Quote & Thought of the Day

Quote of the Day:

*No matter how much I protest,
I am totally responsible for everything
that happens to me in my life.*

Author Unknown

Source: <http://www.sapphyr.net/>

Thought of the day:

Triumph

Do more than just getting by. Make the choice to triumph, over adversity, over the circumstances, over your perceived limitations.

Choose to triumph and you are already on the way. You are no longer making excuses, and no longer using the troubles as reasons for avoiding action.

Live the life you know, deep inside, that you were born to live. Feel your purpose as it illuminates the rich possibilities in this very moment.

You have so very much to give. As you sincerely give of yourself, you make your world, and all of life, more beautiful and more valuable.

Step beyond the fear that you might lose something. Go forward with the confidence of knowing that there is value to be gained from every experience.

What value do you wish to gain, what new expression of your unique purpose do you wish to create right now? Go ahead and run with it, for this is your moment to triumph.

Ostara Crafts

Ostara Altar

It's Ostara, and it's a time of year in which many Wiccans and Pagans choose to celebrate the balance of light and dark that heralds the beginning of spring. It's a time to celebrate new life and rebirth -- not only the physical embodiment of renewal, but the spiritual as well. Try some -- or all -- of these ideas to ready your altar for Ostara.

Colors

To get an idea of what colors are appropriate for spring, all you really have to do is look outside. Notice the yellows of the forsythia blooming behind your house, the pale purples of lilacs, the green of new leaves appearing in the melting snow. Pastels are often considered spring colors as well, so feel free to add some pinks and blues into the mix if the idea strikes you. Decorate your altar in any of these colors -- try a pale green altar cloth with some purples and blues draped across it, and add some yellow or pink candles to carry the color up.

The Balance of the Equinox

Altar decor should reflect the theme of the Sabbat. Ostara is a time of balance between light and dark, so symbols of this polarity can be used. Use a god and goddess statue, a white candle and a black one, a sun and moon, even a yin/yang symbol.

New Life

Ostara is also a time of new growth and life -- add potted plants such as new crocuses, daffodils, lilies, and other magical spring flowers. This is the time of year when animals are bringing forth new life too -- put a basket of eggs on your altar, or figures of new lambs, rabbits, calves, etc. Add a chalice of milk or honey -- milk represents the lactating animals who have just given birth, and honey is long known as a symbol of abundance.

Other Symbols of the Season

Seeds and bulbs

Caterpillars, ladybugs, bumblebees

Symbols of nature deities -- Herne, Flora, Gaia, Attis, etc.

Gemstones and crystals such as aquamarine, rose quartz, and moonstone

Ritual fires in a cauldron or brazier

Ostara Tree

Ostara is a marker of the coming of spring. New life is all around us, showing in the green shoots on the trees, sprigs of grass appearing from the mud, and even -- if we're lucky -- a few flowers poking up. It's a time of chicks and eggs, newborn lambs and calves, and the days are getting a bit longer and a bit warmer. We can smell the freshness of the earth when we're outside. A fun project to do at Ostara is to make and decorate a tree for the Sabbat. It doesn't have to be huge or fancy, but it's nice to have one sitting indoors to remind you of the changing seasons.

You'll need:

Several lightweight branches

Some florist's foam

A flowerpot
Acrylic paints
Spanish moss

Small spring decorations

First, paint the pot with spring designs -- flowers, butterflies, ladybugs, eggs, etc. If you have kids, this is a lot of fun. If you don't mind them getting a bit messy, let them use thumbprints to make designs. Allow the paint to dry.

Cut a chunk of florist's foam to fit into the pot and then insert the branches into the foam so that it forms a tree shape. Hang the decorations -- eggs, ribbons, flowers, etc. -- on the branches. Use salt dough and cookie cutters to make ornaments to hang, if you like.

Use the Spanish moss to cover the florist's foam in the top of the pot. Place your tree on your altar during ritual, or use it as a tabletop decoration.

