Pagan Calendar August 22- 28

August 22 On this date in the year 1623, the Order of the Rosy Cross (a secret sect associated with alchemy and reincarnation) was established in Paris, France. The mysterious Rosicrucian brotherhood was condemned by officials of the Church as worshipers of Satan.

This day is sacred to Nu Kwa, an ancient Chinese goddess identified with the healing goddess Kuan Yin.

August 23 The Volcanalia festival was celebrated annually on this date in ancient Rome. It was dedicated to Vulcan, the god of volcanic eruptions, and celebrated by frying fish alive to ward off accidental fires.

Each year on this date in Athens, the ancient Greeks celebrated a festival dedicated to Nemesis, the goddess who presided over the fate of all men and women.

August 24 On this date (approximately), the Sun enters the astrological sign of Virgo. Persons born under the sign of the Virgin are said to be analytical, organized, meticulous, and often prone to being perfectionists. Virgo is an earth sign and is ruled by the planet Mercury.

August 25 An annual harvest festival called the Opiconsiva was celebrated on this date in ancient Rome in honor of the fertility and success goddess Ops (Rhea). Later in the year, she was honored again at the Opalia festival on December 19 (the third day of the Saturnalia).

August 26 The periodic rebirth of the Hindu god Krishna (eighth and principal avatar of Vishnu) is celebrated by his faithful worshipers at midnight services on this date.

In the country of Finland, this is the annual Feast Day of Ilmatar (or Luonnotar), known as the Water Mother. According to mythology, she created the Earth out of chaos.

August 27 Consus, the god of the grain-store, was celebrated annually on this date by the ancient Romans. Sacrifices were made in his honor, and all beasts of burden were embellished with wreaths of flowers and given a day of rest.

The Festival of Krishna is celebrated annually on this day in the country of India. It is also a sacred day dedicated to Devaki, the Mother-Goddess.

August 28 In the country of Norway, a Pagan festival celebrating the harvest is held on this date each year. Ancient Norse gods and goddesses are invoked to protect the spirit of the harvest throughout the dark half of the year.

Spell of the Week

CLOUD VAPORIZATION EXERCISE

Works best on a full moon but can be done anytime. This is good for strengthening psychic ability. You'll be surprised at how easy it is.

On a beautiful day, when the sky is blue to make a cloud disappear, here's what you do.
Pick a cloud of any size.
Stare hard for a minute.
Then close your eyes
Open them and you will find the cloud you chose has begun to unwind.
Focus hard, your energy send breathe into the cloud, don't let it mend.
Before too long, you'll be done and your cloud will be gone.

RITUAL OF ONENESS

Lay down in a dark place in whatever position feels most comfortable to you.
Visualize the darkness surrounding you glowing with a soft golden light.
As you inhale deeply, breathe that light into you and cleanse yourself with it.
See the light removing all impurities and disturbances.
Visualize the problems and disharmonies as a sickly green light.
As you exhale, this light comes forth from your mouth, taking with it all the bad things.
Do this until the light coming from your mouth is only golden. All the green is gone.

Now, as you continue to breathe slowly and deeply, visualize yourself descending a staircase.
With each step you take, feel your consciousness spread out a little more.
When you feel as though you are in tune with your surroundings, come to the bottom of the staircase.

Ahead of you see a long hallway that never stops. Staggered along this hall are doors.
Behind every door is a different peaceful scene.
If you want tranquillity, open a door to a tranquil scene.
If you want to do a love ritual, open another door.
Behind it you will feel the love that you will get from your intended.
For wealth, visualize you making money in what ever way, and it will happen so.
When you are ready, slowly walk up the stairs.
You will feel your consciousness returning to normal as you go higher.
You will awake feeling renewed and confidant.

Stargazing Information

Teapot-shaped Sagittarius and hook-shaped Scorpius highlight August's evening skies. They skitter low across the south during the night. Saturn and Spica remain teamed, as they have been all year, although they are preparing to disappear in the Sun's glare. Mars climbs a little higher from the Sun in the morning sky, while Jupiter enters the evening sky by month's end.

