Millie's Musings

Hello, Mum's a bit busy this week so I thought I'd stop by and talk to you. My name's Millie and I'm a miniature schnauzer. I've just had my first birthday which Mum says makes me one year old. I don't feel old though. I live with my big sister Tansy, who is also a Miniature Schnauzer, and a very large number of aunties, uncles and cousins who are all cats. We get on really well together. Mum says she is surprised that my tail is still attached as I've wagged it so much.

I love going out with Tansy to play in the garden. Mum always tells us not to get dirty but we never listen! I don't think she really minds though, even when she is muttering about needing baths more than once a week. We both love baths and especially being blow dried by our Gran. We prefer having the dryer on our beards which means that our back legs always remain slightly damp as we keep turning round.

Mum warns us to be careful of wasps when we go outside. I was stung last year when I poked my nose at a wasp who was perusing a fallen apple. It really hurt and my lip was all swollen till Mum gave me something that made it better. I was only trying to make friends with it, but Mum says that wasps don't make friends. If they treat them like this I'm not surprised.

When we have to stay indoors we have three huge boxes of toys to choose from, and some of the make really lovely noises like the quaking duck and the mooing cow. Tansy and I play tuggy games a lot and usually pull out all the toys first so that we can choose the one we want that day. Mum says she wishes we would learn to put the toys back again. We don't see the point as we only have to take them all out again the next day!

I can hear Mum making our tea so we are off to the kitchen. I'll come back and talk to you again one day

Millie

Quote & Thought of the Date

Rev. Nehal

Quote of the Day:

What we think, we become.

Buddha

Source: www.ascensiongateway.com

Thought of the day:

Go beyond what you know you can do. And just like that, you'll know you can do more.

Go beyond again, and again. Grow past the limitations you've imagined, a little bit at a time.

Challenge yourself, and then do what it takes to meet the challenge. As you feel your strength increasing, resolve to add to it through your own efforts.

The way to have real confidence is to build it. Every day is your opportunity to make yourself more confident, competent and effective.

The skills and abilities that seem out of reach are really just a number of steps away. Challenge yourself toward them, and with each effort you move closer.

Push yourself beyond the familiar, beyond the comfortable, and into a higher level of ability. Feel the unique joy of breaking through your limitations again and again.

Project Sanctuary and Dreams

Rev. Mehitabel

Have you ever had a dream you can't understand? Have you ever wanted to explore something in dreams? Do you have problems with lucid dreaming techniques? With project sanctuary(PS) all these things become easy.

In Ancient Egypt, many of the temples had dream incubation chambers where people would spend the night and ask the Neteru (Gods) to bring them insight. Bes and Beset were the usual neteru to be invoked in this way. With project sanctuary you can have your very own dream incubation chamber.

But first, let us consider project sanctuary and sleep. Poor or disturbed sleep is a common feature of our busy lives so that we wake as tired as when we went to bed. Project sanctuary can help here. Begin to build yourself a sleep sanctuary. This might be in the original sanctuary you have begun creating using the previous articles in this series, or it might be totally separate. This sanctuary is just for sleep so keep it simple. You might visualise a four poster bed in a woodland glade; a soft futon on a desert island with the waves lapping a shore of silver sand; a deep and soft feather bed; soothing and enfolding black velvet; the choice is yours. Where do you think you would be able to sleep well?

Having created your sleep sanctuary, the next step is to use it. As you settle down for the night, once you've switched the light off, take yourself to this special place. You might want to transport yourself there instantly, or you might prefer to walk or sail there each night. When you arrive, by whatever route, settle yourself down in the bed and allow yourself to drift away. Come morning, you'll find that you feel far more rested than normal.

Returning to dreams, there are two approaches using PS. The first involves making your very own incubation chamber. As with the sleep sanctuary, how you do this is entirely up to you. You may create your own Ancient Egyptian style room, or you may prefer a futuristic bridge of a starship, or perhaps a pitch black room in which dreams appear as patches of vivid light. Instead of going to your sleep sanctuary, visit your dream chamber. In the morning you may find that your dreams were filled with messages. This method usually achieves results from the beginning, but you will need a little practice should you wish to focus the dreams in a particular direction. For this, think of the question you want answered and concentrate on it just before you sleep and then take yourself to your dream incubation chamber as sleep claims you. Whether you focus the dreams or just allow them to happen, be prepared for many dream revelations.

The second method involves exploring dreams that you have had but have not understood. I do this by creating a second sanctuary off my main one that I reach through a portal. It is a strange, almost fantasy land where anything is possible. Here I have a unicorn guide called Dream Leader. Build your own dream exploration sanctuary any way you like, make it feel right to you. Your dream guide will meet you there, and you may wish to bring some of your other guides along. With your guide's help, travel through this land. He/she may take you into the dream itself so that you can actually step inside it, explore the areas previously out of sight, speak to the people within it and so understand the message. It's the same principle as lucid dreaming but achieved in a different way. Alternatively, your guide may lead you to a place where your questions about the dream are answered. It may be something you encounter in the land, it may be a person or animal who will answer your questions, it may be a sign that is meaningful to you. The important thing here is to enter your dream exploration sanctuary with no preconceptions. Keep your mind open and release the energy (subconscious) mind. Most of all, enjoy yourself and remember that you are quite safe at all times.

