Interview With a Correllian

Faces of the Correllian

This week we are talking with Lady Traci Wood, who is from USA. She has been kind enough to take some time and sit down and let us interview her. This is both a personal interview and also some information about the Correllian in general.

Traci Antoniadis-Wood, whose magical name is Logan lives in Chicago, Illinois, USA and her entire family is Pagan/Wiccan. There are 4 of them in her family; herself, her husband Chuck, their son, Bug and their daughter, Chickie.

Traci is a member of the inner court of Correllian Tradition, and a member since 1991, she thinks. She is a 3rd Degree clergy and also an Elder. Traci belongs to the Holy City Temple, where she is a joint head and chief priestess. When asking her if she belongs to any other Wicca-related groups, she says that she attends those randomly, in her community. There are quite a few of them in Chicago.

As to having any familiars, she says that she has none. Her spirit guides are private to her, and she will keep them private. The Wiccan faith means a lot to Traci, and she says that it's both a religion and a way of life; a state of mind....survival, even. Traci became interested in the Correllian Tradition in the 90's when she met Lord Don Lewis, and has thus been with it since early on.

She sees the future for Correllian Tradition as with kinship, unity belonging, community service; and she hopes that she will be able to work towards achieving those in the future. She combines her Wiccan faith with Santeria, Lukumi and Ifa.

Grateful thanks to Traci for the time she has taken to do the interview, and we wish her all the best in the future with whatever she is doing.

Waes Hael!

It is very useful when something happens in a rune lesson that also makes the basis for an article here. My current group of students seems to want to go into greater detail with everything and it took us a lesson and a half to cover the second Aett.

The following is a rune by rune symbolism of the second Aett edited from what was posted during the lesson.

Vitki Freyatron]: The first Aett ends with a moment of perfection and joy in what has been created, (Wunjo). The second aett starts off with a cycle of destruction and chaos (Hagalaz). What has been so painstakingly created and ordered is replaced with chaos.

: Then there is a moment of quiet stillness after the storm of Hagalaz and we have Isa. It is a time of standstill which lets us recover from the shock and loss.

: It is a time of reflection and gathering ourselves and meditating on what we need (Nauthiz) from what is left. We discard what is no longer relevant to us or is holding us back and retain only the essentials.

:Eihwaz says that we have ended the physical journey and are about to start a spiritual one. Now is the time of looking beyond Midgard to the other 8 planes.

: Time passes and the seasons change and with Jera we enter a new cycle. There is a cycle between the first 12 runes which concludes with Jera. This pattern of a cycle within a cycle is very much the way that the universe works and once again the Runes mimic this.

: Pertho says we are not ready to start yet. We are a potential which is yet ready to be realised, our fate is yet unknown and cannot be foretold.

: At this time we are protected as all unborn children are (Algiz) and we are gathering the energy we need to go forward. The energy of the sun (Sigel) from which springs forth all life.

I feel the first Aett tells us about the process of physical birth. If so then the second tells us about death and the time between lifetimes spent preparing for the next. The second Aett is divided by Jera and this can be seen to divide a physical creation and destruction from a more otherworldly and spiritual journey which takes place through the second 12 runes.

I am tempted to write more but possibly it is better to leave it as it is for you to ponder upon.

P.S.

For those interested there will be a symbol ritual at Folkvang Shrine on Tuesday 12th October at 12.30 British time. The link to the ritual room can be found from the Shrine introduction page here.

Anyone interested in experiencing a more heathen style of ritual is welcome.

An invitation from the heavens.....

Welcome again from the angelic realm,

Last week we began to introduce ourselves to the angelic realm, and the concept of angels, now before we go any further, I have been instructed to speak a little on the angelic hierarchy. You may have seen this in almost every book that you have ever picked up of the shelves on the angels, however it is an important aspect of the angelic realm, for it is what keeps everything ticking over, and allows these wonderful beings work at their best, which means they work best for us, our well being..

So what is the angelic hierarchy?

