Pagan Calendar 9 – 15 May

May 16 On this date in the year 1918, famous Italian spiritualist-medium Eusapia Palladino passed away. She was best remembered for her ability to enter a state of trance and levitate during seances.

May 17 In the Philippines, a Neo-Pagan fertility ritual is celebrated every year on this date by married couples who wish to have children. The rites (dedicated to Santa Clara) continue until the nineteenth of May.

May 18 The Feast of Twins. On this day, festivals honoring twins are held annually in the African republic of Nigeria. It is widely believed among the Yoruba people that all twins are born with abundant magickal and supernatural powers.

May 19 On this day in the year 1780, a strange and unexplained darkness draped most of New England, turning daytime into night. Many folks believed that a Salem Witch's curse was responsible for the day of darkness, since no other explanation for the phenomenon has ever been found.

May 20 On this date, a sacred festival called the Plynteria was celebrated annually in ancient Greece. The festival was held in honor of Athena, the goddess of wisdom and battle, and the patroness of the city of Athens (which was named after her), and included the ritual sea cleansing of her statue, followed by prayers in the Parthenon and feasting.

May 21 On this date in the year 1911, Peter Hurkos was born in the Netherlands. He developed astonishing psychic powers after recovering from a coma, and became world-famous for solving crimes through the divinatory art of psychometry. He passed away in Los Angeles on

May 25, 1988. On this date in the year 1946, Gwydion Pendderwen was born in Berkeley, California. He was a Celtic bard, a cofounder of the Faery Tradition of Witchcraft, and the founder of a Neo-Pagan networking organization called Nemeton. He died in the Autumn of 1982 as a result of a tragic automobile accident.

May 22 On this date (approximately), the Sun enters the astrological sign of Gemini. Persons born under the sign of the Twins are said to be communicative, curious, charming, and often nervous and fickle. Gemini is an air sign and is ruled by the planet Mercury.

Magical ingredient of the week: Basil

Rev. Electra

The ruler of this herb is Mars and in magic its fresh and dried form is used. It is considered a lust herb, since its powerful aroma calls forth the sexual energy. Basil can also be burnt to increase sensual pleasures .if you need to reawaken the sex drive in a relationship, place some dried leaves under your bed. Eat basil on a Tuesday to summon physical strength or on a Wednesday to open channels of communication. It is also used for protection and abundance.

Spell of the Week

<http://www.magicspells.in/>

PSYCHIC SIGHT SPELL

A spell to open the third eye.

Fill a small purple bag (or a piece of cloth that you can wrap herbs in and tie up) with as many of the following herbs as you can: --mugwort acacia honeysuckle peppermint rosemary thyme yarrow --cloves dandelion lilac lavender Calendula - (marigold)

Gather the edges of the cloth and tie a string around it if you are using a cloth, or if you used a small purple bag, tie it shut. (Drawstring bags work best.)

Using a dark violet marker, draw an eye on the front of the bag. Rub the bag on the third eye Chakra (forehead) whenever performing divination or needing psychic sight, and sleep with it under your pillow every night.

PSYCHIC PROTECTION SPELL

You Will Need:

-- Protection Incense (herbs or oils work fine also) Black 8" Taper Candle It is best to find a work area that you can leave untouched for three days. If you must put away your tools, try to at least keep your spell candle out in the open. This spell is used to protect yourself from mental attacks.

Prepare your work area by setting up any tools you may use in addition to your spell candle. Love or protection incense is recommended (herbs or oils can also be used). While setting up your area, concentrate on the purpose of your work.

Bathe in purification herbs, or with your favorite bath salts. While you are bathing, concentrate again on the purpose of your spell. Do not let negative thoughts enter your mind. After bathing, go to your work area. Cast a circle and light some incense. Envision a large, white ball of light surrounding you, your work area, and your home.

Hold the candle between the palms of your hands and direct all of your positive energy into the candle. Place the candle in its candle holder. Prior to lighting the candle, say (either aloud, or to yourself):

"This candle represents protection over me in all things"

Light the candle and say (either aloud or to yourself):

"As the light of this flame grows, I can feel the light and positive energy around me.

