Multi-faith Calendar

Coming up:

23rd November – Niinamesei

Aki Matsuri (Autumn festivals)

Late summer and autumn feature many *aki matsuri*, autumn festivals, often thanking the kami for a good harvest. Different shrines countrywide hold their own celebrations on varying dates.

Niinamesei

This national holiday is marked on **23 November**. Nowadays it is celebrated as a labour-thanksgiving day.

It was originally a harvest festival in which rituals were performed by the Imperial family to give thanks for a good crop yield.

Create Your Own Reality

Judy Miller

You create your own reality all the time, consciously or subconsciously. When your negative inner thoughts, inner critic, mind-stuff, monkey-mind chatter, accuser, abuser, enemy, the dark-side, or the devil, call it what you may, is allowed your life will be difficult.

We manifest what we think, feel, and speak every moment. The Universe always says, “YES!” We always have choice as to what we allow into our thoughts and what we create in our lives. You may think you don’t have choice or that it is impossible to stop the negative thinking, but you are mistaken. God gave us one of the most valuable gifts possible. We were given free will. We all have free will, i.e. choice, every moment whether to be connected to the Divine Source of ALL or not to connect and stay in the fear and challenges.

If your self talk gives messages such as, “I am no good, I will never amount to anything. I am a mess, who would want me?”, know that it is NOT okay to accept this verbal abuse from anyone, including your inner voice. Stop the self talk that knocks you down, criticizes, and judges you. Become your own champion. Fight for yourself! This ego mind has to be controlled or it will control you! God does not judge you or belittle you. If you judge or belittle yourself or allow others to do this to you, it’s time to wake up, step up and take action for change.

You may feel beaten down because of what happened to you in the past. You may blame yourself or feel guilty for choices you made in the past. The Source doesn’t judge you. Spirit doesn’t remember your past mistakes. It’s time you let go of these thoughts and STOP condemning yourself. It’s time to forgive yourself and make every effort to stop your ego/inner critical negative thinking. Make room for Spirit to come into your heart, into your thoughts, into your life. Replace the negative thinking and self talk with the words and thoughts of loving kindness.

We cannot give to others what we don’t have. Self love, forgiveness, and kindness begin within. Too often religion told us to love our neighbor, give to others, be kind to others, however, rarely, if ever, were we told to love ourselves, be kind and giving to ourselves. Instead we were taught that to love ones self was ego based and selfish. It’s never too late to learn how to be kind and loving to yourself. It begins with changing the inner thoughts and quieting the negative inner voice, which will allow a positive inner and outer voice and feelings of joy.

Awareness and knowledge is the first step toward healing. Ernest Holmes, founder and author of Science of Mind, says “We suffer because we are not in both conscious and subjective communication with the affirmative side of the Universe. All human misery is a result of ignorance; and nothing but knowledge can free us from this ignorance and its effect.”

I learned a powerful technique over twenty years ago that I want to pass on to you. I call it the “STOP SIGN” technique. Take a moment to close your eyes and envision a large, bold, red and white STOP sign in your mind’s eye. (If you have a challenge with mental imagining, then allow yourself to experience the stop sign through a vibration, a feeling, a sound, or a knowing.) Each and every time you hear a negative thought, criticizing, judging, blaming, shaming, manipulating, or procrastinating, call the stop sign into your mind’s eye and mentally yell the word “STOP!” Or do as I sometimes do; yell “STOP” out loud and as loud as you can! The negative thought (the ego) will become quiet. It’s as though the ego says,

“You talk’n to me?” There will be silence. Heavenly silence! If the negative thought returns use the technique again and again. You cannot stop sign yourself to death! The key is to USE the technique. It won’t work if you don’t use it.

You can’t change the past but you can change your relationship with the past. Envision something else. Rescue yourself from your past memories. Dwelling in what no longer exists is the work of the “dark side ego” and a total waste of time and energy. It’s impossible to be in the NOW when your attention is pulled into what was. The past and the future are illusions. They do not exist. The past is a previous now and the future is a now that hasn’t happened yet. You only have this moment. Breathe into this moment. Whatever the appearances, know that this moment is filled with the energy and love of the Source of All that Is! In this moment you are safe, you are loved, you are fulfilled, you are richly abundant, you are whole and healthy and happy.

As you become your very own personal champion you will become conscious of your mind chatter. If it doesn’t feel good, doesn’t sound loving and kind, and it doesn’t support you in remaining in the present moment, use your STOP sign technique and fill the silence with a loving, kind, self-affirming thought and feel the peace. Use positive statements such as, “I am good enough, I love myself unconditionally, I am loving, kind, and compassionate. I am grateful for my excellent health and the abundance that flows to me continuously.” What you claim in this moment will be the law of your life.

Create a new reality! Remember you are love and you are loved! Namaste.

Quote & Thought of the Day

Quote of the Day:

*For those who believe,
No proof is necessary.
For those who don't believe,
No proof is possible.*

Author unknown

Source: <http://www.sapphyr.net/>

Thought of the day:

Always successful

In each and every moment, you are successful at doing something. You take action, and that action successfully brings a result.

Success is not really something you must strive to create, for you are always making it happen. What's important is defining and intending the success you do create so that it is a positive force in your world.

Many people are successful at just barely getting by. Others are successful at bringing pain and dismay into their lives.