Well in every aspect of live you will find an hierarchy of some sorts, be it in your home life, be it in school life, or even out there in work, well these, we even have our own here in the Tradition, and although on the outside it may just look like a few steps on a ladder to power, they are some much more than that, (yes as you climb up the ladder, your power increases), they are the structures that are set in place to allow for order to reign, this allows everyone within that hierarchy to work well together and efficiently as long as they remain and abide by the hierarchy. So let us now look at the hierarchy that allows the angelic realm to work well, work best and also more importantly, allows those messages to come through smoothly!

Let us begin with those beings closest to us, who dwell on the Earth, and are often amongst us at all times, these are the lowest level of angelic beings, and are most often mistaken for being different beings all together, and although they work efficiently and well alone, they are in fact the first point of contact to the angelic realm. What am I talking about, I am talking about the elementals, those beings we are most often calling upon, be they the Fae, Gnomes, Sylphs or Salamanders, they are in fact all angelic beings.

As we move up the angelic ladder, as I think I will call it from here on in, it's easier to type you see ha, you can most probably correctly guess that the next level of being are the Devas, the leaders of the Elementals, the Guardians of the Elements and the Magic circles!

From these Earth bound levels the Nine choirs evolved...

The nine choirs are what most people think of when they think of the angelic ladder, with the ninth choir, the Angels, being those beings we often picture in our heads when the word angel is

spoken. The angels help us with our day to day life and bring information and guidance from the source to humans. Your guardian angel belongs to this level and works closely with you at all times.

From here we come to the Archangels, again we are still referring to beings that are probably commonly known to us all, and most often spoken of around the time of Yule. These are if you like the “bosses” of the Angels, these watch over the Angels, but can still interact with us on a personal level also.

We now move to the seventh rung of the ladder, these being the Principalities. These guard countries, cities, and groups of people on Earth. They protect political and religious leaders and help them make the right decisions.

The sixth step belongs to the Virtues who work hand in hand with the Thrones and send lots of spiritual energy to help people develop the tools required to progress along their spiritual path. They love positive people and also often perform miracles. The virtues also represent extreme courage.

The fifth step is that of the Powers. These are the Angels that keep track of human history. Yes if you have done it they know about it! They will send messages when someone or something is out to harm you. The powers will help you to see through situations and problems and protect you when in trouble.

We move up again to the fourth level Of the Dominions representing wisdom and intuition.

Thrones follow from here, and these are the next level and channel energy to you through your guardian Angel. They are the investigators for the Source and create and collect positive energies and represent justice. so if you feel like you are being rewarded from above, it will be the Thrones who give you that reward. They also provide guidance in matters of karma.

From here we come to the Cherubim they channel positive energy from the Source and guard the stars. They represent the wisdom of the source.

The final level, or level one are The Seraphim who are beings of pure light are the level closest to the source and are considered to be the angels of pure light, love and fire. The Seraphim shine so brilliantly with pure light that you will never be able to see them but can still access them through prayer or asking.

Now each of these levels are equally as important as the next, for without the one below you, you cannot evolve to the one above and so on...

But what lies above the first level of the nine choirs, that my dears is **THE SOURCE**

Yes you will have guessed it the Source is Deity, be it whatever form you chose to interact with it! And so our session draws to an end again, the angelic realm is returning to the heavens above, and I am left to say a final goodnight.

Enquire Within for Everything (Well Almost!)

Merry Meet Everyone,

Today I would like to bring you some natural ways of using Herbs, Crystals and Oils etc to enhance our psychic abilities.

Of course there are some herbs used for this purpose that are down right dangerous if you are not extremely careful with their use (these we will **not** be looking at) and some that are to say the least illegal (we **won't** be discussing them either). But there are still many common herbs that can be used for this purpose with great efficacy.

Herbal creams and teas (potions) are used in just about every culture in the world to enhance psychic powers, prophecy, visions and dreams. For the purposes of this article we will be discussing only a few of the most common and easily acquired (available in most health food stores and in some cases even on the supermarket shelf).

