Chancellor's Lustration Report

Greetings all,

As you know the Correllian Lustration of the Ancestors was held concurrently with the Witch School "Pagans in Global Action" conference on the weekend of April 17-19 in Salem, Massachusetts. We are very grateful to the Witch School Pagans in Global Action Conference for hosting the Correllian Lustration and making this wonderful weekend possible.

Among the oldest communities in the US, Salem features many historic buildings and has a long and remarkable history. Of course the most famous aspect of Salem's history, and the one that brought us there, are the famous Witch Trials of 1692 AD / 1292 Pisces. In perhaps the most famous miscarriage of justice in North American history, numerous persons were imprisoned and nineteen were judicially murdered on charges that they practiced Witchcraft. The vast majority of these people had no connection to Witchcraft under any of its many definitions.

There is much evidence of the suffering of the accused Witches of 1692 throughout Salem including the monument the town has erected in their honor. Salem is also home to a huge tourist industry surrounding the idea of Witchcraft –of various definitions. Museums, plays, magical shops of every description cater to both real Witches and tourists who are fascinated with the idea of Witchcraft. Shops like "Hex" and "Bewitched in Salem" carry every variety of magical item, tool, and ingredient you could ask for including objects d'art of great beauty and sophistication.

And of course Salem is also the town of Laurie Cabot, Head of the Cabot Tradition and one of the great mothers of our movement, and of the famous Gypsy Ravish. And of course Salem is also the site of the annual Festival of the Dead, a month long extravaganza of the psychic, spiritual, and magical arts.

So we were all very excited that the "Pagans in Global Action" conference and the Correllian Lustration were to be held in Salem.

Many of the attendees came a long way to be here in Salem. Of course Ed Hubbard and I came from Illinois along with Rev. Virginia Powell, Rev. Reanna Marie, and Magick TV camera crew Tony Jenkins and Carrie. Rev. Green Owl came from Missouri. Rev. Jeanene Hammers came from Oregon. Rev. Stephanie Neal and her people came to us from Georgia, Rev. Diane Lavendoski and her people came to us from Pennsylvania, Rev. Pete Hertzberg and Rev. Aine Massie came from Wisconsin, Rev. Christina Dunn from Arkansas. Naudia Silverwind and her people came to us from Victoria, Canada, Rev. Freyatri came from Derby, UK –indeed there are too many people who made the trip to name them all, but it was wonderful to see each and every one!

The event was held in the beautiful Hawthorne Hotel, a Salem landmark.

We kicked off the event Friday evening with a reception in the Essex Room, where Salem business leader Christian Day spoke to us about the Salem community, and how Salem became a major tourist attraction focused on the idea of Witchcraft. Christian also spoke about the community's varying reactions to Salem's image as "Witch City". Most notably Christian spoke

about the ways in which media influences the image of the Witch, and how media can be interacted with to improve that image.

Christian Day is the owner of Hex Bookstore and host of Salem's annual Festival of the Dead. We were very pleased that he took time to appear at our event and share his insight. Christian also graciously accepted honorary High Priesthood in the Correllian Tradition, and received a lavender stole.

The reception was followed by the Temple Deeming ceremony. Three Temples appeared for Deeming at this Lustration: Northern Lakes of Wisconsin under Rev. Pete Hertzberg, The Animal Shrine of Sothistar of the UK under Rev. Mehitabel, and Clan of Mafdet of South Africa under Rev. Raene Packery.

After the Temple Deeming a Croning/Saging ceremony was held at which a number of Crones and Sages were honored, including Rev. Windy LaJoie, Rev. Virginia Powell, Rev. Green Owl, and others.

Saturday morning we met for breakfast, and then began our program of speakers. The presentations were divided into two tracks: advanced and beginning. In the Sophia Room the advanced track began at 9 AM with Rev. Green Owl speaking about the application of advanced educational techniques to distance learning. The beginning track in the Skylark Room began with Rev. Don Lewis and Rev. Virginia Powell discussing "Living the Wiccan Life" –the application of Wiccan ideas and principles in daily living.

Next in the advanced track Rev. Jeanene Hammers discussed her experiences as an American Legion Chaplain.

