Animal Totems part 20. land animal totems

Each totem carries messages and information for us. This is known as their medicine.

Rhinoceros

The rhino is one of the world's largest land mammals and is sadly endangered.

A generally passive creature, it is capable of sustained aggression when threatened and this dual nature is evidence in its functions as a totem. An Earth animal, the rhino reminds us to connect to Mother Earth and the glory of Creation, but it also possesses aggression fueled by the sun.

The rhino brings us judgment, longevity grounding, peace, assurance, and perceptive powers. When rhino appears in your dreams he brings peace to a troubled mind and enables you to see the way out of a problem whether by mundane or spiritual means. The rhino also reminds us that things are not always what they seem, and teaches us to look again at a problem to find the hidden depths. Ask rhino to give you stability and strength, and let him lead you through the maze of life.

The rhino horn, the cause of the species demise at the hands of trophy hunters and others, is simply an outgrowth of skin, but it possesses a spiritual magick. This power may be accessed through your totem rhino, there is NEVER a need to possess the horn itself and indeed, to do so, will negate all spiritual power. Ask rhino to share the power of his horn, the psychic powers, the protection, and the inner awareness that it possesses.

Spend some time with the rhino and in him you will have a wonderful companion and guide on the journey through life. Respect him and honour him in the mundane and the spiritual world.

Tarot

Rev. Leona

The Tarot card for today is Six of Swords

Key terms for this card are Healing, Moving Away, and Defending Loved Ones

Message of Six of Swords

The Six of Swords comes into your life with a challenge. Someone you care for is being threatened and you are feeling that you are the only one who is capable to help them. This is a trying time as you want to help but you are not sure which path to take to help them. You want them to be able to stand on their own feet and not take their own freedom of choice away. You will find that today people you care for are being confronted with legal issues that you are not sure how to help out. This is a time when you have to be strong and make a decision that will affect the future for you as well as for them. This is a time when any decision made can help or harm the situation. All decision will have consequences and you need to make the choice that you feel drawn to. This is a time for you to do what needs to be done to help and protect those you care for.

The Six of Swords is a card that brings with it healing. There will be conflicts as come with all of the Sword cards but the result of this conflict will bring peace and healing to all those involved. This is a situation that you must face head on. Do not allow others to distract you with their own issues. You must remain strong and be willing to face the truth of the situation. By being strong and moving forward instead of running away you will be able to clear this situation up with speed. The Six of Swords also brings with it the need for travel. This will be a time when you will have to take a long trip in order to finally solve the problem. By taking the effort to move towards resolution you will be able to show those involved that you are true and that you are willing and this will soften the situation and will allow for peace to rain.

The Six of Swords allows you to travel away from strife and to travel away from negativity and anxiety. With this card you will find yourself floating along a cool and smooth path. This is the time for healing and peace. Now is the time for you to let go of all the guilt and all of the worry that you have been carrying for a long time. This is the place of new beginnings. You have made the progress necessary and you have been able to see what needs to be done and what you have to let go of. This is the time for you to understand that the hardest fights we face are the ones in our heads. You have built up fear for this situation and now that you have able to resolve you can leave the nightmares you have created and make out for a new life.

The Six of Swords wants you to look to resolution. This is the time for you to see and dissect the situation. The only way for you to find the answers is to understand all the parts. By using a scientific approach you will be able to use your logic and to use your own knowledge to find the best and most feasible solution to the problem. By clearing away the fears you will be able to understand where the miscommunication began and clear it away so that all involved will be able to finally find peace.

Meditation for Six of Swords

Meditations for this month will require one candle and a journal.

Find a nice quiet place where you will be able to sit quietly without being disturbed.

Take a deep breath and feel your body let go and begin to relax.

With each deep breath you take allow the stress and anxiety to leave your body.

Find your center and allow yourself to let go and relax.

When you are ready light your candle and close your eyes.

Focus on the following questions.

What pains are you ready to let go of?

What can you move away from?

What are the arguments and conflicts that you need to resolve?

Write your answers in your journal and focus on the following questions.

What can you do to bring peace to this situation?

What do you have to do to really let go of the guilt and the fear?

Are you ready to make this step?

Write your answers in your journal and when you are ready open your eyes and extinguish the candle.

Now is the time to face the new path ahead.

Multifaith Calendar – Coming up:

Sikh: Birthday of Guru Hargobind (Nanakshahi calendar)

Guru Har Gobind also *Sacha Badshah* 1595–1644) was the sixth of the Ten Gurus of Sikhism and became Guru on 25 May 1606 following in the footsteps of his father Guru Arjan Dev. He was the sixth Guru in Sikhism. He was not, perhaps, more than eleven at his father's execution. Before ascension, he nominated Guru Har Rai, his grandson as the next Guru of the Sikhs.

Guru Har Gobind was combined in his personality a saint, sportsman and a soldier. His father Guru Arjan Dev was a true saint but the boy Har Gobind had perceived his father's saintliness suffer and erode at the brutal hands of Mughal tyranny. From the very beginning he was the deadly enemy of Mughals.