First we have **Angelica** (Angelica archangelica):

When using Angelica to enhance visions and prophetic dreams, we burn the dried leaves combined in an incense with Sandalwood resin.

Sprinkle the incense onto charcoal before entering the trance or meditative state or when you are preparing to sleep.

N.B. Sandalwood should always be combined with any single herb being used for these purposes as it provides protection while enhancing the balance you need and also keeping your third eye (brow chakra) open.

Next we have **Bay Leaf** (Laurus nobilis).

Bay leaf has been used for centuries to enhance the psychic power of clairvoyance and placed under the pillow is said to promote prophetic dreams.

Cinnamon (Cinnamomum zeylanicum) is next and it is often burnt as incense.

Cinnamon is used to raise the Spiritual vibration level and to stimulate clairvoyance.

**Warning... Please be aware that if burning as a single herb on charcoal, some unwanted effects may be experienced by some people. If you experience anxiety or heart palpitations extinguish the incense immediately.*

Though this is a rare occurrence, it can happen, so be wary of burning Cinnamon. Making a decoction from the bark and drinking it instead is the safer option.

Dandelion (Taraxacum officinale)

Use as a tea or incense to enhance psychic visions and dreams. As a tea you get the added benefit of supporting your liver.

Eyebright (Euphrasia officinalis)

Apply eyebright tea to the eyelids with cotton balls to enhance clairvoyance and psychic visions.

Heliotrope (Heliotropium europaeum)

Put the flowers and leaves under your pillow to promote prophetic dreams.

Lettuce (Lactuca sativa)

For divination, dried leaves made into incense or tea helps promote psychic ability and prophetic dreams.

Mugwort (Artemisia vulgaris)

Drink a tea made from the dried herb 30 mins before bed to promote psychic dreams and help your digestion along as well.

Nutmeg (Myristica fragrans)

Nutmeg is another of our kitchen herbs that we can enlist to aid our psychic powers, particularly prophetic trance or dreaming. Use as an incense when scrying. Make sure the room is well ventilated before burning Nutmeg.

There are many more herbs and foods that enhance psychic powers and we will look at more in another article.

To use **Crystals** in combination with the herbs, we need to focus on the desired outcome, and then choose an appropriate stone for that outcome.

I find that if I can't zone in on an exact outcome, then I will generally turn to my Clear Quartz cluster for assistance.

Some Crystals and their psychic uses:

Agate: to enhance the connection to the world of Spirit, There are many Agates to choose from and when choosing one you should zone in to the outcome required carefully.

Azurite: This to raise the level of your overall psychic abilities and to promote a clear understanding and clears long-standing blocks to communication. Often found in combination with **Malacite** and the qualities of both stones are then enhanced This combination is a very powerful conductor of energy and enhances psychic abilities to a much higher level. It strengthens the ability to visualize as well as assisting to open the third eye (Brow Chakra).

Chrysocolla: For prophetic dreams and opening the third eye, and boosting overall psychic abilities.

Coral: Use Coral when developing your Intuitive traits.

Iolite: The Vision stone, stimulates the third eye, broadens the mental perspective and energises Spiritual awaking. Iolite re-energizes the auric field and is widely used in Shamanic practice.

Kyanite: To enhance and lift psychic abilities and to enhance telepathic communication.

Lapis Lazuli: To enhance prophetic dreaming. Highly prized in the Incan and Egyptian cultures. A Seer stone.

Sugilite: To protect and increase your psychic energies.

So now you have a herb to eat, drink or burn and a crystal to wear, put in your pocket or on the altar next to the incense. Next we look at oil to anoint or burn in an oil burner. One way of using all these helpers at once is to create an oil using all three ingredients.

Such as;

In a dark 100ml bottle of good carrier oil, place the stone chosen for the purpose and the dried herb,

add 5 drops of the essential oil chosen.

Place in a cool place and allow the energies to blend for 2 weeks.

Remove the herbs from the oil leaving the crystal in the bottle.

Use to anoint yourself (lightly), in a preparatory bath, to anoint candles and/or to burn in an oil burner or to make a room mister.

