Veterinary Notes

By Rev. Mehitabel

This week a case of bladder stones in a tortoise.

From <http://www.bristolzoo.org.uk/about/news/News1763>

Unusual tortoise operation a success at Bristol Zoo

An African pancake tortoise at Bristol Zoo is recovering after an operation to remove a bladder stone the size of a small egg.

The Zoo's expert veterinary team recently performed the hour-long operation on Polly the pancake tortoise after discovering the huge bladder stone during a routine health check up. During the procedure, vets had to cut away a hole in the bottom of Polly's shell in order to remove the bladder stone, which may otherwise have killed her within weeks or months. The bladder stone weighed 19g and measured 3.7cm (1.5 inches) by 3cm (1.2 inches) and Polly measures just 14cm (5.5 inches) inches long from head to tail.

Polly, aged five, is now bandaged up and recovering well in the Zoo's Reptile House, but will be off-show to visitors until she has fully recovered.

Sharon Redrobe, Bristol Zoo's head of veterinary services, said: "We x-rayed the tortoise as part of a standard health check, and were amazed when we saw the size of the bladder stone. Anaesthetising a tortoise is quite tricky and requires specialist training, but she is likely to have been in some discomfort so we took the decision to remove the stone as soon as possible." She added: "I've performed bladder stone operations on tortoises before, but never on a pancake tortoise and never with a bladder stone this big. Despite initial concerns that we might not be able to get the bladder stone out of the hole we made in the shell, the operation went very well and there were no complications."

African pancake tortoises are classed as a vulnerable species by the International Union for Conservation of Nature and Natural Resources (IUCN), which mean they are at high risk of facing extinction in the wild in future. Collecting for the pet trade is an ever-present threat. The species is now the subject of a co-ordinated breeding programme within UK and European Zoos, managed by Bristol Zoo Gardens. Several young pancake tortoises have been hatched successfully in Bristol Zoo's incubators.

Astrology

By Rev. Leona

This week we will find a balance as we examine Libra.

Walking a tightrope requires skill and balance. You will fall many times before you are able to walk the entire length without faltering. Libra is the sign of balance and diplomacy. Libra energy will teach you how to find your own inner balance. When you are balanced you will be able to act and think without biases. Your mind will be clear. You will stand unwavering no matter how strong the winds around you blow. When you work with Libra you will be able to see all sides of a situation. You will have a fluidity to your perception which will enable you to flow smoothly from one point of view to another. Libra teaches you the importance of collecting all information before making a decision. You will want to be able to analyze all sides so that you can find the most diplomatic solution. When you are making decision that involve other people you will want to make sure that what ever decision you make will please everyone. Making fair and diplomatic decisions will allow you to create harmony in all your endeavors.

Libra wants to show you how to express yourself in ways that reach many people. When you work with Libra you will learn how to express your artistic side. Art has a way of reaching people and touching people in ways that others cannot understand. You do not have to understand the purpose of the work of art all you need to do is to enjoy it. Libra encourages you to find different ways to express your artistic spirit. These different skills will draw upon areas of strength and skill that you already possess. This exercise will allow you to develop natural gifts while exploring areas in which you are not so well endowed. Libra creates a safe place for you to try and experiment. In this safe arena you will be able to unleash your creative spirit. This will be a time for painting, singing, dancing, sculpting and acting. Expressing your artistic side will free you from your own self-imposed judgments. When being creative you will not worry about making everyone happy. This is the one true form of expression where the opinion and feelings of others are not your concern.

Libra is concerned with equality and wants to find solutions that are fair for everyone. The thought of being unfair can keep Libra pondering for long periods of time. When you work with Libra you will be thinking about the needs and desires of others. You will be so concerned with what others want and need that you may in fact allow your need to be overlooked. One of the dark sides of Libra is the tendency to self-sacrifice. When you allow the needs of others to take over your own common sense then you would be willing to sacrifice your own well being and safety for the sake of others. The problem with this is that you may in fact put aside some very important needs. Placing your safety and your health in jeopardy is not what Libra wants you to do. When this happens you will fall into the shadows and you may disappear all together. You need to find a balance in your life. There are times when you will need to sacrifice and to settle but there are times when this role will belong to others.