At 11 AM Rev. Peter Hertzberg offered a workshop on handfasting, including handouts discussing marriage law in all fifty states. At 11:30 we celebrated the actual handfasting of special guests Dan and Alison Beaulieu –congratulations again Dan and Alison!

At noon we returned to the Essex Room for a very special luncheon. One of the Hawthorne Hotel's more interesting historical features is that it was host to the cast of the famous television series "Bewitched" when the series was shooting a number of episodes in Salem. A special menu was created for Bewitched featuring "Witch-themed" dishes such as "Comet Cubes" (Baked Onions) and "Jack-O-Lantern Beams" (Candied Carrots). This was the first time that the "Bewitched Menu" has been served in the thirty years since it was created, making this a very special luncheon indeed.

In addition to our special guests Angie Buchanan and Christian Day we were further honored by the presence of Pagan leader and civil rights activist Jerrie Hildebrandt at our luncheon.

After lunch speakers continued: In the beginning track Rev. Don Lewis led a workshop on Basics of Ritual. In the advanced track Rev. Angie Buchanan, Executive Secretary of the Parliament of the World's Religions spoke on the mission and vision of the Parliament of the World's Religions, as well as her personal experiences in the Parliament. Lady Angie provided a rare glimpse into

the highest circles of the interfaith movement, and valuable insight on why the interfaith movement is important to Pagans as well as the special challenges Pagans face in pursuing interfaith work.

We were deeply honored by the presence of Rev. Angie Buchanan and express our gratitude for her years of work on behalf of all Pagans. Lady Angie also graciously accepted Honorary High Priesthood in the Correllian Tradition and received a lavender stole.

After Lady Angie, Rev. Stephanie Neal spoke about the Witch School Volunteer Guild and the good work that they are doing around the US and in several countries around the world. A striking series of display boards highlighted the work of numerous WSIVG chapters with photos and written descriptions of their projects. Clothing drives, book drives, highway clean-ups and many other good works were presented. Also highlighted was the new "Pagans Giving Freely" program which emphasizes volunteerism and good works at the most local level.

The final speaker of the day was Ed Hubbard, CEO of Witch School International, who spoke about the many exciting developments going on at Witch School. One of the most exciting developments underway is the continuing development of the new WitchSchoolInternational.ning beta site which is being developed as a single portal through which all of Witch School's exciting features can be easily accessed. The ning site will not replace the existing Witch School site, but rather augment it offering still more features to Witch School students. Check out WitchSchoolInternational.ning if you haven't already!

Saturday evening those members of the Witan Council who were present met in the Skylark Room. Then we proceeded to initiations, beginning with Third Degree and moving on to Second, First, and finally Outer Court Dedications. As usual, the initiation ceremony continued for several hours. We were very honored to have Rev. Angie Buchanan join us for part of this ceremony.

Sunday morning we met in the Essex Room for the Lustration itself. Rev. Freyatrú of Folkvang Shrine in the United Kingdom acted as Guardian. Rev. Reanna Marie HPS of Enchanted Realm Temple in Illinois acted as Sonifer. Rev. Aine Massie of Crystalline Star Temple in Wisconsin acted as Vocifer. Rev. Christina Dunn of Lady of Light Sister Circle in Arkansas cleansed the ritual space and Rev. Janie Nalles of Florida charged it. Rev. Stephanie Neal of Sacred Sea Temple in Georgia acted as Junovocator and Rev. Pete Hertzberg of Northern Lakes Temple acted as Genevocator. Rev. Michael Barry, Rev. Mandy Trentini, Rev. Amanda, and Rev. Michael Neal, all of Sacred Sea Temple Georgia, acted as Guardians of the Four Quarters. Rev. Diane Lavendoski, Rev. Liz Hamilton, and Tony Creager, all of Pennsylvania, acted as Rite Lector and Rite Priestess and Priest for the Joint Charge of Goddess and God / Great Rite. Rev. Virginia Powell of Selu Temple in Illinois stood in for the role of First Elder as she usually does at remote Lustrations, with Rev. Karen Silva acting as Elders' Herald. Rev. Green Owl of Trianna Temple in Missouri stood in for the role of First Priestess.

As in previous years Elizabeth Bull kindly volunteered her services as deaf interpreter.

It was a lovely ceremony and many thanks to all who took part!

