no longer serves a purpose in your life. This is the destruction of the old to make way for the new. You have been clinging to these old paths too long and you have not listened to anyone. This is the only way to get your attention. No one knows which form the Tower will take but one can be certain that the appearance of the Tower will have life altering consequences. The Tower will have the ability to shake you to your very foundation. Be ready for the challenge and be ready to act quickly to pick up the pieces and begin again with new insight and new purpose.

The Tower may seem very intimidating at first glance but know that when the dust has settled there will be time to celebrate. There must be good that comes from the events which are about to take place. Know that there is much that the Tower will bring. The Tower is not meant to cause you delay and it is not meant to cause you despair. The Tower is meant to rouse you from your slumber. When you sleep you miss the life that is in front of you. This is the time to break out of the cocoon which you have created around yourself and see that you are no longer the caterpillar but the mature and passionate butterfly ready to face the world.

Meditation for the Tower

Meditations for this month will require one candle and a journal.

Find a nice quiet place where you will be able to sit quietly without being disturbed.

Take a deep breath and feel your body let go and begin to relax.

With each deep breath you take allow the stress and anxiety to leave your body.

Find your center and allow yourself to let go and relax.

When you are ready light your candle and close your eyes.

Focus on the following questions.

What part of the path have you been neglecting?

What are the signs that you have been ignoring?

What part of your life does not feel right?

Write your answers in your journal and focus on the following questions.

What can you do to bring peace and harmony into your life?

What do you feel when you think about changing your life?

What holds you back?

What do you fear?

Write your answers in your journal and when you are ready open your eyes and extinguish the candle. Now is the time to face the new changes in your life.

The witch job that pays £50,000

Sourced by: Rev. Nehal

A job centre is advertising a "witch" vacancy with tourist site Wookey Hole, in Somerset, for £50,000 a year.

The witch, who has to live in the site's caves, is expected to teach witchcraft and magic. Wookey Hole staff says the role is straightforward: live in the cave, be a witch and do the things witches do.

The advert for the post, placed in the local press as well as job centres, says applicants must be able to cackle and cannot be allergic to cats.

The job has come up after the previous witch retired from the role.

"We are witchless at the moment so need to get the role filled as soon as possible," said Daniel Medley from the tourist destination.

'Key career move'

"Wookey Hole wants the appointee to go about her everyday business as a hag, so that people passing through the caves can get a sense of what the place was like in the Dark Ages.

"This was when an old woman lived in the caves with some goats and a dog, causing a variety of social ills, including crop failures and disease."

The £50,000-a-year salary is pro rata, and based on work done as needed, largely in the summer holidays, but also at Halloween and at Christmas.

"Wookey Hole is advertising nationally and hopes to attract a strong field of candidates with the £50,000 serving as a major incentive," said the site.

It said ambitious witches looking for a "key career move" should arrive dressed for work armed with any "essential witch accoutrements".

Due to sexual discrimination law, the job cannot demand that the post is filled by a woman. Under sexual discrimination law, unless Wookey Hole can provide "documentary proof that the original witch was female it can't issue a gender-specific job description".

Interviews, which will involve on-site assessment incorporating a range of standard tasks, will take place on 28 July at 1100, stipulates the advert.

Maya Mayan Ancient Culture Creation Legends and Four Maya Worlds

Rev. Nehal

According to the legends of the Maya, the Supreme Creator god [Hunab Ku](#) created four new worlds, rebuilding the landscape four times after deluges had poured from the mouth of the sky serpent.

What this legend refers to are four times where god Hunabku acted as a benefactor and mentor to the souls inhabiting the physical plane bodies of the people known as the Maya. The verb "to pour" along with its synonyms has many meanings applicable to the Maya storytelling.

It also means to dispense, to mete out, to discharge, to swarm, to detonate, to explode, to emit fire, to transfer, to empty, to decant, to emit, to relocate, to shift, to reassign, to remove, to eradicate, to confiscate, to take out, and to eliminate.

The first time god Hunab Ku helped to rebuild the Maya World was after the first time fiery catastrophe poured from the mouth of the sky serpent.

The First Maya World correlated to the relocation to Earth of the Shaman Star Teachers, currently called the Pleadians, after their homeworld planets now known as Mars was rendered inhabitable.

Acting as a Shamanic Psychopomp, he helped the millions of inhabitants of the planet that once existed in the solar system environs where the asteroid belt is located today. When their planet was destroyed, they were stranded in the fourth dimensional ethers without third dimensional biochemical shells available to them.

*Abaj Takalik Stela 5 with two Mayan Long Count Dates

Hunab Ku also helped to genetically engineer triage replacement biochemical shells for them on Earth on the continent of Lemuria so that they might continue their evolutionary spiral with his help as a mentor and benefactor.