As this candle burns, everything around me is blessed with light and love. I am blessed with light and love. Negative energy is being banished."

Sit back and watch the candle burn. Keep visualizing the white ball of light and protection around you. Envision your Higher Power blessing you and protecting you from harm.

See yourself blessing whoever or whatever it is that brings harm to you.

Bless them so that they may be happy and will no longer wish to cause you harm.

Feel the peace and love.

When the candle had burned 1/3 of the way, say

"As the flame of the candle is extinguished--evil, negativity, and harm towards me is banished."

Extinguish the candle- don't blow it out, though! Just muffle it or pinch the flame out, many believe blowing a candle out diverts the energy and shows disrespect.

Repeat this for two more nights. On the last night, after the candle has burned away and the leftover wax has cooled, discard the wax in the garbage to symbolize throwing away that which causes you harm.

Stargazing Information

<http://stardate.org/nightsky>

There's a planet pile-up in the east shortly before dawn this month. Venus — the brightest object in the night sky after the Moon — is the dominant player as the month begins, but Jupiter, which ranks right behind Venus, takes over by month's end. Mercury briefly joins them, but it's much fainter. Mars is also nearby, but it is closer to the Sun and almost impossible to find in the dawn glare.

This Week's Stargazing Tips

May 16, 2011

Pollux and Castor, the "twins" of Gemini, are high in the west as night falls, with Pollux to the left and Castor to the right. Castor is a system of at least six stars, divided into three close pairs.

May 17, 2011

Antares, the bright orange star at the heart of Scorpius, the scorpion, rises just below the Moon a couple of hours after sunset tonight and remains close to the Moon all night.

May 18, 2011

The planet Saturn, which looks like a bright golden star, is high in the south at nightfall. One of the stars of Virgo is just a whisker away. Through a telescope, Saturn's largest moon, Titan, looks like a tiny star quite close to the planet.

May 19, 2011

The Big Dipper hangs high in the north as darkness falls this evening. It is upside down, with the stars of the handle to the right of the bowl. If you extend the handle's arc, you loop to the bright stars Arcturus and Spica, forming a giant semicircle.

May 20, 2011

The North Star, Polaris, stands due north every night of the year, anchoring the sky as the other stars wheel around it. Its altitude reveals your latitude. From 30 degrees north, Polaris stands 30 degrees up; from 40 degrees north, 40 degrees up, and so on.

May 21, 2011

Leo is nosing toward the western horizon on May evenings. He is well up in the south and southwest as night falls, with Regulus, the lion's bright "heart," leading the way. A curved pattern of stars that outlines Leo's head and mane curls to the upper right of Regulus.

Poetry Place

“The Poet’s Spell”

We met once in a dream, or so I did surmise,
In a vast space of endless nothingness, lit only by his eyes.

He did not speak nor did he move I was held a captive in his gaze.
Pulled into his necromantic kingdom, when Master calls the slave obeys.

Enchanted by his deviltry, entranced by visions of his kiss, I let loose my
Grip on reality and slipped into his sweet abyss.

Willing led down into his realm, he was all that I desired.
How could this be? A Witch bewitched? With what demons had he conspired?

There in the dark he read to me his clever, velvet words,
They brushed so softly against my soul, like the wings of hummingbirds.

Entangled in the web he spun, the magick flowing from his lips,
Such a beautiful, tormented man lived there in his scripts.

Then suddenly his eyes grew dark as he drew his dagger quill,
Brushing off his book of sorrows the pages he began to fill.

Pain became his lover then, I watch as she swooped in,
Cloaking him in her iron wings as she had time and time again.

There they danced so feverently, her laughter mingling with his screams;
I closed my eyes and held my breath praying to be awakened from this dream.

When her storm had passed and she'd had her fill, he lay broken on the ground,
Quill still in hand, torn and tattered now, blood pooling all around.

I knelt by him on that cold, dank ground, brushing back his chestnut hair,
His face so still and peaceful, at rest and without care.