The Oracle for this Lustration was:

"The road stretches out before us, and we walk upon the road: Together: Hand in hand: Those who live in the world of spirit and those who live in the world of flesh. Open your hearts to us that we may aid you. Open your minds to us that we may teach you: even as we open our hearts and minds to you. We are one family: we are on Tradition: we are one world. We call to you, our children, in the name of that world: in the name of we who have gone before, and you who walk the road today. It is a time when much needs to be done. The world requires healing. The world requires care. The world requires your hands and we call you to this. This is the time to do the work which we have called you to: which we have trained you for. There will not be a better time than now, for now is ALWAYS the time. And we say to you: as you go forth from this place go forth elated in the knowledge that you make a difference in your world. And if you do not do the work which is set before you: who else will do it better? Embrace the work. Embrace the words of spirit. Heal the world and yourselves. Where you find disunity bring the hand of compassion. Where you find sickness bring the hand of healing. Where you find silence bring reverent words. And where you find chaos bring peace. This then is our message to you."

After the Lustration ceremony and the closing of the conference, a number of toured the sites of Salem. I am sure we will long remember this lovely seaside town with its troubled past and vibrant future.

It was wonderful to see so many people come out for the conference –to see old friends once again, and to meet new people for the first time. Thank you for coming everyone! I would also like to thank Lady Isis Rose for the copy of her book "Witch in the Neighborhood" –a lovely book about interacting positively in your community, and wholly in line with the "Pagans in Global Action" theme!

I would again like to thank the Witch School Pagans in Global Action Conference for hosting our Lustration activities.

If you would like to see highlights from this years Lustration of the Ancestors including speakers Christian Day, Angie Buchanan, Stephanie Neal, the Handfasting Workshop and the Handfasting of Dan and Alison, as well as the highlights from the actual Lustration ceremony itself, videos of these are available from Witch School International at www.witchschoolstore.com/videos.html (scroll down for it)!

Blessings to all!

AHT Case Studies- Little Big Foot

The Animal Health Trust in Newmarket is recognised as a veterinary referral centre for cats, dogs and horses. Visitors were therefore somewhat surprised on a grey January day when a one-year-old Wallaby arrived for treatment!

Little Big Foot, as he has been christened by his carers at Tiggywinkles Wildlife Hospital, was found in the pouch of an adult female Wallaby which was brought in by their rescue team. Unfortunately, the mother had contracted chronic mandibular osteomyelitis (commonly known as lumpy jaw) and, despite intensive veterinary care, she did not survive.

Thanks to a dedicated nursing team, and a committed foster mother, Little Big Foot developed into a healthy young Wallaby. It was particularly sad, therefore, that his sight subsequently became severely impaired and, on examination, he was found to have cataracts in both eyes.

At this point, the Animal Health Trust was contacted as world leaders in veterinary ophthalmology. Following an initial consultation, Jane Sansom, the Trust's Head of ophthalmology, performed surgery to remove the cataracts from both eyes. This was done using a technique known as 'phacoemulsification' which involves breaking the cataracts into tiny pieces which are then sucked out.

Jane said "It's quite a common operation, we do it all the cats and dogs. Performing the operation on a Wallaby is unusual but not unique."

Following this procedure the patient returned to Tiggywinkles, near Aylesbury in Buckinghamshire, and is doing very well.

Astrology

Rev. Leona

This week we move out of the realm of beauty and into the realm of action. This week we look at Mars.

Mars is the planet that brings about the greatest changes in your life. For the longest time Mars power and influence has been misunderstood. Mars is the planet that has been connected to the action of War. This connection has caused it to become feared as a planet of chaos and destruction. Mars, however, is neither of these things. What Mars rules is change. When you work with Mars you will awaken your own desires and need for change. Mars is the planet of action, passion and motivation. For this reason when you work with Mars you will be working with your own energy levels and your inner ability to make changes in your life.

Since Mars does have an associated with war you will need to learn how to choose the battles in your life that will bring about positive changes. Change does not always come easy and for this reason you may have to fight for what you believe in. When you work through the challenges of Mars you will uncover your ability to plan. The planning of Mars is that of tactical maneuverability. When you are mapping out the terrain upon which you will be working it is important to be able to see every possible counteraction and compensate for them. Mars will show you the value of learning how to play strategy games such as chess and logic puzzles. There are many war games which you can play that will help you to develop your ability to think and plan on your feet. You may never engage in actual war but these games help to cement certain thought patterns that will allow you to think quickly in any given situation.