This Week's Stargazing Tips

August 21, 2011 The planet Venus passed behind the Sun a few days ago, moving from morning sky to evening sky. It's still too close to the Sun to see, though. In fact, we won't get a good look at it until around Halloween.

August 22, 2011 The planet Neptune is putting on its best showing of the year. It lines up opposite the Sun, so it rises at sunset and remains visible all night. It's brightest for the year, too. Even so, you need a telescope to see it, in the constellation Aquarius.

August 23, 2011 If you have dark skies and a telescope, this is a good time to look for the giant but distant planet Neptune. It lines up opposite the Sun, so it is brightest for the year and in view all night. It looks like a tiny blue-green star in Aquarius.

August 24, 2011 Look for the planet Mars huddled quite close to the crescent Moon early tomorrow. They rise around 3 a.m. and are well up in the east at first light. Mars looks like a bright orange star just to the left or upper left of the Moon.

August 25, 2011 Summer may be starting to wind down but the season's signature star pattern remains in great view. The Summer Triangle is high in the east at nightfall. Its brightest star, Vega, is highest in the sky then, with Deneb to its lower left and Altair farther to its lower right.

August 26, 2011 Venture outdoors a couple of hours after sunset and you will find Aquarius rising in the east, followed closely by Pisces. The celestial scorpion, Scorpius, makes its way across the southern horizon, while Virgo sets in the west.

August 27, 2011 The Milky Way arches high overhead this evening, its subtle glow outlining the disk of our home galaxy. The Milky Way is just one of the billions of galaxies that inhabit our universe. Each galaxy is an "island universe" of millions or billions of stars.

Wolfciara's Wiccan World

Merry Meet fellow Wiccans to my Wiccan World

Then, yet another week has passed away, and I can feel that outside is the autumn on its way. I have heard the geese fly over, and when they are starting to fly south the autumn is soon here. My vegetables outside are growing nicely and we will have some to enjoy when the winter is starting later on this year. I have been out with the dogs, with my husband, and we have had many laughs and fun times outside. On Thursday, we had a student (he is studying "Image-journalism") in a school nearby in the community, which had as an assignment to take pictures of "People in meetings". He was taking pictures of us and the dogs, and he shall send the images that he took, to us after he had his assignment valuated. It was a little bit strange to be the object, but it worked out fine. I do hope that they turn out to be good pictures he took of us four as objects for him.

My week has been one with a lot of surprises, as I got 2 Swedish students to mentor in 1st Degree. I am looking forward to see their progress during the next couple of months. I also got new students to mentor in the General student program. I just love to be able to help them, and want the best for them, which is to be there and answer the questions they may have about the specific course. This week was the end of vacation from Mentor questions in the study-group I belong too. We have had 6 mentor trainees in the group, and they need to train on being one. Therefore, we had them in our study-group for 3 weeks. They passed the mentor training, and I would like to congratulate all of the mentors. You have done a great job, and I know that it will work fine for you in the future.

I have had my first own Gaia-ritual, and it was a nice and heart warming experience. I had an own written Ritual, and the participants thought it was a lovely Ritual. I thank you all for the praise, and I hope I will be equally good next month. I will have a fresh and new Ritual written for that. I am planning on writing a new one for each Gaia-ritual, and I hope that I can fulfil that promise to myself, too. I have also been a stand-in for the Ritual leader in the US healing Ritual, on Friday. That also went very well, and I had actually found a Ritual that we did about 6 years ago. It was really strange though, as in the UK Ritual, the Ritual leader (not me) had found almost the similar Ritual. I shall go through my newly found files with Rituals that are from 2005 and forward and see what treasures I can find that we can use in the Friday healing Rituals. It will be a fun project to go through, and I wonder what I will find.

I have also my Rune-course to continue with, and I have as I feel gathered all the things that I need for my booklet. I will then from the booklet, take the things needed to hold my course. I just feel at the moment, that I want to be outdoors as much as I can. I will type that into a computer-file, when the weather changes and I can't sit outside in the backyard anymore. I am taking any opportunity to sit outside, and take advantage of the warm weather.

