Animal Totems

Rev. Mehitabel

Part 16 Land Animal Totems

Sources: <http://www.whats-your-sign.com/animal-totems.html>

<http://www.angelfire.com/ok/bobbiesues/pg8mwMEDS.html> & google pictures

Each totem carries messages and information for us. This is known as their medicine.

Lion

The lion is the symbol of strength and power, often appearing in the crests of Royalty and Nobility. As a totem and a heraldic animal it stands for high birth, courage, power, strength, dignity, justice, wisdom and ferocity.

It presents a mix of contradictions. An animal of the night, it is viewed as a symbol of power over the subconscious and dreams and it is therefore curious that it is regarded as a male and solar symbol. By contrast, the lioness is ascribed the powers of night and moon which conflicts with the view of the Egyptian lion Goddess Sekhmet as one of the Eyes of Ra and a solar Goddess.

Deities associated with lions include Greek Dionysus, Phoebus, Cybele and Artemis who used lion drawn chariots. The lion is an avatar of the Hindu God Vishnu, and serves as the throne of Buddha.

Functions of lions in myth include guardianship of the dead and of the living, protectors and bringers of luck.

Within the zodiac, the lion, Leo, grants independence, confidence and control to those born under its sign. Such individuals have the power to take events and use them to their benefit and the benefit of those around. They are loyal and protect those they love.

In dreams, the lion reminds us to look to our defenses, to contact our emotions and to gain control of them. He shows us how to use the power with which we are gifted, to draw on inner courage and to believe in ourselves.

Tarot

Rev. Leona

The Tarot card for today is Five of Swords
Key terms for this card are Conflict, Defeat, Parting of the Ways, Loss

Message of Five of Swords

Five of Swords comes crashing into your life with conflict and upheaval. This is a time when there will be many misunderstandings and miscommunications. You will need to be strong and be able to stand strong. Know that this may be a time when friendships will be strained and you will find that your friends now become your enemies. During this period there will be a great deal of stress and upset. You will have to find a way to overcome the troubles and find way to bring peace and harmony back into your life. You may find that this is a period when you will have to let go of friendships. You may find that you have outgrown these relationships or that they are no longer positive and productive relationships. Now is the time for you to look to making yourself happy and whole. There may be someone who is manipulating the situation so making sure that you are truly aware of what is happening and to make sure that what is said is truly what is meant and that you do understand the meaning behind the actions and the words. This is a time of conflict. Here you will crossing swords and a prating of the way. Now is the time for you to leave and strike out on your own. Now you will be testing your own wings and trying to find the proper solution to the problems that are coming. You will have to see that by leaving the situation you are saving all those involved from something very painful. There may seem as though there is not hope available for this situation. What needs to happen now if for you to move away. There are pieces that are being lost and misunderstood as you are standing too close. Now is the time for you to move forward on your own. Let go of all the pain and the hate that is threatening to overtake your heart and soul. This is a time for you to really see that you are better than the situation you are in. Find your own strength and let go. This is a cutting away of the parts of your life that are holding you down and holding you back. This does not mean that the parting will be forever. What is happening is a changing and transforming. The relationships must change and you must move on.

Know that the situation you are in is one that will cause pain and upset. You have to be strong and know that the pieces will one day be picked up and you will be able to put them back together. You may not have the hope or the faith right now but in time you will see the lesson that you are learning and you will be able to see how far you have come. This is a time for you to protect yourself and know that you are strong and that you have abilities that you are not even aware of. Take the time to survey all that has happened. Know that there is something that is hidden and that you have not been able to see. Once you have taken the step back you will be able to see what is missing and you will be able to understand all that has happened.

You may feel weak and you may feel defeated right now but understand that where you are and what you are doing is what needs to be faced. You have to be able to see the loss of the situation and prepare to pick up the pieces and move on. You have the ability to learn from this situation and what you need to do is find your strength to move on and turn away from this situation and find the purpose of what you have been doing. Know that this situation will be resolved in time and all you need to do is have faith.

Meditation for Five of Swords

Meditations for this month will require one candle and a journal.
Find a nice quiet place where you will be able to sit quietly without being disturbed.
Take a deep breath and feel your body let go and begin to relax.
With each deep breath you take allow the stress and anxiety to leave your body.
Find your center and allow yourself to let go and relax.
When you are ready light your candle and close your eyes.
Focus on the following questions.