The second time god Hunab Ku helped to rebuild the Maya World was after the second time fiery catastrophe poured from the mouth of the sky serpent.

The Second Maya World correlated to the time when usurpers from another galaxy hit and sank the continents of Lemuria and Atlantis with asteroids from the remains of their former homeworld. At that time, he helped with the relocation of the Maya to Mesoamerica and the Yucatan.

He was assisted in this effort by the elemental Dwarves who helped the Maya with the quality stonework used to construct the Sacred Stone buildings in the villages they were to inhabit after the Shaman Star Teachers left Lemuria and relocated to the Pleiades and became known as the Pleadians.

The third time god Hunab Ku helped to rebuild the Mayan World was after the third explosive and confiscatory catastrophe poured from the mouth of the sky serpent.

The Third Maya World correlated to the time when an obscure extraterrestrial race of "offenders" from the environs of Sirius, who were called the Dzolob by the Maya, usurped and confiscated the inhabitations and Celtic style Sacred Mounds of the Maya.

The motivations and reasons of the Dzolob, who are the present day Sirians, for doing this were extremely complex. Feeling abandoned by the Orion Achievers and the Pleadian Shamans and frustrated because they were vibrationally unable to relocate with either the fifth dimensional Orion Achievers or the sixth dimensional Pleadian Shamans, they tried to quench their overwhelming thirst for knowledge keys and ascension merkaba techniques with a "No Holds Barred" and "Whatever it Takes" attitude.

During the early phases of the Third Maya World, Sacred Mounds were overlaid with pyramidal stone temples. Over the course of time, these pre-existing older temples were then in turn often overlaid with new stone structures.

This was the "Dark Times" when the Maya were forced to built the stone pyramids over their Sacred Mounds and then coerced into doing sacrificial rituals under the ill advised, imprudent, and injudicious instructions of their usurper oppressors who were negatively thought adjusted by fallen angels from the fourth dimension and demons who sometimes temporarily possessed the bodies of both the Maya and the Dzolob to further their dark designs and evil agendas against humanity and all things bright and beautiful.

A short time after god Hunab Ku was informed of what had happened to the Maya Sacred Mounds and the bloody sacrificial rituals taking place there, he returned from the Pleiades for a brief period to cleanse and scour the landscape of the Maya. At that time, the Dzolob Sirians retreated underground to live in cosy, elaborately constructed, well appointed, and comfortably furnished caves.

The Maya relocated elsewhere in Mesoamerica and the Yucatan with the help of Hunab Ku. They moved into areas in the countryside where the ethers were still pristine and unsullied. He also gave them specific spiritual guidelines to live their daily lives by until the Pleadians were once again able to return to the Earth and act as benefactors and mentors to them.

*Maya Tikal Emblem Stela Glyph
Image Courtesy of R Villalobos*

This was the timeframe when the Maya mysteriously abandoned all the cities. It also corresponds to the Third World that Hunab Ku created for the Maya where they could live by themselves. It was meant to be the final or last world that the Maya would inhabit before the coming of the Fourth Flood and the return of god Hunab Ku to help create the Fourth World.

This time to help create in the Fourth World. The fourth time god Hunab Ku helped to rebuild the Maya World happened when he recently returned from the Pleiades to help create in the Fourth World.

The Fourth Maya World correlated to the present day coming of the Fourth Flood and the Fourth Dispensational Shift circa 2005 ACE when the planetary spheres finally made the axis shift into the long awaited humanitarian Age of Aquarius.

Hunab Ku Kumara plans to spend a significant amount of time in Mesoamerica and the Yucatan, acting as benefactor and mentor to the Maya. He will make sure that the Maya have the necessary sacred tools and knowledge necessary for them to safely make the phase transition into the Fourth World, as the planet makes a quantum leap into higher states of Consciousness more readily available in the Age of Aquarius.

Bahai: Martyrdom of the Bab

This major holy day is celebrated on the **9th July** at noon and commemorates the events surrounding the death of the Báb in 1850.

The Báb (a title meaning 'the Gate') had many followers but his beliefs did not meet with approval from the leaders of the state religion in Persia, and they decided he should be taken from prison and put to death.

One of his young followers begged to be allowed to share his fate, and this wish was granted.

An Armenian firing squad lined up and shot at the Báb and his follower, but when the smoke cleared, the young follower remained there unharmed and the Báb had gone.

The Báb was found back in his cell, and the soldiers were so shaken by the 'miracle' that they refused to try to kill him again so a new regiment had to be called for.

This time, when the squad opened fire the Báb and the follower died, and their bodies were thrown into a moat outside the town.

The Báb's followers rescued the bodies, and years later, the remains were buried on Mount Carmel in Israel, in a shrine that is now a place of pilgrimage for Bahá'ís worldwide.

To commemorate this day, Bahá'ís read special prayers at noon, which is the time the execution was scheduled for.

