# Why do Pagans care about retrograde motion?

Jennifer Clark

In a nutshell, a planet in retrograde is signalling people to slow down, back up, and take another look at things. That statement is a gross over-simplification, but it points you in the right direction for understanding.

Let's start with the idea of taking another look at things. What you should review is indicated by which planet is in retrograde. We have eight of them to consider:

Mercury - rules over communication and travel

Venus - rules over socializing and love

Mars - rules over action and aggression

Jupiter - rules over expansion and depth

Saturn - rules over restrictions and limits

Uranus - rules over destruction and revolution

Neptune - rules over transformation and lack of distinction

Pluto - rules over regeneration and sudden emergence of new forces

The problem with retrogrades is that our lives don't always allow us to slow down and reflect. We have schedules and deadlines. We have responsibilities and we have desires. If we are to successfully deal with all those complexities of life, we would be wise to step back and look at the bigger picture every once in a while. How many times have we found ourselves running from crisis to crisis? And how many times could we have avoided that nightmare if we had only stepped outside of the ruckus for a little while? Whether you believe the motion of the planets plays any part in creating that ruckus or not, making the time to remove yourself from it is a good idea. Retrogrades, if nothing else, serve as a reminder to do exactly that.

## **Recommendations for retrogrades:**

Tie up loose ends. Don't initiate anything related to the theme or energy of the planet that is in retrograde; that completely side-steps the point. Use the time to finish something you already started, review something you already learned, or research and investigate material related to the area the retrograde planet rules.

Prepare for the worst to happen during the two days before the planet seems to stop in the sky. In astrological terms, this is when the planet "stations." A great many people are convinced that a planet slowing to a stop creates a great deal of havoc in the areas that planet rules. Watch for yourself and make your own decision. Perhaps you want to prepare for the worst, like so many advise. Being prepared won't hurt and you can still hope for the best. Magic carries an extra wallop when the planet turns direct again -- that is, resumes its forward motion. It's like a baseball pitcher leaning back, winding up and throwing a fastball. Of course, only magic related to the areas that planet rules is impacted.

## **When the planets station (stop):**

Check out Planetary Stations - Retrograde Planets from AstrologyWeekly.com for a chronological listing of stations. This site will tell you whether the planet is turning retrograde (backwards) or direct (forwards) and where in the sky it takes places.

## Dates of Note for This Week

### **May 2nd is sacred to Elena.**

She is Helen or Elen, the goddess of holy roads or "ways" in Britain and Wales. She is also Elaine in Arthurian legend.

### **May 3rd is Bona Dea Eve.**

Bona Dea is a Roman tradition. The words "Bona Dea" translate as the "Good Goddess." May 3rd is the eve of Her holy day.

### **May 4th is Bona Dea.**

Bona Dea, the "Good Goddess" of Roman tradition is celebrated today (or perhaps May 1st -- sources differ). The holy day centers on the mysteries of women and the hawthorn tree. It is also known as the Veneration of the Thorn.

### **May 5th is the last quarter moon.**

We are on the waning side of the lunar cycle. The sun sets and the moon rises later and later in the evening. The moon is only 1/4 illuminated at 4:16 Universal Time on May 6th, which translates to 11:15pm on May 5th for those of us in Central Daylight Time.

### **May 6th remembers a Pagan martyr.**

Yes, Pagans have been martyred, too. I don't think any religion that has ever existed can claim a corner on the martyr market. May 6th is specifically recognized for Eyvind Kelve. He was a Norwegian Pagan in a time when King Olaf Trygvason was converting his country to a new religion (Christianity). Eyvind refused to deny his faith in the Old Gods. As a result, the king order Eyvind be punished with death. He was tortured and then drowned for staying true to his Gods. Thus, Eyvind Kelve became a Pagan martyr.

## Goddess Bona Dea

In Roman mythology, Bona Dea (literally "the good goddess") was the goddess of fertility, healing, virginity, and women. She was the daughter of the god Faunus and was often referred to as Fauna.

Bona Dea was the perpetually virginal goddess, associated with virginity and fertility in women. She was also associated with healing, with the sick being tended to in her temple garden with medicinal herbs. She was regarded with great reverence by lower-class citizens, slaves and women who went to her seeking aid in sickness or for fertility.

She was worshipped in a temple on the Aventine Hill, but her secret rites were performed in the home of a prominent Roman magistrate. The rites were held on December 4, and only included women. Even paintings or drawings of men or male animals were forbidden, along with the words "wine" and "myrtle" because she had once been beaten by Faunus with a myrtle stick after she got drunk. The rites were conducted annually by the wife of the senior magistrate present in Rome and were assisted by the Vestal Virgins. Very little is known about the ceremony, but the worship seems to have been agricultural in origin. The most famous event to do with this festival was its desecration by the man Publius Clodius in 62 BC by secretly attending the ceremony at the house of the pontifex maximus, Julius Caesar. During the ensuing trial, Clodius' alibi was destroyed by Cicero, which caused the animosity that would define their relationship from then on.