What in your life is causing you upset and turmoil?
Where do you feel miscommunications upsetting the balance?
Where do you feel stress and upset?

Write your answers in your journal and focus on the following questions.
What are the friendships that are causing you delays and upset?
Are there any people who you feel are no longer being helpful in your life?
What can you do to help eliminate this negative feeling from your life?

Write your answers in your journal and when you are ready open your eyes and extinguish the candle.

Now is the time to place a smile on your face and meet the day.

Quote & Thought of the Day

Rev. Nehal

Quote of the Day:

The danger is that every religion, including the Catholic one, says "I have the ultimate truth." Then you start to rely on the priest, the mullah, the rabbi, or whoever, to be responsible for your acts. In fact, you are the only one who is responsible.

Paulo Coelho

Source: www.ascensiongateway.com

Thought of the day:

The strongest power has no need to show itself or to prove itself. It is quiet, calm, determined and unshakable.

Boastfulness is the surest sign of weakness and insecurity. True confidence has no need to speak of itself.

Authentic richness is endlessly generous. Anyone who has the need to appear rich suffers from a terribly painful poverty of the spirit.

How do you fill your life with richness and power? Honestly be yourself, and give freely of yourself.

Give up the fantasy of gaining benefit over others, for even if you could get it you would receive no real value from it. Instead, make it your business to promote, encourage, raise up, love and appreciate others at every opportunity.

Pretending to be rich and powerful is agonizing work that incessantly erodes your spirit. Being truly rich and powerful fulfills your deepest longings and brings you fully to life.

Water Wisdom

Joy Dunkin, Ph.D

If you are lucky enough to live near mineral springs that naturally flow from the Earth Mother's body, then you are lucky enough. If you do not live near mineral springs, locate some somewhere and make a pilgrimage there (weekly, monthly, annually, as often as you can). These waters are the life flow, the blood, of "Her" physical body and of our physical bodies. And just as the Earth Mother is being transformed and lifted into a higher level of consciousness, so is all life upon the Earth being transformed and lifted into a higher level of consciousness.

In MANY cases, the cycle for these spring waters is more than 100,000 years old. These waters were snow and rain upon the Earth at a time when human consciousness was of Lemurian consciousness, and they melted and sifted through rock fractures, as they journeyed for several miles down into the depths of the Earth Mother's body. These waters merged with the Earth, became one with The Mother, contain the minerals of the Earth, and are the Earth Mother's blood that runs through Her body. These waters are living waters; **THEY ARE ALIVE** with the Earth Mother's body. Natural gases within the Earth cause these living waters to ascend to the surface and provide ancient consciousness to us---**WATER WISDOM**.

As the Earth Mother's physical body transforms from a carbon-based consciousness to a silica-based consciousness, so are our physical bodies. **AND THAT IS WHY THESE SILICA-BASED LIVING WATERS ARE VITALLY IMPORTANT TO US**. For centuries and centuries the transformational significance of these living waters has remained hidden, just as the springs themselves have remained hidden and un-used. Why now? Why at the end of the twentieth century did living waters once again begin to speak to humanity about their ancient wisdom? Because---the Earth and all life on the Earth is now undergoing the Shift of the Ages---the end of a 26,000 year cycle in the Mayan calendar, a 104,000 year cycle in the Aztec calendar, and a 225 million year biological cycle---**IT'S REBIRTHING TIME!** And these ancient waters are the waters of the Earth Mother's womb.

It is a good thing for our physical bodies to soak in these healing waters. It is a better thing (now) for our bodies to take these living waters internally---drink them to facilitate the organs and glands of our dense carbon-based bodies to transform into a silica-based body. In this day and time it is necessary to locate mineral spring waters that are tested regularly for bacteria and pollutants, and once you find such sources of living waters, take them **INTO** your bodies as often as you can.

The metamorphosis that our human bodies are going through is a transformation from water content to that of light content. Our bodies need **LOTS** of pure water to do this, and the Earth's pure silica-based mineral waters are the best. The cellular moisture in our bodies is being transformed through the bone marrow into a gaseous molecular form - - **LIGHT!** As Prana enters the bone marrow, the bone marrow becomes the electrical foundation for the physical body. As light is created within the bone marrow, it moves vibrationally into the plasma. Once in the plasma, this light is carried through the blood stream to every organ, gland, tissue, cell, in the entire body.

