TAROT

Rev. Leona

The Tarot card for today is Two of Swords

Key terms for this card are Path Chosen, Determination, Difficulties

Message of Two of Swords

The Two of Swords brings you to a very pivotal crossroads. here you must choose the destiny that you will want to embrace. This will not be an easy choice and there may be some serious ramifications with the path you will be walking. Swords are the suit of knowledge but they are also the suit of conflict. You may encounter many tests and trials as you walk this new path. This will be a time for you to seek out the counsel of trusted friends. You will need to take time to meditate upon your desires and know which ones you can achieve and which you cannot achieve at this point in time. The Two of Swords tells you that you must be willing to face the future and know that you have the ability to see things through to their completion.

The Two is a time of choice and a time of balance. Now you must look at all that you have accomplished and all that is left to fulfill. You will see that there is much that you can do. Now you will be faced with a major decision. You may find that your path will be altered for quite a while. You may find that you will have to leave your path all together. This is a time of emotional stress and you will need to use your mind instead of your heart to make this decision. Know that what ever the decision you make that there will be pain. This is because you need to cut away all of the securities that you are using and you need to stand alone and naked on a new path. Sometimes the securities we cling to are no longer useful and they have now become a hindrance to use for this reason we must learn to let go. Now you are being drawn out of the familiar routines and you will indeed have to face the new path with uncertainty.

The Two is a time where you will have to part with someone or something that is meaningful to you. Now is the time to stop and listen to the advice of those who you trust. This is a time when you will be separated from those you care for. This will not be a forever parting and once you have gained the strength and the knowledge you will be able to move forward and return to those who have been left behind. This is a time where you must work for peace. This is a time when you need to set down your weapons and your defenses. You will need to be able to walk free and unburdened so that you will have plenty of space to pick up special items along the path. Following the Path of the Two of Swords will grant you the ability to find harmony. This path that you will begin to walk will begin in chaos and will seem quite bleak and dark but you must have faith that even the journeys begun in darkness will one day find the light. Following the Two will give you great knowledge and will strengthen your own inner resolve. Know that the path you will choose is the one that will be the best for you at this time.

Meditation for Two of Swords

Meditations for this month will require one candle and a journal.

Find a place where you will be able to sit comfortably without being disturbed.

Take in a deep breath. Fill your lungs with air and allow the stress and anxiety of the day to flow out when you exhale. With each breath you take allow yourself to relax and feel lighter.

When you are ready light the candle and close your eyes.

Focus on the following questions.

What are the decisions that you need to make in your life right now?

How do you feel about these decisions?

What can you do to become more informed about these decisions?

Write your answers in your journal and focus on the following questions.

Who can help to guide you at this time?

What will you need to let go of?

What are you doing to help in this situation?

What are you doing to hinder the progress at this time?

What are you afraid of?

Write your answers in your journal.

When you are ready open your eyes and extinguish the candle.

Now is the time to face your new path.

Animal Totems

Rev. Mehitabel

Part 13 Land Animal Totems

Sources: <http://www.whats-your-sign.com/animal-totems.html>

Each totem carries messages and information for us. This is known as their medicine.

GORILLA

The gorilla is a gentle and peaceable creature. Living in close and loving family groups it teaches us about loyalty to family, about compassion and caring, about responsibility and respect and about leadership.

If the gorilla comes to you as a totem, welcome it as a great teacher. Through gorilla we learn the value of family, the strength and nobility that comes from respecting and helping others whether within our own blood family or in the larger family of man. It shows us that we all have a role in the family, that we should take note of other's wishes and should respect all members both young and old.

Perhaps most importantly in today's society, gorilla shows us that there is no need for violence, that we can achieve success through peaceable means and through an understanding of others. The tarot card of Temperance is a perfect match for gorilla.

The gorilla holds great intelligence which it does not flaunt but which it uses for the good of the group. In this it shows us that all gifts, such as intelligence and creativity, are granted to us to use wisely and not selfishly.

Meet gorilla in meditation and find a true friend and guide.

Your Magical Name

By Patti Wigington, About.com

Why a Magical Name?:

Ah, the magical name. So many people find Wicca and decide right off the bat that they're going to name themselves Lady Such-and-Such or Lord Whatsis. Go to a Pagan event and you'll meet more fifteen-year-old Lady Morganas than you can shake a stick at. And it's virtually guaranteed that within about three months, Lady Morgana will decide her magical name, sometimes called a craft name, is really supposed to be Starfluffle or Moongypsy, and she'll change it.

In fact, she'll probably change it two to three times a year.

The Name-of-the-Month Club:

This odd phenomenon, known as the Name-of-the-Month Syndrome, happens most often because the person in question hasn't taken the time to research and learn, which is crucial to finding the right magical name.

A magical name is unique to the practitioner, and there are several ways to find yours. When you find the right name, you'll keep it for a long time. In some traditions, it's customary to wait until you've studied a year and a day before claiming your magical name. Some Pagans have two magical names -- one which they use in public and one which is known only to the gods and members of the person's coven.

Think Long-Range:

One method by which people sometimes find their magical name is to simply choose something they like. A problem with this method is that what we like on one day, we may find silly a year down the road. If you're going to choose a name based on whether it sounds cool or not, stop and think about it. What is it about the name that appeals to you? Ten years from now, are still going to feel comfortable saying, "Hi, I'm Fairypuddle," when you meet a new person?

