Tarot

By Rev. Leona

The Tarot card for today is King of Swords
Key terms for this card are Logic, Judgment, Equality

Message of King of Swords

The King of Swords can have several different meanings and influences in your life. In some ways the King may represent part of yourself that you need to focus on or it can represent the movements and actions of others in your life. The King can also point you to where you will need to go and what you will need to do.

The King is the ruler of air and as such will bring you into the realm of logic. You will need to make use of your mental capacities to be able to see and clear the field for your progress. The King has trained and knows the battle grounds well. He has come to show you the way and to share with you all the training that he possesses. The King of Swords is a great ally that will bring you through the darkest of storms. The King wants you to create your own sword and use this sword to cut away all the false illusion that are being created by you and around you. This is the time for clear seeing and for clear thinking. There is much that will be accomplished when you tap into the power of the King of Swords.

The King of Swords has the ability to carry you high up into the Air. When in the Air you will be able to look down and see the bigger picture. Part of giving over to the King of Swords requires you to have a greater sense of faith and understanding of the way the world works. The King of Swords is much like Merlin who took Arthur and transformed him into a bird and allowed him to fly over the fields and land to see that there were no real divisions and that everything was the same from high above. Using this sense and knowledge one will be able to see that what is being fought over is not what it seems when right in the middle of the fray.

The King of Swords will bring swift and fair decisions into your life. There will be actions taking place that will manifest out of seemingly nothing. Now is the time for you to clear the way for anything to enter. Know that when the King of Swords is at play in your life that this is the time where you will receive good counsel and where you will be able to make clear choices that will not be tainted by emotion. This is the time to use your own logic make the clear and hard choices that need to be made. When the King of Swords flies into your life it is a sure sign that action is coming and that you must clear your head to be able to make the required decisions. The King of Swords has the power to charm and entertain others with his wit and logic. This is a time for you to pay close attention to your own words. Words have a ripple affect and though they begin with one intention they can easily be turned to give a second and third intention that are very removed from what you wanted to happen. This is a time to sit back and listen and not react. Allow others to make the first move and keep yourself calm and controlled.

Meditation for King of Swords

Meditations for this month will require one candle and a journal.

Find a spot where you will be able to sit and not be disturbed.

When you are ready begin to breathe in deeply through the nose and exhale gently through the mouth. With each breath feel yourself relax and let go. Release all of the stress and anxiety of the day.

When you are relaxed light the candle and close your eyes.

Focus on the following questions.

Have you been following your logic or your emotions?

What do you need to focus on in your life with a detached attitude?

Where must you keep up your defenses?

Write your answers in your journal and reflect upon the following questions.

What part of your life seems to be speeding up?

Where must you focus your mental talents?

What are you trying to materialize into your life?

How can you tap into the power of the King to achieve your goals?

Who in your life may be playing the part of the King?

Write your answers in your journal.

When you are ready open your eyes and extinguish the candle.

Now you may partake of some logic mind puzzles.

Animal Totems part 1

By Rev. Mehitabel

Adapted from http://www.spiritualnetwork.net/totems/spiritually_meeting_your_animal_.htm

Although humans think they are the greatest and most important part of creation, they are only a part of the earth, only a part of nature, only a child of Mother, only a part of Spirit. Man used to know respect of Nature and killed only what he ate and used only the skins of what he killed and ate. He did not waste life nor disrespect spirits but honoured and thanked them for providing life, nourishment, and comfort.

In earlier culture man gave recognition archaeological records suggest that man gave power to the animal spirits by wearing skins, masks, mimicking, singing praise, and prayers to specific animals. Animals were painted on homes, caves, death chambers, and were accepted as sisters, brothers, and cousins and, most importantly, teachers and friends.

Today, the Natural Power of animal totems has not been lost. They still hold the power and the knowledge we can use if we remember how to be One with Nature and all that is, has been, and will be. Using Animal Totems will allow us to see and love the earth better, to know life better, to know ourselves better, and to commune better with Mother and Spirit. Through them we can be healthier and happier physically, mentally, emotionally, and spiritually.

Animals come to us because they have a lesson we need to learn a power they are willing to share with a friend. They seek to give us a gift of understanding, and remind us that we are part of the earth; that each creature has a place; that each creature has a skill of it's own; that we have instincts given to us from Mother, & wisdom born to us that we must awaken. The Animal Totem that comes to you offers you power and wisdom if you will learn to communicate with it, with respect, trust, and understanding. Developing a relationship with a live animal totem takes time, practice, patience and could be very dangerous. Having an animal totem does not mean that you are to pet the animal or even be with it physically. Having an animal totem means that you have lessons to learn and a powerful spiritual friend.