For enhancing psychic abilities use these essential oils:

Anise: To increase the flow of psychic messages. Burn in an oil burner for the best effect.

Basil: To enhance clairvoyancy, either burnt in an oil burner or used in a room mister and sprayed in the meditation area during preparation.

Cedarwood: Burn in an oil burner to enhance intuition.

Lemongrass: Burn in an oil burner or place on a cloth and placed under the pillow to awaken the third eye, promote prophetic dreaming and activate psychic abilities.

Patchouli: To Enhance the connection to the world of Spirit, and to increase psychic powers.

There are many more herbs, crystals and essential oils that you can use for the purpose of enhancing your psychic abilities and we will find more ways of combining and using these wonderful tools in further articles.

So till next time.

May you always walk in the paths of the Light.

Mother Earth © by Rev. Mehitabel

The Mother Earth supports us
Through all our daily toil

Yet do we stop to listen?
In our plunder and our greed

The Mother Earth is failing,
Her heart is full of woe

Her treasures have been ravaged,
Her life blood spilt and more

Yet we can help dear Mother Earth
In many different ways

And if our efforts seem but small,
Together they are large

We have the power,
So use it now and save our Mother Earth

And spread the message far and wide,
Of healing and of love

Blessed be!

Rev. Andi's Kidz Korner

Merry Meet once again everyone! First off, apologies to everyone waiting for the answers to last weeks puzzle - I was not too well and missed the deadline! Back now though!

As I said last week, this column is bound to change over time. I had thought a few issues would probably pass before this happened, but we've all got to roll with the punches, don't we? The most important change is going to be the frequency of the column. Don't worry - there will be a section for all you children every issue. Rev. Silver-Moonblossom will be continuing her adventures with Josie on a Monday, and I will be bringing you the crafts and puzzles ideas on a Thursday. By the way, if you haven't had a chance to read about Josie and her friends yet, make sure you do on Monday. If the first installment was anything to go by, you'll be seeing these adventures in the shops before long!

The new format for the Thursday children's section will be;

- Thoughts and ideas / crafts
- Ideas for the kitchen
- Jokes (guaranteed to be 'groan worthy'!)
- Puzzles (designed for the kids, but adults can join in too!)
- Activities
- Closing messages

I hope you enjoy everything that both Rev. Silver-Moonblossom and I come up with. Don't be afraid to contact us if there's something you might like to see though - every suggestion will be listened to, and this section is for you - not us!

Thoughts And Ideas / Crafts:

My idea for the week is one that, like the recipes, can be done together. I was looking at some of my old toys from many years ago, and came across an old set of colourful wooden cubes (wood - see what I mean about old!) with various parts of a scene from an old Disney film which go together like a form of 3D jigsaw. This got me thinking; even today this sort of thing is popular for the very young. These can have ABC's or 123's on them - designed to help teach the child while they play. "So why can't we have a set of Pagan playing blocks?" you ask. Well obviously this is not something the Early Learning Centre or some such store will stock, so here's where the fun begins! How you do this first part is up to you, but whether you make some wooden cubes, or buy some plastic ones - doesn't matter as long as you acquire a set of playing blocks. Next, using some child-friendly paint (these are going to end up in the mouth of the very young at some point!), paint these in nice bright primary colours. Once this has dried properly (you may need to leave it for a few days to really dry and harden completely), take up a dark colour for contrast and decorate with symbols of your choice, maybe rune symbols for example, each of the blocks; maybe even with simple meanings underneath each. The possibilities are

endless, but regardless of how you proceed - voila - your very own set of Pagan playing blocks, both fun and educational too!

Ideas For The Kitchen:

This week I'm still keeping with the Samhain theme, what with this holiday only 3 weeks away - but like all these recipes, this can be done anytime!

