Runes

By Gothi Freyatrú

Waes Hael!

This week for a change I am actually going to talk about runes! One of the things that a lot of my students ask me is: where can they get a decent set of runes to use during the course. My answer normally is to use whatever they have, as they will be taught how to make their own set of runes during the course. Which is fine for those who are receiving guidance on making their own set but not so good for everyone else.

So what do you need to look for in a set of runes? Firstly I think is whether it has 24 or 25 runes in it. Many modern rune sets include the blank rune Wyrð. I think I have made my own personal views on this practice quite clear in the past and I won't go into it at length. Obviously if you are still at the stage of needing to look things up in a book then it's no good having a set of 25 runes and a book which only tells you about 24. My personal recommendation would be to keep the book and throw the extra rune away. If you find a set with 28 or 33 runes in it then you have found something quite rare as not many people make these commercially.

The second most important thing is the shape of the rune stones or staves. If you have a book which gives reversed meanings there is no point having round runes or runes painted onto pretty bits of tiger's eye or blue lace agate. Although there is no historical evidence to support reversed meanings being used at any time before the 20th century it now seems to have become the norm and the vast majority of books give an upright and a reversed meaning. It is perhaps ironic then that the vast majority of rune sets commercially available are unsuitable for being read in this way.

Don't be tempted to buy a rune set simply because the semiprecious gems they are painted onto look pretty unless you are buying them for display purposes only. Functionality will be compromised and if you are carrying them around with you then very often the paint will chip off after only a short time. You will then be left with 24 or 25 lumps of tumbled rock with little or no use as a divination tool.

By far the best way to obtain a set of runes is to make them yourself, however not everyone has the time or skills to do this. There are people who will make runes to order for you (myself included) and you can expect to pay more for these sets due to the time involved in crafting them, especially if the person is going to go out and harvest the wood specifically for your set. You should not expect them to look as pretty or shiny as the tumbled stone sets but you should also be able to feel the difference in the energy when you first hold them. Functionally they will be much more in tune and you can specify the shape so that if you want proper staff shapes to use reversed meanings then you can have them. You may also get more of a choice of the wood used to make them.

Till next week Waes Hael!

Merry Meet fellow Wiccans to my Wiccan World.

My week has been a terrible one, as I had to format and re-install my Laptop. I lost a lot of info, mostly mails, but I didn't lose any important thing that I need regarding articles and so on. I am very happy about that I have been smart enough to actually split my hard drive in two partitions. It was even so, a lot of information that was lost for me. I know that one always lost some information, but it still a pain to have to go through the process. Hopefully it will stay in this way, so I don't have to re-install soon again.

I have had loads of negative things happening to me during the week, and I have asked for strength and help from Goddess to help me cope with it all. It has rained and rained, and even more rain. Due to this is my body acting up, so I have had massive pain in my muscles. As I have had this, I have been on an angry mood. Luckily, I can tell my family how I am feeling, and they are very understanding about it all. It doesn't make me feel any better, but it helps to keep some distance to it. I can be for myself, and just go inside myself to work it out. When I'm ready to talk about it all, they are waiting there and just listen. This goes for all us in our family, as we are totally understanding towards one another. You can't be a sunshine everyday you are waking up; you do have the cloudy and rainy days too. I am not the one that wakes up on a bad mood, that often.

We still have my step-daughter here and she is truly enjoying the time with us. Soon the school begins again, so there will not be the same time to be here for her then. She is on her 3rd week visiting me and her father, her mother just laughs when she phones home to tell her that she shall stay some more days at her father.

I'm happy that it wasn't any more faults on the Laptop than that I had to just format and re-install it again. I would be totally handicapped if my whole hard drive would collapse. I have tried, and shall be better with it, to burn some CDs with my must save info. I have 3 DVDs with info that I can't lose, but I do find and get new things almost everyday. I am a simple keeper, and have hard time to through anything away. Even though it's almost totally broken, I can't hardly through it away any how. It has emotional value, so I don't want to lose it.