Each animal has it's own special power and message, for each animal has a powerful spirit and an inherent skill. Animal Spirits choose a person to be a companion to, a friend to, not the other way around.

Animals are not the poor relations of man. They are unique and spiritual creatures who should be respected as such and honoured for the lessons they bring.

How to read a Crystal Ball

Darken the room around you. Put the crystal ball on a dark surface that will not reflect any light that will distract you. Have a candle or other form of light shining into and illuminating the ball. The light source can be reflecting up inside the crystal ball stand or behind the crystal. It can also be shining from behind you into the crystal ball.

Sit comfortably with your spine straight. Keeping your spine straight enables you to channel all the energy that comes through your body when you do your readings. Ground yourself and calm your mind.

Clear the crystal before using it. Then charge it using this method:

Hold the crystal ball and rub it with both hands. Then set it back on its stand while still maintain your focus. Next point a single-terminated quartz crystal or a crystal wand towards the ball at a distance where you most comfortably feel the two connect. When you feel or sense the subtle connection between the crystal and the ball, begin to circle the single-terminated crystal in a clockwise direction.

Maintain the connection between the crystal and the ball. Soon you will feel the crystal ball pulsate. When you feel it pulsating strongly you can lay your single-terminated crystal or crystal wand down and begin the next step.

Diffuse your vision.

Find a spot in the ball the interests you. Bring all your attention to that spot. Now look at it in more detail. Allow your intellectual mind to relax. Leave yourself open to any impressions. Don't have any preconceptions. Have no judgments. Remain relaxed, open and focused.

Now look at that area in still more detail. As you look at this area even more closely you may find yourself tensing. If so, take a deep breath and relax as you let it out. Continue to do this until you release the tension.

Continue to gaze into the particular area, seeing more and more detail. As you look at this minute detail the crystal ball seems to become larger. The more you lose your sense of yourself and are only conscious of the detail in the crystal space, the larger the ball seems to become. As you are looking, feel yourself opening as if you have no edges or boundaries. Allow yourself to lose your awareness of yourself and just be aware of the crystal ball. Your eyes may or may not close at this point. If they feel like closing, let them close and continue to feel as if the crystal is around you. If your eyes remain open, still feel as if you'r inside the crystal. Whether your eyes are open or closed a point is reached where there is no difference between you and the crystal. There is

only crystal and just what you are seeing. You are now in an altered state of consciousness or trance state.

You may at this point find yourself feeling compelled to do something. This may be to breathe in certain ways, move energy in a particular pattern in your body, or to work with the crystal in a different manner. Trust yourself and let this compulsion guide you. Your body may almost involuntarily assume different positions. Let it. You may find yourself making sounds. Feel free to allow this to happen. At the same time there is no necessity to force it to happen. Successful crystal ball reading doesn't depend on any of these occurrences.

Now either ask specific questions in your mind or use your will to guide you to a specific location that you mentally view. If you haven't a specific question, mentally refer to your more general purpose in crystal reading at the time. Then let impressions come and go. Don't hang onto them but communicate them to another or out loud into a tape recorder. Let the impressions flow through you. Continue to communicate what you see until you have a feeling of being finished.

When you are through, remain with the crystal for a few minutes. Release any tension. You will feel a sensation of floating inside the crystal ball. Varied impressions may come and go. Just watch them pass. In this space are all possibilities, all assistance, all knowledge, and all wisdom.

Now, after enjoying this space for a while, slowly begin to back out of the ball. Start to feel edges around yourself while you continue to gaze. Have a feeling of backing up as you become more aware of the edges around the ball. If you followed a certain route into the ball, retrace it. Continue until you see the ball in front of you. Become aware of the surface on which you sit. Be aware of your breathing. If your eyes are open, let go of the diffused vision and bring it back to normal. If your eyes are closed, slowly open them. Now stretch and shake yourself a little until you feel completely in your everyday consciousness.

Ground yourself. Next, clear your crystal ball, the other single-terminated crystal or crystal wand, yourself, and the room you are in.

If you like, cover your ball with cloth or put it in a pouch. Store it in a special place.

Protection Charms

Remember to never leave a bed empty for too long. When heading off on vacation, for example, put fresh sheets on the bed, and tuck a broom into it, bristles on the pillow to keep anything negative from settling there.

