Interview with a Correllian

This week we are talking with Rev. Peter Hertzberg, who is from USA. He has been kind enough to take some time from his schedule and let us interview him. This is both a personal interview and also some information about the Correllian Temple in Watertown, USA.

Peter Hertzberg lives in Watertown, Wisconsin, USA. Out of the 5 members of his family, there are no other Wiccans. He is an Inner Court member, Second degree, finishing his Third Degree in April 2009. He has been with the Tradition since 2000. Peter is the head of Northern Lakes Proto Temple and belongs to the Madison WI Inter-Faith Group.

Peter has some spirit guides who are very special to him, but he does not want to speak about them to others. If they are private, then they are private. One must listen to his plea that he doesn't want to share them with us.

Wicca to him is a general term. He prefers to call himself a Correllian Nativist in all spiritual things and blends the belief of Celtic magick and Native American Shamanism into his daily life. The Goddess introduced him to Lord Don at a Crafty Crafters event and he knew from that first meeting this Tradition was his calling. When he was blessed with the First Degree Clergy, he vowed to create a Temple in Wisconsin and since then has been able to see that goal become a reality.

Peter sees a very bright future for our Tradition. Many dedicated people have become members and by working through Northern Lakes in Wisconsin, he hopes to enhance and spread their teachings to many others. He doesn't combine his Wicca faith with any other faith.

At the end of the interview, Peter says that Northern Lakes Temple will be hosting Spring Lustration 2010 in Wisconsin and hope many folks can join them.

The address to the Temple is: <http://www.Northern-Lakes.org/>

Runes

By Vitki Freyatrú

Waes Hael!

Last week I was looking at one of the major Gods of the Heathen tradition. There is quite a bit of information about Tyr if we take in all the rune poems as well. Other Gods and Goddesses we know much less about. Some of them we only know from one line in the Eddas which isn't very much on which to base religious worship.

Many of the Norse Gods and Goddesses had complex characters with more than one side to them. If we are trying to reconstruct a religion from the writings left to us by our Viking ancestors then we find that it has huge gaping holes in it. I am of the opinion that if you invite a specific God or Goddess to your ritual you should know more about them than just a single line which in itself may be cryptic.

Other sources may be useful. Indeed the best source for the worship of the Goddess Nerthus comes not from the Eddas but from the Roman general Tacitus. The two sources tackle the Gods and Goddesses very differently. The Eddas tend to tell us stories about what certain Gods were supposed to have done as a way of telling us about the nature of that God. Tacitus writes from the point of view of an outsider observing what the actual religious worship of that Goddess entailed.

This does leave a dilemma for reconstructionists in that one source tells us much more about the mythology attached to each of the deities in the pantheon, but then leaves us to work out our own religious practices. The other gives an excellent account of the statue of the Goddess being paraded and the week of feasting during the festival. However the drowning of slaves in a lake would in this day and age be a prohibited practice so much of the festivities actually described are irrelevant to how we view things today.

Next week I am going to explore some of these lesser known Deities, and giving what information we do have about them.

So till next week, Waes Hael!

Tarot

By Rev. Leona

The Tarot card for today is 6 of Pentacles

Key terms for this card are Gifts, Mastery, Higher Learning

Message of 6 of Pentacles

The Six of Pentacles is a time for you to know that answers that you have been seeking will now be coming to you. This is a time for you to prepare for important gifts to come to you. The Six of Pentacles is a card that can bring with it some heartbreak. This card may indicate inheritance and as such you will have to suffer the loss of someone you care for. This is a time for you to reflect on the life of the people in your life and know that we are all mortal and as such not all of us will be here forever. The Six is a card of learning that will call to your heart. The Six shows that you have managed to make progress in your life. This is a time for you to look to the future and know that you are walking a path that will bring happiness to many people as long as you are willing to use all of your gifts to their full potential.

The Six of Pentacle wants you to know that you have come far in your quest but you have not completed all of the tasks. There will be some trials and obstacles that may continue to challenge your own dedication to the path you are walking. There is a change here with the six that you will come across others who are not what they seem. The Six of Pentacles carries a warning that there will be some difficulties along the path. There will be come unforeseen troubles that will come and you will need to remain quick on your feet and not allow yourself to be misled by what is going on. This is a time for you to look for the path that will bring you out of the dark forest. Use this as a time of great learning. This is one of the most important periods of testing that you will be put through along this path.