The purpose of challenge is to develop your ability to plan. Mars tells you that when you feel strongly about anything this passion is not always enough and having a firm plan will help you to be prepared for any actions that others bring against you. When you work with Mars you will be endowed with knowledge and tactical skills that will enable you to achieve your goals. When you look back over your life you will see the many different conflicts you have overcome and how each of these opened your life to the miracle of change. You may not see this but as you move through your daily life you encounter many personal wars. When dealing with Mars you will learn to let go of your fear of war. People have taken war and tainted it with blood and greed. What most people have overlooked are the positive aspects of war. War is not about the loss of life but about change. For this reason all wars, be they personal or political, will serve a purpose. Some of your battles will be waged externally as you make your way in the world, and others will be fought internally as you face and release your internal demons.

Mars will bring you into contact with your desire for recognition. Everyone has a need to be seen and appreciated by those around them. Many people dream of this and never know which path to take in order to achieve this recognition. Mars is the planet that will help you to set firm and achievable goals. The goals that are set when working with Mars will be strategically planned in such a way that when followed success is attainable. By following the path of Mars you will plot out your life journey in such a way that success and re-cognition of your peers will come faster and easier than you ever imagined.

When you have mapped out your tactics for external recognition, Mars will then bring your focus around to the internal wars that keep you from achieving your goals. This will be the time when you will come face-to-face with your doubts and shadows. Learning to overcome these doubts and worries is all part of building up your Martian will power. Mars knows that the only way to be successful in the world is to bring peace and mastery over your internal strife. When you are unbalanced due to lack of self-esteem or confidence then you will never be able to focus all your energy on your outside goals. Bringing balance and peace to your inner conflicts will free up a great deal of energy that you can then use to bring about other changes in your life.

Mars wants you to set goals that you can achieve. Mars asks you: What is the point of setting goals that you can never reach? All this does is place pressure on your internal foundation. This pressure after time will begin to create cracks in your beliefs. These cracks manifest themselves as doubts in yourself and in your abilities. These doubts are the source of your weaknesses and will cause you to waver and grow uncertain. Mars is about strength and your ability to assert yourself. Mars wants you to understand that it is all right to be assertive and dominant. There are times when these traits will serve you well. But Mars also warns that some people use these traits to dominate others. There is a danger when you use your strengths to coerce others into doing your bidding. People who use their dominance to subvert others are only using these qualities to hide their own fears. When you are strong you will know the difference between strength and cruelty. For this reason Mars will show you all the ways you have used your ambition to hurt others.

Mars gives you the strength and skills to grow and evolve. These qualities will allow you to become a strong and gentle leader. By following Mars' example you will be able to gain experience which will develop into self-confidence and endurance. The lessons taught to you by Mars are meant to develop your internal resources so that you learn how to rely upon our own strengths and skills. When you are able to trust in yourself you will be able to plan and manifest changes in your life without needing to rely upon others.

All of these challenges are designed to move you forward. You will need strong skills and will power when trying to determine the correct path. Mars will show you how easy it is to uncover the correct path. Mars teaches you the difference between right and wrong and shows you how these categories are often blurred and altered by others in order to achieve their goals. When you follow the clear and true path of Mars you will learn that you do not need to blur the lines. You will learn that being honest and noble are the strongest qualities that you will ever develop.

Mars is the planet that rules your survival instinct, baser drives and passions. Here is the planet of lust, sexual desires and selfish wants. One of Mars' governing forces is passion and sexual desires. Mars is indeed the planet of passion and physical desires. Here you are looking at sex for the pure physical pleasure and satisfaction that is derived from it. This can be very healthy but as anything with Mars can lead to addictions and loss of concern for the welfare of others.

When you use your Martian powers to satisfy these desires you begin to grow forceful and focus solely upon victory and satisfying yourself. You no longer care if achieving these goals is constructive or destructive. Here is where you begin to delve into the darkness of obsessions, addictions and delinquent behavior. When Mars comes into play you are asked: What drives you? Are you driven by your desires and aggressions or are you driven by your passions? How

far are you willing to go to satisfy these drives? Mars wants you to see how far you are willing to go for something you believe in.