Yet the very same skills that succeed at creating mediocrity and despair, can also be used to create rich fulfillment. What's needed is not so much a change in effort as a change in focus.

You truly deserve a great and wonderful life, and you have everything necessary to experience that life. Keep your thoughts focused on your most meaningful desires, and your actions will align with those thoughts.

You're always succeeding at something. Choose now to make it something great.

Calling all Translators

If you have a second language to English that you are fluent in please consider joining the Witcheschool Translators and help translate material

We want to help Don stand tall and proud at his first presentation to the Interfaith World, and state that the Tradition deserves to be recognized by the most respected Interfaith Body “The Parliament of World’s Religions”

On December 3rd, 2009, Rev. Don Lewis will be at the Parliament of the World’s Religions and this will be a major chance to present the Correllian tradition to the world. Currently he is planning to bring copies of The Five Mystic Secrets (in 7 Languages), What is Wicca? (Three Languages) and The Comic “Come Join Us for a Wiccan Ritual” (Two Languages). We also plan to share those classes already translated.

We are looking for help getting What is Wicca? Translated at least into Spanish, and maybe more languages. We currently have French, German and English. It is my hope that we can have more languages represented. I know it’s a big favor to ask. We will need it by November 25th, 2009. The more languages the better, of course, and we do appreciate any help we can get.

Here is the link: <http://www.witcheschool.com/page/what-is-wicca-language>

Correllian Clergy Degree Program

A new membership has been created called the Correllian Clergy Degree Program. This is a 3-year program that can help you earn your Wiccan Degrees and Legal Clergy Status. Of course every lifetime and supporting member has access to this main program.

The purpose of this level is for those individuals who are interested in gaining their clergy status, and this offers an opportunity for members to do so affordably.

This program is only \$49.99. To find out more:
<http://www.Witchschool.com/clergydegree.asp>

Witchschool Referral Program

Witch School, our long-time educational partner, has made an offer to the Tradition and its member Temples and groups.

Witch School has created a new Referral Program. The Tradition itself has enrolled in this program – as you can see from the button in the left-hand menu on correllian.com. You are encouraged to consider enrolling your Temple or group as well, as a means of generating potential passive income.

The program works like this: members receive their own button which they can put on their website, in their email signature, etc... offering Witch School memberships. If anyone purchases a membership through your button, you will receive (approximately) 25% of the payment –that is \$4 of a \$19.99 yearly membership, or \$25 of a \$99.99 Lifetime Membership.

Each button has its own unique code which tracks payments made through it. If someone buys a membership through your button, then you get the abovementioned 25%.

If you are interested in finding out more about this program, or in signing up for it, go to www.witchschool.biz.

Witch School are offering a discount on supplies to Correllian Temples and groups in good standing: for example the Witch School books at 40% off cover price, and other discounts on the various items the school produces. If you would like to learn more about this, contact Lady Virginia at Virginia@witchschool.com and she will be happy to explain further.

These offers are being extended to all of our Correllian Temples, Proto-Temples, Witan Shrines, Formal Shrines, Personal Shrines, Orders, and Study Groups who might wish to sign up.

THE ORDER OF WEB WEAVERS CRYSTAL WEB MAPPING PROJECT

The Order of the Web Weavers has been working diligently on mapping the Crystal Web. If any of you have a crystal that you have added or removed from the Crystal Web contact us to ensure are records up to date and accurate.

The information we need in order to best catalogue your crystal/s is the following. Your Craft Name and E-mail Address along with your City, State, Country, Latitude, and Longitude. Sent to the following e-mail address: www@correllianorders.info

Please include the above information, if you have removed your crystal from the Crystal Web along with 'Remove' in the subject line. If you have added several crystals then we would need a separate entry for each crystal, unless they are located together. If they are located together then please include how many crystals are at that location.

We are excited about this project and hope that you will be too. Once the crystals have been properly catalogued we can then begin placing them on the map program. This will give us a good visualization on the Crystal Web. Thank you in advance for your participation in this wonderful project.

Bright Blessings,
The Order of Web Weavers

THE ORDER OF WORLD WALKERS

This Correllian order is headed by the Rev. Krystel High Correll and she is offering training for those who wish to join the order. The training consists of twelve lessons, one a month, for a year, offered through e-mail.

The purpose of this order is to fulfill the deeper purposes of the Correllian Tradition--advanced psychic and spiritual work, primarily conducted on multi-dimensional levels. This work includes:

Learning to connect and work with your spirit guides. Conscious dying and conscious incarnation. Advanced dream work. Exploring the known boundaries of the multi-dimensional universe, then conducting independent work to go beyond those boundaries. The study of time and advanced work within it. Soul rescue (helping those who are not aware they have died, or are not willing to cross over). Mediumship (being a voice for the so-called dead, visiting the land of the dead and communicating with them, and building a pathway between the living and the dead). Healing, both personal and of our Earth.

These purposes are divided among five houses that consist of the members who are dedicated to the work of the House.

The Order of World Walkers is a working order. The training is only the beginning. Each of the houses offer work that can be done for the rest of your life, if you choose to do it.

I believe that everyone who chooses to become a member of the order chose this before coming into this life time to continue work begun in other lives.

For more in-depth information, including the cost of the lessons, contact me at krystelneuman@yahoo.com

May You Blessed Be
Krystel