There is the promise with the Six of great rewards to be gathered. You are nearing the time of harvest when the Six appears. Now the key is to keep your balance and not to allow yourself to get too far ahead of your talents. You must focus on what is at hand and not what the future holds. The Six wants you to understand what you need to accomplish before you are able to move to the next phase of the journey. The Six is a time of reflection and a time to look to your life and see if there is anything that you are missing. There are many rewards waiting for you but you need to wait a while longer. You need to continue to hone your skills and to balance your dreams with reality. Take this period of upheaval to find the areas of your life that need to have your attention and focus.

Meditation for 6 of Pentacles

Meditations for this month will require one candle and a journal.

Find a quiet place where you will be able to sit quietly without interruptions. When you are ready take deep breaths and allow all the stress and negativity to flow out of your body. Allow yourself to relax and fill yourself with light. When you are ready light your candle and close your eyes.

Focus on the following questions.

In what part of your life do you feel apprehension?

Who around you makes you feel nervous?

Where do you feel a lack of balance in your life?

What areas of your life have fallen under someone else's control?

Write your answers in your journal. When you are ready focus on the following questions.

What are the gifts that you have been working to develop?

What are the talents you need to focus on now?

How can you make the most of your own talents?

Write your answers in your journal. When you are finished extinguish the candle. Take some time for yourself.

My journey

I started on a journey one day.
Some of it was smooth,
I would go along happily looking at the view.
Beautiful things that made me happy,
Amazing things that filled me with wonder
Little things that made me smile
Funny things that made me laugh.
Views that taught me lessons
Lessons both good and bad
Part of the journey was hard because of things
Things that were sad to look at
Things that filled me with horror.
Things so terrifying that I wanted to run
Sometimes the road would be bad for a long time
But I learnt that it would always even out
Because that is the way all journeys are;
Including the journey called Life.
And like all other journeys
At the end of this journey, I shall have my reward:
A rest and to be with the people I love.

Rev. Andi's Kidz Korner

Merry Meet little ones! Hopefully everyone is well and happy this week - and of course looking forward to Yule!

This week we're going to start on our run up to Yule - with the usual format of art & crafts, and recipes, and fun & games and. . . well, you get the picture!

Oh yes, and speaking of pictures Don't forget we want yours! Oh yes, all pictures and stories and - well anything really - you want to send us to share with all the guys out there then please do. We really want your section to be yours!

Thoughts And Ideas / Crafts:

So. . . It's now that time of year where we want to start decorating our homes ready for Yule - and with everything else - why not make our own? Here's a nice simple one to get us started and, like Samhain previously, by the time we get to Yule; we should have loads of great decorations to spruce up the home!

Yule Cinnamon Ornaments

Warning: Not For Consumption!!

Ingredients

3/4 cup Applesauce
2 Tubes white (PVA) glue
1 oz Cinnamon
1 oz Ground cloves
1 oz Ground nutmeg
1 oz Ground ginger
Cinnamon for cutting rolling out dough
Cookie cutters

In a medium bowl, stir together the cinnamon, cloves, and nutmeg and ginger. Mix in the applesauce and glue. Work the mixture with your hands 2 to 3 minutes to form a ball. If mixture is too wet, add more cinnamon. If mixture is too dry, add more applesauce.

Lightly dust a clean surface with cinnamon. Roll out the dough to 1/4 inch thickness. Cut out shapes with cookie cutters, and use a toothpick to make a hole at the top for hanging with a ribbon.

Dry in a slow oven 225° Fahrenheit / 110 Celsius / Gas Mark 1/4 for several hours, or air dry in a

sunny spot for 4 or 5 days. When dry, decorate with gingham and/or ribbon.

Ideas For The Kitchen:

Here's a great recipe for you - tasty, in keeping with the time of year; and even easy to make. See how good I am to you? :-)

Yule Popcorn Balls

INGREDIENTS

- 2 cups white sugar
- 1 ½ cups water
- ½ cup light corn syrup
- 1 teaspoon vanilla extract
- 5 quarts popped popcorn
- 1 teaspoon distilled white vinegar
- ½ teaspoon salt

Butter the sides of a large saucepan. In the sauce pan combine the sugar, water, salt, corn syrup and vinegar. Cook over medium heat to the hard ball stage 250° Fahrenheit / 125 Celsius / Gas Mark ½.

Stir in the vanilla and slowly pour the hot mixture over the popped popcorn, stirring just to mix well. Butter hands lightly and shape into balls. Mixture will be hot so be careful. Place balls on waxed paper to cool.

Enjoy!

Jokes:

You know you are a Witch if . . .
You've been seen talking to cats... They talk back *and* you understand what they are saying!