If you experience repeated highly disturbing dreams or dreams telling you to do something please visit a health professional first before trying these techniques.

Poets Retreat

Poetry supplied by members of the Order of Bards

I Wish That I

I wish that I
Could open up my heart
And show you all
The feelings I have inside

You make me happier
Than a brand new butterfly
You make me feel
Like the brightest star in the sky

I wish that I
Could use the colours of the world
To paint for you
A picture of my soul

But all the bright pure colours
Would fail to show I'm sure
The happiness and love
That is living in my world

I wish that I
Could fly us into the night
And soar amongst the stars
That now brighten up my world

You are my dear sunshine
With eyes so bright and pure
That always make me feel
Like I can greet the world.

Correllian Clergy Degree Program

A new membership has been created called the Correllian Clergy Degree Program. This is a 3-year program that can help you earn your Wiccan Degrees and Legal Clergy Status. Of course every lifetime and supporting member has access to this main program.

The purpose of this level is for those individuals who are interested in gaining their clergy status, and this offers an opportunity for members to do so affordably.

This program is only \$49.99. To find out more:
<http://www.Witchschool.com/clergydegree.asp>

Witchschool Referral Program

Witch School, our long-time educational partner, has made an offer to the Tradition and its member Temples and groups.

Witch School has created a new Referral Program. The Tradition itself has enrolled in this program – as you can see from the button in the left-hand menu on [orrellian.com](http://www.orrellian.com). You are encouraged to consider enrolling your Temple or group as well, as a means of generating potential passive income.

The program works like this: members receive their own button which they can put on their website, in their email signature, etc... offering Witch School memberships. If anyone purchases a membership through your button, you will receive (approximately) 25% of the payment –that is \$4 of a \$19.99 yearly membership, or \$25 of a \$99.99 Lifetime Membership.

Each button has its own unique code which tracks payments made through it. If someone buys a membership through your button, then you get the abovementioned 25%.

If you are interested in finding out more about this program, or in signing up for it, go to www.witchschool.biz.

Witch School are offering a discount on supplies to Correllian Temples and groups in good standing: for example the Witch School books at 40% off cover price, and other discounts on the various items the school produces. If you would like to learn more about this, contact Lady Virginia at Virginia@witchschool.com and she will be happy to explain further.

These offers are being extended to all of our Correllian Temples, Proto-Temples, Witan Shrines, Formal Shrines, Personal Shrines, Orders, and Study Groups who might wish to sign up.

THE ORDER OF WEB WEAVERS CRYSTAL WEB MAPPING PROJECT

The Order of the Web Weavers has been working diligently on mapping the Crystal Web. If any of you have a crystal that you have added or removed from the Crystal Web contact us to ensure are records up to date and accurate.

The information we need in order to best catalogue your crystal/s is the following. Your Craft Name and E-mail Address along with your City, State, Country, Latitude, and Longitude. Sent to the following e-mail address: wwcw@correllianorders.info

Please include the above information, if you have removed your crystal from the Crystal Web along with 'Remove' in the subject line. If you have added several crystals then we would need a separate entry for each crystal, unless they are located together. If they are located together then please include how many crystals are at that location.

We are excited about this project and hope that you will be too. Once the crystals have been properly catalogued we can then begin placing them on the map program. This will give us a good visualization on the Crystal Web. Thank you in advance for your participation in this wonderful project.

Bright Blessings,
The Order of Web Weavers

THE ORDER OF WORLD WALKERS

This Correllian order is headed by the Rev. Krystel High Correll and she is offering training for those who wish to join the order. The training consists of twelve lessons, one a month, for a year, offered through e-mail.

The purpose of this order is to fulfill the deeper purposes of the Correllian Tradition--advanced psychic and spiritual work, primarily conducted on multi-dimensional levels. This work includes:

Learning to connect and work with your spirit guides. Conscious dying and conscious incarnation. Advanced dream work. Exploring the known boundaries of the multi-dimensional universe, then conducting independent work to go beyond those boundaries. The study of time and advanced work within it. Soul rescue (helping those who are not aware they have died, or are not willing to cross over). Mediumship (being a voice for the so-called dead, visiting the land of the dead and communicating with them, and building a pathway between the living and the dead). Healing, both personal and of our Earth.

These purposes are divided among five houses that consist of the members who are dedicated to the work of the House.

The Order of World Walkers is a working order. The training is only the beginning. Each of the houses offer work that can be done for the rest of your life, if you choose to do it. I believe that everyone who chooses to become a member of the order chose this before coming into this life time to continue work begun in other lives.

For more in-depth information, including the cost of the lessons, contact me at krystelneuman@yahoo.com

May You Blessed Be
Krystel