Mars has the potential to be destructive but this need not be the case. You need to work on harnessing your stronger Mars qualities. Learn to control your temper, to avoid any outbursts of rage. Learn to deal with all issues so that problems do not pile up. By doing this you will be able to venture forward and get what you want out of life without regret. When you learn how to harness these energies and convert them into positive traits you will begin to see how much change can be accomplished and how many battles can be avoided.

There is no harm in using your assertiveness and force to achieve your goals as long as you use them fairly. The problem arises when you use these qualities out of impatience. When this power is misused you begin to walk in a liminal area where little protection is offered. You will find that when you perform differently or against societal expectations that you are open to slander and accidents. This will label you as unreliable and people will lose faith in you and your abilities.

Mars is a planet that has much to offer. With Mars you can conquer your weaknesses and turn the wheel of fate around in your favour. Mars has great power and determination to give you. While at the same time Mars must be treated with respect for Martian power can become as destructive as it is constructive. When you learn how to balance your Martian qualities you will grow passionate and you will learn the secret to firing the passion in those around you. Mars is the spirit of charisma and will share this spirit with you if you take the time.

Poets Retreat

Poetry supplied by member of the Order of Bards

The Goddess and Me

In the light of the brightest day
In the beams of the fullest moon
She is there with me

I hear her whispers in my ears
Her presences in my heart
And most of all I witness
All the blessings she imparts

In the darkness of despair
She embraces me and I feel her there
She awakens my spirit in the light of life
And reminds me of the inner light

She is ever present with me
I rely so deeply upon her guidance
In times of doubt
And she comforts me when I cry and shout

And I sing her praise from morn to night
And embrace her loving light
For she is the constant, that this heart does know
In the darkness where fear can grow

She beams a light so bright for me
A beacon over the sea of life's trials and errors
That I may find my way back again
To grow and strengthen the me I am

That would be the Goddess and Me
So blessed I am, to know she stands with me.

THE ORDER OF WORLD WALKERS

This Correllian order is headed by the Rev. Krystal High Correll and she is offering training for those who wish to join the order. The training consists of twelve lessons, one a month, for a year, offered through e-mail.

The purpose of this order is to fulfill the deeper purposes of the Correllian Tradition--advanced psychic and spiritual work, primarily conducted on multi-dimensional levels. This work includes:

Learning to connect and work with your spirit guides. Conscious dying and conscious incarnation. Advanced dream work. Exploring the known boundaries of the multi-dimensional universe, then conducting independent work to go beyond those boundaries. The study of time and advanced work within it. Soul rescue (helping those who are not aware they have died, or are not willing to cross over). Mediumship (being a voice for the so-called dead, visiting the land of the dead and communicating with them, and building a pathway between the living and the dead). Healing, both personal and of our Earth.

These purposes are divided among five houses that consist of the members who are dedicated to the work of the House.

The Order of World Walkers is a working order. The training is only the beginning. Each of the houses offer work that can be done for the rest of your life, if you choose to do it.

I believe that everyone who chooses to become a member of the order chose this before coming into this life time to continue work begun in other lives.

For more in-depth information, including the cost of the lessons, contact me at

krystalneuman@yahoo.com

May You Blessed Be

Krystal

THE ORDER OF WEB WEAVERS CRYSTAL WEB MAPPING PROJECT

The Order of the Web Weavers has been working diligently on mapping the Crystal Web. If any of you have a crystal that you have added or removed from the Crystal Web contact us to ensure are records up to date and accurate.

The information we need in order to best catalogue your crystal/s is the following. Your Craft Name and E-mail Address along with your City, State, Country, Latitude, and Longitude. Sent to the following e-mail address: wwwcw@correllianorders.info

Please include the above information, if you have removed your crystal from the Crystal Web along with 'Remove' in the subject line. If you have added several crystals then we would need a separate entry for each crystal, unless they are located together. If they are located together then please include how many crystals are at that location.

We are excited about this project and hope that you will be too. Once the crystals have been properly catalogued we can then begin placing them on the map program. This will give us a good visualization on the Crystal Web. Thank you in advance for your participation in this wonderful project.

Bright Blessings,
The Order of Web Weavers