Note: Try to use branches that have already fallen on the ground, rather than taking them from a live tree. If you must cut from a living tree or bush, make sure you do so in a way that will allow for new growth on the plant. If you have forsythia bushes, they may be blooming right now - their branches are perfect for this project!

Make Magical Crystal Ostara Eggs

This is a neat craft project you can make before Ostara. Hide these eggs for your kids to find, and then when they crack them open, they can find the treasure hidden inside!

1 C. all-purpose flour

½ C. salt

¼ C. clean sand

1 C. used coffee grounds

¾ C. warm water

Crystals or gemstones

Non-stick cooking spray

Acrylic paints in your favorite colors

Blend flour, salt, sand and coffee grounds together. Gradually add the water, and knead until you've got a thick, gritty dough. Spray a crystal lightly with non-stick cooking spray, and place it in the center of a small scoop of dough. Shape the dough around the crystal to form an egg shape. Bake the eggs at 350 for about 15 minutes, and allow to cool. Once they've cooled, they should be nice and hard, like a rock. Paint the eggs, and allow paint to dry.

Hide the eggs on Ostara, and let your kids crack them open to reveal the hidden crystals!

Da Vinci 'predicted world would end in 4006' Says Vatican researcher

Richard Owen ("The Times," March 15, 2010)

Rome, Italy - A date for your diary: Leonardo da Vinci predicted that the world would end on November 1, 4006, according to a Vatican researcher.

Sabrina Sforza Galitzia said the clues were to be found in da Vinci's Last Supper mural. The central half-moon window, or lunette, above his painting of Christ with his disciples before the Crucifixion contains a "mathematical and astrological" puzzle which she has deciphered, she said.

She claimed to have worked out that da Vinci foresaw the end of the world in a "universal flood" which would begin on March 21, 4006 and end on November 1 the same year. Documents showed that he believed that this would mark "a new start for humanity", Ms Sforza Galitzia said.

"There is a da Vinci code — it is just not the one made popular by Dan Brown," she said.

Ms Sforza Galitzia, who formerly studied da Vinci manuscripts as a researcher at the University of California in Los Angeles, now works in the Vatican archives.

Last year, the Vatican published her study *The Last Supper of Leonardo in the Vatican*, in which she examined a tapestry of the Last Supper made for King Louis XIII of France, based on da Vinci's design for his famous mural in Milan.

She said she was working on a sequel which would explain da Vinci's hidden "code", involving signs of the zodiac and his use of the 24 letters of the Latin alphabet to represent the 24 hours of the day.

Da Vinci had seen the story of humanity as leading to "the sum of all things, the final reckoning" described in the Book of Revelations but also by ancient writers such as Plato and Aristotle, she told *La Repubblica*, an Italian newspaper.

He had been a scientist and man of faith who had lived in "difficult times" and had hidden his messages "so as not to be attacked," she said.

The Last Supper, which measures 460cm by 880cm (15ft by 29ft), covers an entire wall at the Convent of Santa Maria delle Grazie in Milan. Da Vinci began working on it in 1495, and finished it in 1498. It was restored between 1978 and 1999 after it had badly deteriorated.

In his 2003 novel *The Da Vinci Code*, filmed in 2006 and starring Tom Hanks as a Harvard "symbolologist" called Robert Langdon, Dan Brown suggests that the figure at the right hand of Jesus in *The Last Supper* is not the Apostle John but Mary Magdalene, and that she was pregnant with Jesus' child when he was crucified, and thus carried his bloodline.

The novel and film were both attacked by the Church as historically inaccurate as well as blasphemous.