Take care until Monday. Blessed be all of you.

Love and Light
Hugz and Blessings

THE ORDER OF WORLD WALKERS

This Correllian order is headed by the Rev. Krystel High Correll and she is offering training for those who wish to join the order. The training consists of twelve lessons, one a month, for a year, offered through e-mail.

The purpose of this order is to fulfill the deeper purposes of the Correllian Tradition--advanced psychic and spiritual work, primarily conducted on multi-dimensional levels. This work includes:

Learning to connect and work with your spirit guides. Conscious dying and conscious incarnation. Advanced dream work. Exploring the known boundaries of the multi-dimensional universe, then conducting independent work to go beyond those boundaries. The study of time and advanced work within it. Soul rescue (helping those who are not aware they have died, or are not willing to cross over). Mediumship (being a voice for the so-called dead, visiting the land of the dead and communicating with them, and building a pathway between the living and the dead). Healing, both personal and of our Earth.

These purposes are divided among five houses that consist of the members who are dedicated to the work of the House.

The Order of World Walkers is a working order. The training is only the beginning. Each of the houses offer work that can be done for the rest of your life, if you choose to do it.

I believe that everyone who chooses to become a member of the order chose this before coming into this life time to continue work begun in other lives.

For more in-depth information, including the cost of the lessons, contact me at krystelneuman@yahoo.com

May You Blessed Be

Flash Fiction Challenge

Greetings Dearest Readers!

Have you ever dreamed of being a writer? The Correllian Times wants to help make that dream come true with our flash fiction contest!

The flash fiction story must contain exactly 250 words, excluding the title. Not 249 - not 251. 250 words. There should be a beginning, middle, and an end. It should not just be 250 words of whatever comes to your mind. The goal here is to have some kind of twist at the end.

Our challenge to you is this:

Write your own flash fiction before January 01, 2009. The prize for the top Flash Fiction submission will be a feature writer of the month. A picture of you, bio and your short story, also a gift certificate to the Witch School Store.

Please, only 1 entry per person.

Contest begins February 1, 2008 and ends January 01, 2009. Entries become the property of The Correllian Times. We assume no responsibility for illegible, lost, late, misdirected, incomplete, or stolen entries.

ENTRY: Submit an original, flash fiction story of exactly 250 words. Include your name and e-mail address and email to: windy at windy0716@aol.com or CNT_Correllian_Times-owner@yahoogroups.com Please include the words "FLASH FICTION CHALLENGE" in the subject detail. Entries must be original, unpublished and may not have won any prize or award.

LIMIT: Only one entry from an individual will be accepted - no group entries.

ELIGIBILITY: Everyone is eligible to enter! We do however reserve the right to withhold inappropriate materials from publication at our discretion.

Voting on flash fiction:

Each submission will be featured in The Correllian Times. A voting poll will be opened in January 2009 (details to follow). If you appreciate the storytelling in a flash fiction piece, please grant the writer the honor of your vote.

The great part for voters is that each entry shouldn't take much more than a minute. You can read dozens of them in a short period of time. Please support the writers in this challenge by reading as many as you can!

Now... get flashing!

The Order of Web Weavers Crystal Web Mapping Project

The Order of the Web Weavers has been working diligently on mapping the Crystal Web. If any of you have a crystal that you have added or removed from the Crystal Web contact us to ensure are records up to date and accurate.

The information we need in order to best catalogue your crystal/s is the following. Your Craft Name and E-mail Address along with your City, State, Country, Latitude, and Longitude. Sent to the following e-mail address: wwcw@correllianorders.info

Please include the above information, if you have removed your crystal from the Crystal Web along with 'Remove' in the subject line. If you have added several crystals then we would need a separate entry for each crystal, unless they are located together. If they are located together then please include how many crystals are at that location.

We are excited about this project and hope that you will be too. Once the crystals have been properly catalogued we can then begin placing them on the map program. This will give us a good visualization on the Crystal Web. Thank you in advance for your participation in this wonderful project.

Bright Blessings,
The Order of Web Weavers