Libra wants you to understand the role of decision making. There are many areas of your life where it is important for you to make decisions. Libra asks you: Have you let your responsibility slip? Do you allow others to make important decisions for you? Are you afraid of decisions? When working with Libra energy you will engage in a mesmerizing dance. You will spend your time moving around and around the situation, examining every little detail. The reason for this dance is to avoid the truth. The truth is that you are afraid of making decisions. Your desire to please everyone will cause you to wander forever in waiting with the hope that someone else will make the hard decisions for you. When you work with Libra you will find that your lack of confidence in yourself may cause you to seem insincere. You need to keep your own faith and know that no matter what you have the ability and insight to make the right choice. You must make sure that you do not overcompensate for your lack of self-confidence.

When you work with Libra you will exude a certain aura around you. During this time you will appear to be quite a charming character. Those people around you will be drawn to this unique perspective and to the imaginative world that you are creating. Your ideals will begin to appear as you express your creativity. You will take time to think through your actions. This will be a time when your thoughts are crying out to be expressed. You will find many new outlets where you will be able to show your ideals.

Libra will show you the value and the appeal of justice. This will be a time when you will want to get involved in volunteer work and social justice. The world will open up to you and you will be able to see all the suffering and injustice that plagues the world. You will be able to identify with certain causes and you will want to do your best to help. You may want to take time right now to look into grass roots organizations in your area. This process will give you a chance to find out what other people are doing to help bring justice to all the people of the world.

Libra energy will teach you how to reach out and help others. You will have a driving desire to move forward and to bring peace and balance into the lives of those less fortunate. Libra energy has a burning need for everything to balance out. When you take up the challenge of Libra you will need to make sure that everyone you meet and every situation you encounter is treated fairly. You will need to work hard to get along well with everyone. You may even feel anxious if you cannot complete this task. Only when you have a clear balance will you be able to proceed forward.

Libra energy is so focused on making everyone happy that you will not be able to make any hard decisions. When you have good relations and sense of balance around you then you will feel safe and confident enough to make hard decisions. Libra will teach you the key to becoming a diplomatic person. You will learn that when you are dealing with several people that you will never be able to please all sides completely. Finding the solutions that people will be able to live with is more important than trying to make everyone happy. When you are balanced you will be able to find the right sense of harmony in your life where what you believe and others believe becomes clear. The greatest gift that Libra bestows upon you comes during this period of harmony. What Libra gifts you with is the understanding and appreciation of justice. Here you will see human, societal and universal justice. In this realm of harmony you will be able to understand that what you seek and what others seek are the same.

Libra energy is very active. Because Libra desires balance Libra energy is in constant motion. You will find that your mind is always moving as you try to find ways to solve the problems that have been raised in your life. When you work with Libra you will find yourself moving around a great deal. You will be doing this because Libra energy wants to connect and share. This is a time when you will see the value of your experiences and you will be able to communicate these values to others. Libra energy will also help you to see situations for what they are. In doing this you will be able to put yourself into the shoes of others. You will be able to act fairly and diplomatically in any given situation.

Libra energy will cause you to focus on your own ideals. You will see what you desire as an end result and not really have any concrete plans that will enable you to achieve that goal. You will find that during this period your instincts will send stronger messages. You need to be able to trust these feelings and thoughts as they will never lead you astray. Libra tells you that regardless of the outcome, if you make decisions based on the good of others that you have made the right decision. You need to place greater faith in your own intuition and abilities as these gifts show you the universe free of bias and personal gain.

Libra values peace and harmony above all else in the universe. When you work with Libra you will see the true harmony of the Universe. You will indeed need to create a serene environment from which you will be able to focus and recharge. Libra is a very difficult sign to work with. It takes great skill and determination to walk the middle line. There are times when you will not feel as though you are strong enough. Libra tells you that you need to complete these lessons as the rewards of peace and harmony will more that make up for any tears and sacrifices met along the way.

THE ORDER OF WORLD WALKERS

This Correllian order is headed by the Rev. Krystel High Correll and she is offering training for those who wish to join the order. The training consists of twelve lessons, one a month, for a year, offered through e-mail.