Poets Retreat

That Sky tonight By Willow

That sky tonight
each star twinkles right
same constellations
turn on the wheel
as if they know just how i feel
big dipper, little dippers small
do they really know
just how i feel at all
of who i imagine
is looking too
do they know
just how much
that I love you
twinkle tinkle sprinkle bright
do they know
that I'm uptight
do they know how I long for you
twinkle tinkle what can you do
do they know how far away you are from me
like these stars and do they know me
do you look at what I see
those shiny stars so far from me
I've looked into the sky at night
as a child right till tonight
I used to think that every soul
took its place amongst those stars
forever to shine oh shiny souls
send me blessings from so far
that I could reach up
and pour myself
a cup of milky way
that I would drink and drink
until the day
I am a child of starry skies
can you see them in my eyes?
shiny stars and starry tears
do you really know
about my fears
i think you do
I think you must
in perfect love
and perfect trust
I love the universe
and it loves me
but does it think

that it knows me
what i feel and what I say
goodbye night and
hello day
that glaring jazz , the rising God
I cant wait
until night comes again
to share my smile, to share my pain

Silent Auction

Greetings All,

As you may recall, we implemented the Silent Auction at last September's Lustration that turned out to be very successful for raising funds to support the Correllian Nativist Tradition. Last September's Auction raised over \$700.00, all from items handmade and otherwise donated by our fellow Correllians.

Well it is time again to prepare for this April, so I am asking for donated items in support of this fundraising project. Please consider supporting this project with your handmade items - art, pottery, woodwork, fabric, jewelry, a whole wide spectrum of media that so many of our members create. Or, not so artistic! consider other special items that were once on your altar or in your home that you no longer need. This is a wonderful way to transfer energy amongst our members.

As we did previously, all donated items will be featured on the Correllian.com webpage with a brief description, along with the person, and / or Temple / Shrine / or Group who donated the item.

This is a wonderful way to share your talents and support of CNT. If you enjoy what you do and want to let others see - this is a great venue to do so.

The Silent Auction will be conducted starting April 1st.thru April 21st., therefore any items will need to be received by March 20th. All items will then be put on display at Lustration being held at Watertown WI, starting April 23rd.

If you wish to participate in this project, please contact me at cntfundraisingoffice@earthlink.net

Thank You in advance for your generosity to help raise money for CNT.

Blessings, Mike
CNT Fundraising Office

Correllian Awards

Merry Meet Everyone,

It is time to open the nominations for the Correllian Service Awards. We are pleased to announce that we are now accepting nominations for the Year 10 April Lustration. These awards were instituted to recognize the excellent work of the members of our Tradition.

The nominations will close out at Midnight on 31 March, Year 10. This allows the committee and the First Priesthood sufficient time to prepare for the awards during the Lustration ritual in April.

There are five awards in this program:

Order of the Copper Athame -- representing Air, the realm of ideas, recognizes achievement in the Sciences, including divination, astrology, herbology, enviro-technology, etc.

Order of the Golden Wand -- representing Fire, the realm of passion and action, recognizes acts of bravery or compassion in the service of others.

Order of the Silver Chalice -- representing Water, the realm of emotion and intuition, recognizes achievement in the Arts, including visual arts, dance, music, etc.

Order of the Iron Pentacle -- representing Earth, the realm of stability, integration, and wisdom, recognizes achievement in teaching, writing, etc.

Order of the Thurible -- representing Spirit, the smoke carrying our prayers to the Gods, recognizes achievement in ritual leadership and writing. This award can also be used to recognize those whose spirituality had inspired others to greater commitment and devotion.

The awards are open to every member of the Correllian Tradition, except for the Arch Priesthood.

The procedure for nominating is simple. Send an email to us at silthoron9@ yahoo.com with the word "Nomination" in the subject. We will take it from there. Letters of nomination should be as complete as possible. If you have examples of the person's work, please include any supporting media you have.

Each cycle, the level of the nominations improves. We look forward to another excellent round of nominees for this April.