Tradition Announcements & Adverts

THE CORRELIAN ORDER OF ARES

This is a group for Wiccans/ Pagans in the military, former Military, and family members of military. This Order is dedicated to furthering education and understanding of the Correllian Tradition in particular and paganism in general, within the military and military families. We fully support and strongly advocate the quest for pagan chaplains in the Armed Forces. As an Order of military persons, albeit active duty or reserve, retired or non-retired veterans, and the respective families of such; we are always cognizant of the Wiccan Rede and the ways of our pagan warrior ancestors.

At this time, membership in the Order of Ares is restricted to those members of the Correllian Tradition, both outer court and inner court who are active or former military or families thereof.

Prefects: There will be established 7 prefects for the order, one for each of the following; Army, Navy, Air Force, Marines, Coast Guard, Department of Defense (DoD) and VA. These prefects will assist the order head in coordinating with their particular branch of service.

Dedications: The order is dedicated to the five following precepts; Dedication to faith, to country, to service, to honor, and to family.

Sigil: The sigil is a blue pentagram upon a red circle with a black handled white sword in the forefront. The red is to remember the sacrifices of those who have gone before and the revered ancestors who watch over us. The blue is for the honor that we strive to remember in our everyday dealings with others. The white is for purity of spirit, and the upright sword stands for our dedication to the protection and our service to our country and faith. Future projects for the Order include a revamping of the current Yahoo group, a planned website, and a support site for family members. Also, contact messages to loved ones on deployment will be available through the Amateur Radio MARS (Military Affiliate Radio System).

The incoming Head of the Order of ARES, Rev. Vernon L. Estes, Ph.D, is a retired Colonel, U.S. Army Special Forces; with 30 years active duty service from 1967 through 1997. Rev. Vernon is a First Degree Correllian Priest & Mentor. His present service to our Tradition includes: Mentor/Group Manager ANOCH (USA) Study Group, Mentor-WS7 International Study Group (U.S.A./International/Apache) and Shrinekeeper of Pacis Draconis Witan Shrine. Rev. Vernon was honored with the Correllian Order of the Thurible at the Spring Lustration in 2008.

Any member of the Tradition may contact Rev. Vernon for more information about the Order of ARES at: rev.vernon@pacisdraconis.org or Vernon.Estes@gmail.com

THE ORDER OF WORLD WALKERS

This Correllian order is headed by the Rev. Krystel High Correll and she is offering training for those who wish to join the order. The training consists of twelve lessons, one a month, for a year, offered through e-mail.

The purpose of this order is to fulfill the deeper purposes of the Correllian Tradition- advanced psychic and spiritual work, primarily conducted on multi-dimensional levels. This work includes:

Learning to connect and work with your spirit guides. Conscious dying and conscious incarnation. Advanced dream work. Exploring the known boundaries of the multi-dimensional universe, then conducting independent work to go beyond those boundaries. The study of time and advanced work within it. Soul rescue (helping those who are not aware they have died, or are not willing to cross over). Mediumship (being a voice for the so-called dead, visiting the land of the dead and communicating with them, and building a pathway between the living and the dead). Healing, both personal and of our Earth.

These purposes are divided among five houses that consist of the members who are dedicated to the work of the House.

The Order of World Walkers is a working order. The training is only the beginning. Each of the houses offer work that can be done for the rest of your life, if you choose to do it.

I believe that everyone who chooses to become a member of the order chose this before coming into this life time to continue work begun in other lives.

For more in-depth information, including the cost of the lessons, contact me at krystelneuman@yahoo.com

The Order of Web Weavers Crystal Web Mapping Project

The Order of the Web Weavers has been working diligently on mapping the Crystal Web. If any of you have a crystal that you have added or removed from the Crystal Web contact us to ensure are records up to date and accurate.

The information we need in order to best catalogue your crystal/s is the following. Your Craft Name and E-mail Address along with your City, State, Country, Latitude, and Longitude. Sent to the following email address: wwcw@correllianorders.info

Please include the above information, if you have removed your crystal from the Crystal Web along with 'Remove' in the subject line. If you have added several crystals then we would need a separate entry for each crystal, unless they are located together. If they are located together then please include how many crystals are at that location.

We are excited about this project and hope that you will be too. Once the crystals have been properly catalogued we can then begin placing them on the map program. This will give us a good visualization on the Crystal Web. Thank you in advance for your participation in this wonderful project.

Bright Blessings,

The Order of Web Weavers