The purpose of this order is to fulfill the deeper purposes of the Correllian Tradition--advanced psychic and spiritual work, primarily conducted on multi-dimensional levels. This work includes:

Learning to connect and work with your spirit guides. Conscious dying and conscious incarnation. Advanced dream work. Exploring the known boundaries of the multi-dimensional universe, then conducting independent work to go beyond those boundaries. The study of time and advanced work within it. Soul rescue (helping those who are not aware they have died, or are not willing to cross over). Mediumship (being a voice for the so-called dead, visiting the land of the dead and communicating with them, and building a pathway between the living and the dead). Healing, both personal and of our Earth.

These purposes are divided among five houses that consist of the members who are dedicated to the work of the House.

The Order of World Walkers is a working order. The training is only the beginning. Each of the houses offer work that can be done for the rest of your life, if you choose to do it.

I believe that everyone who chooses to become a member of the order chose this before coming into this life time to continue work begun in other lives.

For more in-depth information, including the cost of the lessons, contact me at krystelneuman@yahoo.com

Flash Fiction Challenge

Greetings Dearest Readers!

Have you ever dreamed of being a writer? The Correllian Times wants to help make that dream come true with our flash fiction contest!

The flash fiction story must contain exactly 250 words, excluding the title. Not 249 - not 251. 250 words. There should be a beginning, middle, and an end. It should not just be 250 words of whatever comes to your mind. The goal here is to have some kind of twist at the end.

Our challenge to you is this:

Write your own flash fiction before January 01, 2009. The prize for the top Flash Fiction submission will be a feature writer of the month. A picture of you, bio and your short story, also a gift certificate to the Witch School Store.

Please, only 1 entry per person.

Contest begins February 1, 2008 and ends January 01, 2009. Entries become the property of The Correllian Times. We assume no responsibility for illegible, lost, late, misdirected, incomplete, or stolen entries.

ENTRY: Submit an original, flash fiction story of exactly 250 words. Include your name and e-mail address and email to: windy at windy0716@aol.com or CNT_Correllian_Times-owner@yahoogroups.com Please include the words "FLASH FICTION CHALLENGE" in the subject detail. Entries must be original, unpublished and may not have won any prize or award.

LIMIT: Only one entry from an individual will be accepted - no group entries.

ELIGIBILITY: Everyone is eligible to enter! We do however reserve the right to withhold inappropriate materials from publication at our discretion.

Voting on flash fiction:

Each submission will be featured in The Correllian Times. A voting poll will be opened in January 2009 (details to follow). If you appreciate the storytelling in a flash fiction piece, please grant the writer the honor of your vote.

The great part for voters is that each entry shouldn't take much more than a minute. You can read dozens of them in a short period of time. Please support the writers in this challenge by reading as many as you can!

Now... get flashing!

Prison Ministry Formal Shrine

The Prison Ministry Formal Shrine is to function as a bridge to breach the gap between inmates that are still called by Deity and who want to learn and/or correspond with members of the Correllian Tradition. This is a dedicated group that will not judge others' past, but help them pave a way into their future growth.

If you are interested in or already assisting with any type of Prison Ministry, please consider joining. You are required to be a registered member of the Correllian Nativist Tradition and at least 21 years of age. I am looking for people to assist with correspondence, and possible mentoring of inmates. If interested, please sign up at the following group:

The Order of Web Weavers Crystal Web Mapping Project

The Order of the Web Weavers has been working diligently on mapping the Crystal Web. If any of you have a crystal that you have added or removed from the Crystal Web contact us to ensure are records up to date and accurate.

The information we need in order to best catalogue your crystal/s is the following. Your Craft Name and E-mail Address along with your City, State, Country, Latitude, and Longitude. Sent to the following e-mail address: www@correllianorders.info

Please include the above information, if you have removed your crystal from the Crystal Web along with 'Remove' in the subject line. If you have added several crystals then we would need a separate entry for each crystal, unless they are located together. If they are located together then please include how many crystals are at that location.

We are excited about this project and hope that you will be too. Once the crystals have been properly catalogued we can then begin placing them on the map program. This will give us a good visualization on the Crystal Web. Thank you in advance for your participation in this wonderful project.

Bright Blessings,
The Order of Web Weavers