This is also a day of rest, when Bahá'ís should not work.

Quote & Thought of the Date

Rev. Nehal

Quote of the Day:

The secret of health for both mind and body is not to mourn for the past, nor to worry about the future, but to live the present moment wisely and earnestly.

Buddha

Source: www.ascensiongateway.com

Thought of the day:

If you're gloomy about the future, that's how the future will end up being. Choose instead to take another view and make another future.

The future has not happened yet. So it will be whatever you decide to make it.

There always have been, and there always will be, many challenges in life. Yet within those challenges are even more positive possibilities.

Among those possibilities are the most wonderful, beautiful, amazing and personally meaningful treasures you can imagine. Expect the very best, and then get busy making it happen.

Experience right now the unmatched joy that comes from moving your world positively forward. Be the enthusiastic creator of the brightest future you can imagine.

The future is being born right now in your thoughts and actions. Choose to make it the best it can possibly be.

Poets Retreat

Poetry supplied by members of the Order of Bards

The Poet's Spell

We met once in a dream, or so I did surmise,
In a vast space of endless nothingness, lit only by his eyes.

He did not speak nor did he move I was held a captive in his gaze.
Pulled into his necromantic kingdom, when Master calls the slave obeys.

Enchanted by his deviltry, entranced by visions of his kiss,
I let loose my grip on reality and slipped into his sweet abyss.

Willing led down into his realm, he was all that I desired.
How could this be? A Witch bewitched? With what demons had he conspired?

There in the dark he read to me his clever, velvet words,
They brushed so softly against my soul, like the wings of hummingbirds.

Entangled in the web he spun, the magick flowing from his lips,
Such a beautiful, tormented man lived there in his scripts.

Then suddenly his eyes grew dark as he drew his dagger quill,
Brushing off his book of sorrows the pages he began to fill.

Pain became his lover then, I watch as she swooped in,
Cloaking him in her iron wings as she had time and time again.

There they danced so fervently, her laughter mingling with his screams;
I closed my eyes and held my breath praying to be awakened from this dream.

When her storm had passed and she'd had her fill, he lay broken on the ground,
Quill still in hand, torn and tattered now, blood pooling all around.

I knelt by him on that cold, dank ground, brushing back his chestnut hair,
His face so still and peaceful, at rest and without care.

There next to him the sacred book, his soul spilled out on the pages,
His heart now freed, his spirit released, all beasts set from their cages.

How long would he sleep, his dreams free of the wraiths? When would he wake again?
To haunt my nights and steal my heart with mere parchment and with pen.

THE ORDER OF WEB WEAVERS CRYSTAL WEB MAPPING PROJECT

The Order of the Web Weavers has been working diligently on mapping the Crystal Web. If any of you have a crystal that you have added or removed from the Crystal Web contact us to ensure are records up to date and accurate.

The information we need in order to best catalogue your crystal/s is the following. Your Craft Name and E-mail Address along with your City, State, Country, Latitude, and Longitude. Sent to the following e-mail address: wwcw@correllianorders.info

Please include the above information, if you have removed your crystal from the Crystal Web along with 'Remove' in the subject line. If you have added several crystals then we would need a separate entry for each crystal, unless they are located together. If they are located together then please include how many crystals are at that location.

We are excited about this project and hope that you will be too. Once the crystals have been properly catalogued we can then begin placing them on the map program. This will give us a good visualization on the Crystal Web. Thank you in advance for your participation in this wonderful project.

Bright Blessings,
The Order of Web Weavers

THE ORDER OF WORLD WALKERS

This Correllian order is headed by the Rev. Krystel High Correll and she is offering training for those who wish to join the order. The training consists of twelve lessons, one a month, for a year, offered through e-mail.

The purpose of this order is to fulfill the deeper purposes of the Correllian Tradition--advanced psychic and spiritual work, primarily conducted on multi-dimensional levels. This work includes:

Learning to connect and work with your spirit guides. Conscious dying and conscious incarnation. Advanced dream work. Exploring the known boundaries of the multi-dimensional universe, then conducting independent work to go beyond those boundaries. The study of time and advanced work within it. Soul rescue (helping those who are not aware they have died, or are not willing to cross over). Mediumship (being a voice for the so-called dead, visiting the land of the dead and communicating with them, and building a pathway between the living and the dead). Healing, both personal and of our Earth.

These purposes are divided among five houses that consist of the members who are dedicated to the work of the House.

The Order of World Walkers is a working order. The training is only the beginning. Each of the houses offer work that can be done for the rest of your life, if you choose to do it.

I believe that everyone who chooses to become a member of the order chose this before coming into this life time to continue work begun in other lives.

For more in-depth information, including the cost of the lessons, contact me at krystelneuman@yahoo.com

May You Blessed Be
Krystel