There next to him the sacred book, his soul spilled out on the pages,
His heart now freed, his spirit released, all beasts set from their cages.

How long would he sleep, his dreams free of the wraiths? When would he wake again?
To haunt my nights and steal my heart with mere parchment and with pen.

Spanish Wiccan Blog and Podcast

Wiccan blog and podcast in Spanish, 13 lunas (13 moons), created and maintained by Rev. Clara Fuentes (aka Harwe Tuileva), a Correllian priestess from Spain.

The blog seeks to keep Pagans and Wiccans from all the Spanish-speaking countries informed by means of an easy access format, and, of course, for free. Besides, the recent creation of a radio program in the form of a podcast completes this successful project that is currently receiving more than 400 visits per day at its website. The wonderful reception granted by the Spanish-speaking community reflects the need of more information of the Pagan and Wiccan community, which was looking forward to counting on this kind of initiatives in their own language.

The blog can be found at <http://www.13-lunas.com>.

The Order of Web Weavers Crystal Web Mapping Project

The Order of the Web Weavers has been working diligently on mapping the Crystal Web. If any of you have a crystal that you have added or removed from the Crystal Web contact us to ensure are records up to date and accurate.

The information we need in order to best catalogue your crystal/s is the following. Your Craft Name and E-mail Address along with your City, State, Country, Latitude, and Longitude. Sent to the following e-mail address: wwcw@correllianorders.info

Please include the above information, if you have removed your crystal from the Crystal Web along with 'Remove' in the subject line. If you have added several crystals then we would need a separate entry for each crystal, unless they are located together. If they are located together then please include how many crystals are at that location.

We are excited about this project and hope that you will be too. Once the crystals have been properly catalogued we can then begin placing them on the map program. This will give us a good visualization on the Crystal Web. Thank you in advance for your participation in this wonderful project.

Bright Blessings,
The Order of Web Weavers

The Order of World Walkers

This Correllian order is headed by the Rev. Krystel High Correll and she is offering training for those who wish to join the order. The training consists of twelve lessons, one a month, for a year, offered through e-mail.

The purpose of this order is to fulfill the deeper purposes of the Correllian Tradition--advanced psychic and spiritual work, primarily conducted on multi-dimensional levels. This work includes:

Learning to connect and work with your spirit guides. Conscious dying and conscious incarnation. Advanced dream work. Exploring the known boundaries of the multi-dimensional universe, then conducting independent work to go beyond those boundaries. The study of time and advanced work within it. Soul rescue (helping those who are not aware they have died, or are not willing to cross over). Mediumship (being a voice for the so-called dead, visiting the land of the dead and communicating with them, and building a pathway between the living and the dead). Healing, both personal and of our Earth.

These purposes are divided among five houses that consist of the members who are dedicated to the work of the House.

The Order of World Walkers is a working order. The training is only the beginning. Each of the houses offer work that can be done for the rest of your life, if you choose to do it.

I believe that everyone who chooses to become a member of the order chose this before coming into this life time to continue work begun in other lives.

For more in-depth information, including the cost of the lessons, contact me at krystelneuman@yahoo.com

May You Blessed Be
Krystel

Order of Peace Weavers

The Order of Peace Weavers was created to provide members of the Correllian Tradition with the means of gathering together to collectively promote the weaving of peace into the fabric of society through meditation, prayer, Reiki, visualization, spell working, ritual, creative writing, intentional art and music, and other positive energy work and light work, with harm to none, and for the highest good of all concerned.

The motto of the Order of Peace Weavers is: "Be Peace, Live Peace, Send Love, Weave Peace." We hold a monthly 15 minute group peace meditation on the first Wednesday of every month and would love to have more join us to promote peace.

The Order of Peace Weavers is a chartered order of the Correllian Tradition. Membership is by invitation or application and is open to Inner and Outer Court members.

For more information, please find us at <http://groups.yahoo.com/group/orderofpeaceweavers/> or contact moonraven3x3@yahoo.com.