A blue candle helps protect you while you sleep. Try anointing (or using scented candles) with violet, Rose Geranium, frankincense, bayberry or citronella.

Onions protect against venomous beasts and grown in your garden protects your plants (against all those venomous pests)! If you quarter an onion and place the quarters in the four corners of your house, you'll get rid of any disease. Replace the onion quarters when they turn black.

Mirrors are great protection in the bedroom, as it repels negative influences. So put a small one on the headboard, or at least facing the door, and you should stay safe through the night.

Eucalyptus leaves or cinquefoil beneath the pillow, or a knife under the bed will keep you safe through the night.

Mistletoe, also known as golden bough, carried in a little hand sewn cloth bag is a traditional Celtic method of protecting the self and is also used by the followers of the magic from America's South.

Marjoram or wild oregano is believed to absorb dangerous negative energies when powdered and sprinkled about the home. In Italy the followers of Italian witchcraft or stregheria make this herb into a tea and add it to the wash and scrub water to protect the home and its inhabitants.

If you seem to be always burning or cutting yourself, try a "kitchen accident" amulet. In a muslin bag, place a small kitchen knife, a pinch of flour and a paua shell, tie it to your apron or tuck it in a pocket as you go about your kitchen duties.

Hearken as the Witch's Word

Hearken as the Witch's word
Calls the Lady and the Lord
Moon above and Earth below
Sky's cool blue and sun's hot glow
In this right and ready hour
Fill these pages with thy power
May no unprepared eye see
The secrets which entrusted be
To I who walk this hidden road
To find the Hearthstone's calm abode
Guardians from the four directions
Hear me and lend thy protection:
May these truths of Earth and skies
Shielded be from prying eyes
But to the witches whose map this be
May the way be plain to see;
And, through all the coming Ages
May we find home in these pages.
So mote it be!

Tradition Announcements & Adverts

THE ORDER OF WORLD WALKERS

This Correllian order is headed by the Rev. Krystel High Correll and she is offering training for those who wish to join the order. The training consists of twelve lessons, one a month, for a year, offered through e-mail.

The purpose of this order is to fulfill the deeper purposes of the Correllian Tradition--advanced psychic and spiritual work, primarily conducted on multi-dimensional levels. This work includes:

Learning to connect and work with your spirit guides. Conscious dying and conscious incarnation. Advanced dream work. Exploring the known boundaries of the multi-dimensional universe, then conducting independent work to go beyond those boundaries. The study of time and advanced work within it. Soul rescue (helping those who are not aware they have died, or are not willing to cross over). Mediumship (being a voice for the so-called dead, visiting the land of the dead and communicating with them, and building a pathway between the living and the dead). Healing, both personal and of our Earth.

These purposes are divided among five houses that consist of the members who are dedicated to the work of the House.

The Order of World Walkers is a working order. The training is only the beginning. Each of the houses offer work that can be done for the rest of your life, if you choose to do it.

I believe that everyone who chooses to become a member of the order chose this before coming into this life time to continue work begun in other lives.

Please, only 1 entry per person.

Voting on flash fiction:

Each submission will be featured in The Correllian Times. A voting poll will be opened in January 2009 (details to follow). If you appreciate the storytelling in a flash fiction piece, please grant the writer the honor of your vote.

If you are interested in or already assisting with any type of Prison Ministry, please consider joining. You are required to be a registered member of the Correllian Nativist Tradition and at least 21 years of age. I am looking for people to assist with correspondence, and possible mentoring of inmates. The Order of Web Weavers Crystal Web Mapping Project

The Order of the Web Weavers has been working diligently on mapping the Crystal Web. If any of you have a crystal that you have added or removed from the Crystal Web contact us to ensure are records up to date and accurate.

The information we need in order to best catalogue your crystal/s is the following. Your Craft Name and E-mail Address along with your City, State, Country, Latitude, and Longitude. Sent to the following e-mail address: wwcw@correllianorders.info

Please include the above information, if you have removed your crystal from the Crystal Web along with 'Remove' in the subject line. If you have added several crystals then we would need a separate entry for each crystal, unless they are located together. If they are located together then please include how many crystals are at that location.

We are excited about this project and hope that you will be too. Once the crystals have been properly catalogued we can then begin placing them on the map program. This will give us a good visualization on the Crystal Web. Thank you in advance for your participation in this wonderful project.

Bright Blessings,
The Order of Web Weavers