Bona Dea is usually depicted sitting on a throne, holding a cornucopia. The snake is her attribute, a symbol of healing, and consecrated snakes were kept in her temple at Rome, indicating her phallic nature. Her image frequently occurred on ancient Roman coins.

### Definition:

Bona Dea means 'good goddess'. Bona Dea is not the name of a specific goddess, although Fauna is sometimes associated with the title 'Bona Dea'. The Bona Dea was an ancient festival held at the start of May, on the kalends. The Bona Dea also had movable feast in December. During the May Bona Dea celebration a pregnant sow was sacrificed to Mother Earth and Ceres. The celebration was for women only, patrician, free, and slave. This means not even male animals were allowed. Nor were myrtle branches. Women consumed wine at the festival, but since wine was officially taboo for women, it was called "milk." The worship of the Bona Dea was part of a mystery religion.

## Correllian Clergy Degree Program

A new membership has been created called the Correllian Clergy Degree Program. This is a 3-year program that can help you earn your Wiccan Degrees and Legal Clergy Status. Of course every lifetime and supporting member has access to this main program.

The purpose of this level is for those individuals who are interested in gaining their clergy status, and this offers an opportunity for members to do so affordably.

This program is only \$49.99. To find out more:  
<http://www.Witchschool.com/clergydegree.asp>

## Witchschool Referral Program

Witch School, our long-time educational partner, has made an offer to the Tradition and its member Temples and groups.

Witch School has created a new Referral Program. The Tradition itself has enrolled in this program – as you can see from the button in the left-hand menu on [correllian.com](http://correllian.com). You are encourage to consider enrolling your Temple or group as well, as a means of generating potential passive income.

The program works like this: members receive their own button which they can put on their website, in their email signature, etc... offering Witch School memberships. If anyone purchases a membership through your button, you will receive (approximately) 25% of the payment –that is \$4 of a \$19.99 yearly membership, or \$25 of a \$99.99 Lifetime Membership.

Each button has its own unique code which tracks payments made through it. If someone buys a membership through your button, then you get the abovementioned 25%.

If you are interested in finding out more about this program, or in signing up for it, go to [www.witchschool.biz](http://www.witchschool.biz).

Witch School are offering a discount on supplies to Correllian Temples and groups in good standing: for example the Witch School books at 40% off cover price, and other discounts on the various items the school produces. If you would like to learn more about this, contact Lady Virginia at [Virginia@witchschool.com](mailto:Virginia@witchschool.com) and she will be happy to explain further.

These offers are being extended to all of our Correllian Temples, Proto-Temples, Witan Shrines, Formal Shrines, Personal Shrines, Orders, and Study Groups who might wish to sign up.

## THE ORDER OF WEB WEAVERS CRYSTAL WEB MAPPING PROJECT

The Order of the Web Weavers has been working diligently on mapping the Crystal Web. If any of you have a crystal that you have added or removed from the Crystal Web contact us to ensure are records up to date and accurate.

The information we need in order to best catalogue your crystal/s is the following. Your Craft Name and E-mail Address along with your City, State, Country, Latitude, and Longitude. Sent to the following e-mail address: [wwcw@correllianorders.info](mailto:wwcw@correllianorders.info)

Please include the above information, if you have removed your crystal from the Crystal Web along with 'Remove' in the subject line. If you have added several crystals then we would need a separate entry for each crystal, unless they are located together. If they are located together then please include how many crystals are at that location.

We are excited about this project and hope that you will be too. Once the crystals have been properly catalogued we can then begin placing them on the map program. This will give us a good visualization on the Crystal Web. Thank you in advance for your participation in this wonderful project.

Bright Blessings,  
The Order of Web Weavers

## THE ORDER OF WORLD WALKERS

This Correllian order is headed by the Rev. Krystel High Correll and she is offering training for those who wish to join the order. The training consists of twelve lessons, one a month, for a year, offered through e-mail.

The purpose of this order is to fulfill the deeper purposes of the Correllian Tradition--advanced psychic and spiritual work, primarily conducted on multi-dimensional levels. This work includes:

Learning to connect and work with your spirit guides. Conscious dying and conscious incarnation. Advanced dream work. Exploring the known boundaries of the multi-dimensional universe, then conducting independent work to go beyond those boundaries. The study of time and advanced work within it. Soul rescue (helping those who are not aware they have died, or are not willing to cross over). Mediumship (being a voice for the so-called dead, visiting the land of the dead and communicating with them, and building a pathway between the living and the dead). Healing, both personal and of our Earth.

These purposes are divided among five houses that consist of the members who are dedicated to the work of the House.

The Order of World Walkers is a working order. The training is only the beginning. Each of the houses offer work that can be done for the rest of your life, if you choose to do it.

I believe that everyone who chooses to become a member of the order chose this before coming into this life time to continue work begun in other lives.

For more in-depth information, including the cost of the lessons, contact me at [krystelneuman@yahoo.com](mailto:krystelneuman@yahoo.com)

May You Blessed Be  
Krystel