Pumpkin Bread

(Makes 2 loaves)

INGREDIENTS

- 2/3 cup shortening
- 1 teaspoon nutmeg
- 2 2/3 cups sugar
- 1 teaspoon ground cinnamon
- 4 large eggs
- 2 teaspoons baking soda
- 1 teaspoon vanilla
- 1/2 teaspoon baking powder
- 3 1/3 cups flour
- 2/3 cup water
- 1 can pumpkin
- 1 1/2 teaspoons salt

DIRECTIONS

Mix all the above ingredients together, pour into two loaf pans.

Bake at 176° Celsius / 350° Fahrenheit (Gas Mark 4) for 50 - 60 minutes. You can add dates and nuts if you like.

Jokes:

**How many witches does it take to change a light bulb?
What do you want it changed into?**

**What do you call 13 witches in a hot tub?
Self-Cleaning Coven!**

Puzzles:

WORD SEARCH

The 13 Pagan-related words have all been hidden in the diagram. They have been printed across (backwards or forwards), or up, or down, or diagonally, but always in a straight line without letters being skipped.

Many of you growing up with the Tradition around you won't have the luxury of chatting about your experiences with anyone other than your parents. So introducing - the Petite Pagan Pen Pals system! With this new idea, you will all have someone else going through similar things to you to talk to. All you need to do now is talk to your parents as you will be using their Email address, and send us a message letting us know you're interested. As soon as we have 2 or more, the scheme will start!

Also coming soon! The Sunday Youth Club. Rev. Silver-Moonblossom and I are also looking to start this wonder venture too. Soon, not only can you have yourself your very own Petite Pagan Pen Pal, but you can be part of our online youth club too! More details about this will be released when everything is in place!

Closing Messages:

Don't forget to check out the newest adventure of Josie, Tabatha and friends only available in Monday's Herald!

Anybody wishing to share their stories of trying to juggle their children and their beliefs, or any of you little guys want to send anything (pictures you've drawn maybe?), or for anything related to this Thursday Kidz Korner, please write to Rev.Andi.UK@googlemail.com. As usual, full credit will always be given.

Till next time, brightest and warmest blessings.

THE ORDER OF WORLD WALKERS

This Correllian order is headed by the Rev. Krystel High Correll and she is offering training for those who wish to join the order. The training consists of twelve lessons, one a month, for a year, offered through e-mail.

The purpose of this order is to fulfill the deeper purposes of the Correllian Tradition--advanced psychic and spiritual work, primarily conducted on multi-dimensional levels. This work includes:

Learning to connect and work with your spirit guides. Conscious dying and conscious incarnation. Advanced dream work. Exploring the known boundaries of the multi-dimensional universe, then conducting independent work to go beyond those boundaries. The study of time and advanced work within it. Soul rescue (helping those who are not aware they have died, or are not willing to cross over). Mediumship (being a voice for the so-called dead, visiting the land of the dead and communicating with them, and building a pathway between the living and the dead). Healing, both personal and of our Earth.

These purposes are divided among five houses that consist of the members who are dedicated to the work of the House.

The Order of World Walkers is a working order. The training is only the beginning. Each of the houses offer work that can be done for the rest of your life, if you choose to do it.

I believe that everyone who chooses to become a member of the order chose this before coming into this life time to continue work begun in other lives.

The Order of Web Weavers Crystal Web Mapping Project

The Order of the Web Weavers has been working diligently on mapping the Crystal Web. If any of you have a crystal that you have added or removed from the Crystal Web contact us to ensure are records up to date and accurate.

The information we need in order to best catalogue your crystal/s is the following. Your Craft Name and E-mail Address along with your City, State, Country, Latitude, and Longitude. Sent to the following e-mail address: wwcw@correllianorders.info

Please include the above information, if you have removed your crystal from the Crystal Web along with 'Remove' in the subject line. If you have added several crystals then we would need a separate entry for each crystal, unless they are located together. If they are located together then please include how many crystals are at that location.

We are excited about this project and hope that you will be too. Once the crystals have been properly catalogued we can then begin placing them on the map program. This will give us a good visualization on the Crystal Web. Thank you in advance for your participation in this wonderful project.

Bright Blessings,
The Order of Web Weavers