Names with Meaning:

Choose a name not only for its sound, but its attributes as well. For example, someone wishing to convey strength in their name might include "oak" or "iron" as part of their moniker. A person who is highly creative might select a name that reflects their art or craft. You may want to choose a name based rooted in folklore or mythology. Many people include the name of an animal that resonates with them. A cautionary note here: in the Pagan community, certain animals pop up all the time. You'll meet two dozen Ravens and just as many Cats, but it's unlikely you'll encounter anyone calling himself Wombat or Penguin.

Names to Avoid:

Another bit of advice -- generally, the titles Lord and Lady are reserved for people who are elders or have a significant amount of leadership experience under their belt. To name oneself Lady So-

and-So without any credentials is considered presumptuous by many Pagans. Likewise, in many traditions it's seen as hubris to give oneself the name of a deity. You may want to choose a name that indicates your dedication to a god or goddess, but don't co-opt their names. It's just rude. If you're a dedicant to Apollo, don't call yourself Master Apollo, call yourself something like Apollonius instead.

Using Your Birth Number:

Another popular method of finding a magical name is to choose one that corresponds with your birth number. To find your birth number, begin by adding the digits of your birth date.

If your birthday was September 1, 1966, you would start with the numbers $911966 = 9 + 1 + 1 + 1 + 9 + 6 + 6 = 32$.

Now take those two numbers (3 and 2), and bring it down to a single digit: $3 + 2 = 5$. That number -- in this case, 5 -- is your birth number.

Use the grid below to find a name that corresponds to the number 5, by calculating the sum of the corresponding letters.

1 = A, J, S
2 = B, K, T
3 = C, L, U
4 = D, M, V
5 = E, N, W
6 = F, O, X
7 = G, P, Y
8 = H, Q, Z
9 = I, R

Let's say you've decide you like the name Willow. Using the letters in "Willow" you would take the numbers $5 + 9 + 3 + 3 + 6 + 5 = 32$. From there, $3 + 2 = 5$. If the name you like doesn't match your birth numbers, try some creative or alternate spellings to see what happens.

A Gift from the Gods:

In some cases, you may be fortunate enough to have your new name bestowed upon you by a god or goddess. In these instances, you may encounter someone in a dream or a vision who tells you, "Your name is Such-and-such." While you may choose to add to it or come up with a variation on it later, if this happens to you, accept the name as the gift that it is.

Whatever method you end up using, think carefully before you finalize your new name. While it's okay to change your name later on as you evolve spiritually, changing your name every few weeks or every time you see a new episode of "Charmed" is probably not the best course of action. Find the name that is right for you -- and when it IS the right one, you will know.

Poets Retreat

The Angel

I dreamt a dream! What can it mean?
And that I was a maiden Queen
Guarded by an Angel mild:
Witless woe was ne'er beguiled!

And I wept both night and day,
And he wiped my tears away;
And I wept both day and night,
And hid from him my heart's delight.

So he took his wings, and fled;
Then the morn blushed rosy red.
I dried my tears, and armed my fears
With ten-thousand shields and spears.

Soon my Angel came again;
I was armed, he came in vain;
For the time of youth was fled,
And grey hairs were on my head.

Prison Ministry Formal Shrine

The Prison Ministry Formal Shrine is to function as a bridge to breach the gap between inmates that are still called by Deity and who want to learn and/or correspond with members of the Correllian Tradition. This is a dedicated group that will not judge others' past, but help them pave a way into their future growth.

If you are interested in or already assisting with any type of Prison Ministry, please consider joining. You are required to be a registered member of the Correllian Nativist Tradition and at least 21 years of age. I am looking for people to assist with correspondence, and possible mentoring of inmates. If interested, please sign up at the following group:

THE ORDER OF WORLD WALKERS

This Correllian order is headed by the Rev. Krystal High Correll and she is offering training for those who wish to join the order. The training consists of twelve lessons, one a month, for a year, offered through e-mail.

The purpose of this order is to fulfill the deeper purposes of the Correllian Tradition--advanced psychic and spiritual work, primarily conducted on multi-dimensional levels. This work includes:

Learning to connect and work with your spirit guides. Conscious dying and conscious incarnation. Advanced dream work. Exploring the known boundaries of the multi-dimensional universe, then conducting independent work to go beyond those boundaries. The study of time and advanced work within it. Soul rescue (helping those who are not aware they have died, or are not willing to cross over). Mediumship (being a voice for the so-called dead, visiting the land of the dead and communicating with them, and building a pathway between the living and the dead). Healing, both personal and of our Earth.

These purposes are divided among five houses that consist of the members who are dedicated to the work of the House.

The Order of World Walkers is a working order. The training is only the beginning. Each of the houses offer work that can be done for the rest of your life, if you choose to do it.

I believe that everyone who chooses to become a member of the order chose this before coming into this life time to continue work begun in other lives.

For more in-depth information, including the cost of the lessons, contact me at

May You Blessed Be

THE ORDER OF WEB WEAVERS CRYSTAL WEB MAPPING PROJECT

The Order of the Web Weavers has been working diligently on mapping the Crystal Web. If any of you have a crystal that you have added or removed from the Crystal Web contact us to ensure are records up to date and accurate.

The information we need in order to best catalogue your crystal/s is the following. Your Craft Name and E-mail Address along with your City, State, Country, Latitude, and Longitude. Sent to the following e-mail address: wwwcw@correllianorders.info

Please include the above information, if you have removed your crystal from the Crystal Web along with 'Remove' in the subject line. If you have added several crystals then we would need a separate entry for each crystal, unless they are located together. If they are located together then please include how many crystals are at that location.

We are excited about this project and hope that you will be too. Once the crystals have been properly catalogued we can then begin placing them on the map program. This will give us a good visualization on the Crystal Web. Thank you in advance for your participation in this wonderful project.

Bright Blessings,
The Order of Web Weavers