The light that is vibrationally flowing through the body is called the **KA** (the vibrational blueprint

of the Soul---the Soul's memory). The object now is for humanity to awaken to the vibration of the KA and to remember the blueprint and to remember who we are. This is a time of tremendous metamorphosis, whereby the cellular moisture (the water) in the body is being transformed in the bone marrow by Prana into light---LIGHT BODIES!!!!

Be good to yourself. Locate a natural spring that has not been contaminated with industrial pollutants or bacteria. Make your pilgrimage there often and take in the living waters from the Earth Mother's living body. And please, don't forget to leave an Earth offering in the spirit of gratefulness. If ever there was a thing called "Holy Water"---THIS IS IT. It is not "holy" because a person with patriarchal authority has blessed it. It is "holy" because Our Mother created it.

Poets Retreat

Poetry supplied by members of the Order of Bards

Angels

Do they live in the heavens above,
Or are they some of the clouds we see?
Maybe they are right here with us on earth,
And we just don't recognise them for who they are?
Guiding us and protecting us,
Loving us when we need it,
Showing us they are here,
When we think no one is.
Sometimes a feather,
Sometimes a picture,
A movie on the telly,
Or a gift given by a friend.
I do believe they take care of us,
All we've got to do is ask,
And when we know they are here,
Sometimes say thank you to them.

Witchschool Referral Program

Witch School, our long-time educational partner, has made an offer to the Tradition and its member Temples and groups.

Witch School has created a new Referral Program. The Tradition itself has enrolled in this program –as you can see from the button in the left-hand menu on orrellian.com. You are encourage to consider enrolling your Temple or group as well, as a means of generating potential passive income.

The program works like this: members receive their own button which they can put on their website, in their email signature, etc... offering Witch School memberships. THE ORDER OF WORLD WALKERS

This Correllian order is headed by the Rev. Krystel High Correll and she is offering training for those who wish to join the order. The training consists of twelve lessons, one a month, for a year, offered through e-mail.

The purpose of this order is to fulfill the deeper purposes of the Correllian Tradition--advanced psychic and spiritual work, primarily conducted on multi-dimensional levels. This work includes:

Learning to connect and work with your spirit guides. Conscious dying and conscious incarnation. Advanced dream work. Exploring the known boundaries of the multi-dimensional universe, then conducting independent work to go beyond those boundaries. The study of time and advanced work within it. Soul rescue (helping those who are not aware they have died, or are not willing to cross over). Mediumship (being a voice for the so-called dead, visiting the land of the dead and communicating with them, and building a pathway between the living and the dead). Healing, both personal and of our Earth.

These purposes are divided among five houses that consist of the members who are dedicated to the work of the House.

The Order of World Walkers is a working order. The training is only the beginning. Each of the houses offer work that can be done for the rest of your life, if you choose to do it.

I believe that everyone who chooses to become a member of the order chose this before coming into this life time to continue work begun in other lives.

For more in-depth information, including the cost of the lessons, contact me at krystelneuman@yahoo.com

May You Blessed Be

THE ORDER OF WEB WEAVERS CRYSTAL WEB MAPPING PROJECT

The Order of the Web Weavers has been working diligently on mapping the Crystal Web. If any of you have a crystal that you have added or removed from the Crystal Web contact us to ensure are records up to date and accurate.

The information we need in order to best catalogue your crystal/s is the following. Your Craft Name and E-mail Address along with your City, State, Country, Latitude, and Longitude. Sent to the following e-mail address: wwwcw@correllianorders.info

Please include the above information, if you have removed your crystal from the Crystal Web along with 'Remove' in the subject line. If you have added several crystals then we would need a separate entry for each crystal, unless they are located together. If they are located together then please include how many crystals are at that location.

We are excited about this project and hope that you will be too. Once the crystals have been properly catalogued we can then begin placing them on the map program. This will give us a good visualization on the Crystal Web. Thank you in advance for your participation in this wonderful project.

Bright Blessings,
The Order of Web Weavers