My suggestion for this week is; take the time to go out in the outdoors and experience the last bit of our summer that we on the Northern hemisphere actually have left.

Take care until Monday. Love to you all, always.

Blessed be all of you.

Love and Light, Hugz and Blessings

Poetry Place

The Town Witch By Madison Cawein

Crab-faced, crab-tongued, with deep-set eyes that glared,
Unfriendly and unfriended lived the crone
Upon the common in her hut, alone,
Past which but seldom any villager fared.
Some said she was a witch and rode, wild-haired,
to devils' revels: on her hearth's rough stone
A fiend sat ever with gaunt eyes that shone-
A shaggy hound whose fangs at all were bared.
So one day, when a neighbour's cow had died
And some one's infant sickened, *good* men shut
The crone in prison: dragged to court and tried:
Then hung her for a witch and burnt her hut. -
Days after, on her grave, all skin and bones
They found the dog, and him they killed with stones.!

### Spanish Wiccan Blog and Podcast

Wiccan blog and podcast in Spanish, 13 lunas (13 moons), created and maintained by Rev. Clara Fuentes (aka Harwe Tuileva), a Correllian priestess from Spain.

The blog seeks to keep Pagans and Wiccans from all the Spanish-speaking countries informed by means of an easy access format, and, of course, for free. Besides, the recent creation of a radio program in the form of a podcast completes this successful project that is currently receiving more than 400 visits per day at its website. The wonderful reception granted by the Spanish-speaking community reflects the need of more information of the Pagan and Wiccan community, which was looking forward to counting on this kind of initiatives in their own language.

The blog can be found at <http://www.13-lunas.com>.

For more information please contact Rev. Harwe Tuileva: [harwe1982@hotmail.com](mailto:harwe1982@hotmail.com)

## **The Order of Web Weavers Crystal Web Mapping Project**

The Order of the Web Weavers has been working diligently on mapping the Crystal Web. If any of you have a crystal that you have added or removed from the Crystal Web contact us to ensure are records up to date and accurate.

The information we need in order to best catalogue your crystal/s is the following. Your Craft Name and E-mail Address along with your City, State, Country, Latitude, and Longitude. Sent to the following e-mail address: [wwcw@correllianorders.info](mailto:wwcw@correllianorders.info)

Please include the above information, if you have removed your crystal from the Crystal Web along with 'Remove' in the subject line. If you have added several crystals then we would need a separate entry for each crystal, unless they are located together. If they are located together then please include how many crystals are at that location.

We are excited about this project and hope that you will be too. Once the crystals have been properly catalogued we can then begin placing them on the map program. This will give us a good visualization on the Crystal Web. Thank you in advance for your participation in this wonderful project.

Bright Blessings,  
The Order of Web Weavers

## **The Order of World Walkers**

This Correllian order is headed by the Rev. Krystal High Correll and she is offering training for those who wish to join the order. The training consists of twelve lessons, one a month, for a year, offered through e-mail.

The purpose of this order is to fulfill the deeper purposes of the Correllian Tradition--advanced psychic and spiritual work, primarily conducted on multi-dimensional levels. This work includes:

Learning to connect and work with your spirit guides. Conscious dying and conscious incarnation. Advanced dream work. Exploring the known boundaries of the multi-dimensional universe, then conducting independent work to go beyond those boundaries. The study of time and advanced work within it. Soul rescue (helping those who are not aware they have died, or are not willing to cross over). Mediumship (being a voice for the so-called dead, visiting the land of the dead and communicating with them, and building a pathway between the living and the dead). Healing, both personal and of our Earth.

These purposes are divided among five houses that consist of the members who are dedicated to the work of the House.

The Order of World Walkers is a working order. The training is only the beginning. Each of the houses offer work that can be done for the rest of your life, if you choose to do it.

I believe that everyone who chooses to become a member of the order chose this before coming into this life time to continue work begun in other lives.

For more in-depth information, including the cost of the lessons, contact me at [krystalneuman@yahoo.com](mailto:krystalneuman@yahoo.com)

May You Blessed Be  
Krystal