May the Blessings of the Ancestors and the Holy Ones be with you,

Rev. Terry Power, HP

Correllian Clergy Degree Program

A new membership has been created called the Correllian Clergy Degree Program. This is a 3-year program that can help you earn your Wiccan Degrees and Legal Clergy Status. Of course every lifetime and supporting member has access to this main program.

The purpose of this level is for those individuals who are interested in gaining their clergy status, and this offers an opportunity for members to do so affordably.

This program is only \$49.99. To find out more:

Witchschool Referral Program

Witch School, our long-time educational partner, has made an offer to the Tradition and its member Temples and groups.

Witch School has created a new Referral Program. The Tradition itself has enrolled in this program – as you can see from the button in the left-hand menu on correllian.com. You are encouraged to consider enrolling your Temple or group as well, as a means of generating potential passive income.

The program works like this: members receive their own button which they can put on their website, in their email signature, etc... offering Witch School memberships. If anyone purchases a membership through your button, you will receive (approximately) 25% of the payment –that is \$4 of a \$19.99 yearly membership, or \$25 of a \$99.99 Lifetime Membership.

Each button has its own unique code which tracks payments made through it. If someone buys a membership through your button, then you get the abovementioned 25%.

If you are interested in finding out more about this program, or in signing up for it, go to www.witchschool.biz.

Witch School are offering a discount on supplies to Correllian Temples and groups in good standing: for example the Witch School books at 40% off cover price, and other discounts on the various items the school produces. If you would like to learn more about this, contact Lady Virginia at Virginia@witchschool.com and she will be happy to explain further.

These offers are being extended to all of our Correllian Temples, Proto-Temples, Witan Shrines, Formal Shrines, Personal Shrines, Orders, and Study Groups who might wish to sign up.

THE ORDER OF WEB WEAVERS CRYSTAL WEB MAPPING PROJECT

The Order of the Web Weavers has been working diligently on mapping the Crystal Web. If any of you have a crystal that you have added or removed from the Crystal Web contact us to ensure are records up to date and accurate.

The information we need in order to best catalogue your crystal/s is the following. Your Craft Name and E-mail Address along with your City, State, Country, Latitude, and Longitude. Sent to the following e-mail address: wwcw@correllianorders.info

Please include the above information, if you have removed your crystal from the Crystal Web along with 'Remove' in the subject line. If you have added several crystals then we would need a separate entry for each crystal, unless they are located together. If they are located together then please include how many crystals are at that location.

We are excited about this project and hope that you will be too. Once the crystals have been properly catalogued we can then begin placing them on the map program. This will give us a good visualization on the Crystal Web. Thank you in advance for your participation in this wonderful project.

Bright Blessings,
The Order of Web Weavers

THE ORDER OF WORLD WALKERS

This Correllian order is headed by the Rev. Krystel High Correll and she is offering training for those who wish to join the order. The training consists of twelve lessons, one a month, for a year, offered through e-mail.

The purpose of this order is to fulfill the deeper purposes of the Correllian Tradition--advanced psychic and spiritual work, primarily conducted on multi-dimensional levels. This work includes:

Learning to connect and work with your spirit guides. Conscious dying and conscious incarnation. Advanced dream work. Exploring the known boundaries of the multi-dimensional universe, then conducting independent work to go beyond those boundaries. The study of time and advanced work within it. Soul rescue (helping those who are not aware they have died, or are not willing to cross over). Mediumship (being a voice for the so-called dead, visiting the land of the dead and communicating with them, and building a pathway between the living and the dead). Healing, both personal and of our Earth.

These purposes are divided among five houses that consist of the members who are dedicated to the work of the House.

The Order of World Walkers is a working order. The training is only the beginning. Each of the houses offer work that can be done for the rest of your life, if you choose to do it.

I believe that everyone who chooses to become a member of the order chose this before coming into this life time to continue work begun in other lives.

For more in-depth information, including the cost of the lessons, contact me at krystelneuman@yahoo.com

May You Blessed Be
Krystel