Guru Har Gobind was born in Amritsar, Punjab, India on 19 June 1595. When little more than a child Guru Har Gobind was convinced that sustaining the Panth sword was as essential as saintliness. He put on two swords one of which indicated his spiritual authority and the other his temporal authority. He hence advocated that a Sikh Guru would represent both the Miri and Piri, the Shakti which symbolises power and Bhakti which symbolises meditation and the Togh (Sword) and Degh (Large iron plate used for making bread in India). He decided to wear at his waist two swords instead of one, to chastise the oppressor and to protect the innocent. He declared that the Guru's house would henceforth combine the spiritual and the mundane powers, his rosary would serve also as his sword-belt and an emblem of regality would crown his turban. He built the Akal Takht, the Throne of the Almighty. He would sit in a regular court with regalia around. Sikhs were commanded to keep a sword and maintain a horse. He enrolled a large number of armed volunteers and even Pathans were welcome to join him. He asked his followers to offer him horses and weapons, instead of money. The character of Guru Nanak's Sikhism and the humming melodies of his sangats (followers) had with Guru Har Gobind combined with them the dazzling brilliance and the deafening sound of swords. Guru Har Gobind breathed his last, peacefully, at Kiratpur Rupnagar, Punjab on 2 March 1644.

The following is a summary of the main highlights of Guru Har Gobind's life:

- Transformed the Sikh fraternity by introducing martial arts and weapons for the defence of the masses following his father's martyrdom.
- Militarised the Sikh movement—carried two swords of Miri and Piri.
- Built the Akal Takht in 1608—which is now one of five Takhts (Seats of Power) of the Sikhs.
- Founded the city of Kiratpur in District Jalandhar, Punjab.
- He was imprisoned in the fort of Gwalior for one year and on release insisted that 52 fellow prisoners be freed as well. To mark this occasion the Sikhs celebrate Diwali (bandi chod divas).
- The first Guru to engage in warfare.
- Fought four battles against the Mughal rulers.
- The strongest and the biggest Guru physically.
- The city Hargobindpur, in Majha region of Punjab, is named after him, which he won over from Mughals after defeating them in a battle.

Quote & Thought of the Date

Rev. Nehal

Quote of the Day:

Through difficult experiences, life sometimes becomes more meaningful.

Dalai Lama

Source: www.ascensiongateway.com

Thought of the day:

Go beyond what you know you can do. And just like that, you'll know you can do more.

Go beyond again, and again. Grow past the limitations you've imagined, a little bit at a time.

Challenge yourself, and then do what it takes to meet the challenge. As you feel your strength increasing, resolve to add to it through your own efforts.

The way to have real confidence is to build it. Every day is your opportunity to make yourself more confident, competent and effective.

The skills and abilities that seem out of reach are really just a number of steps away. Challenge yourself toward them, and with each effort you move closer.

Push yourself beyond the familiar, beyond the comfortable, and into a higher level of ability. Feel the unique joy of breaking through your limitations again and again.

Poets Retreat

Poetry supplied by members of the Order of Bards

And Time Stood Still

The outside world abandoned
wrapped in love's abyss
we stole the quick and fleeting time
by taking passion's kiss.

With arms wrapped round' these bodies
I felt Spirit whisper through
as you took from me the breath of love
and I right back from you.

It filled me with the pleasure
the Goddess meant to be
and god looked there upon us
and stole a kiss, or three.

I saw them as they both embraced
for they could see that we
knew the mysteries of their passion;
knew the magick meant to be.

My hand upon your face
as you kissed me so divine
my fingers touched your lips that bade
for even more of mine.

Your hands that held me tightly
in heated kiss embrace;
I felt as one together
I felt no time nor space.

For I was also "with" you
in body and in soul
and in your arms I melted
and prayed to be the "one";

The one in brief encounter
who clouds your very thoughts
of always knowing passion,
of always wanting "us".

You looked into my eyes
and in them I saw me
forever wanting you
to forever want of me.

I saw perhaps a fleeting thought
right there in your eyes
but then again I think you fear
what you see in MY eyes.

I'm even more convinced now
our meeting meant to be.
You treat me like a Goddess
and the god I see in thee.

So two celestial bodies
of light and energy
become the whole of beauty
from chaos unleashed and free.

Then when the clock starts ticking
I dread that we must part;
for all I want to do now
is hang on with all my heart.

We kiss again but this time
is to bade a sad farewell
until the time allows us
to steel it again somehow.

Then sadness overwhelms me
as I lay my head to rest
for the arms that held me tight and close
were ever so much missed.

And the tears flow like a river
and flood my heart as well.
I'm lost, alone without you
but I'll get through it somehow.

And as I fall asleep
with you clouding my mind;
I linger in the softness
of your body against mine.

So until we meet again my love
your spirit lives in me
for the essence that you let me take
will always carry me to thee.

In dreams, in waking hours
I'll feel you deep within
and wait for the sweet moments
when love's passion enters in.

Correllian Clergy Degree Program

A new membership has been created called the Correllian Clergy Degree Program. This is a 3-year program that can help you earn your Wiccan Degrees and Legal Clergy Status. Of course every lifetime and supporting member has access to this main program.

The purpose of this level is for those individuals who are interested in gaining their clergy status, and this offers an opportunity for members to do so affordably.

This program is only \$49.99. To find out more:
<http://www.Witchschool.com/clergydegree.asp>

Witchschool Referral Program

Witch School, our long-time educational partner, has made an offer to the Tradition and its member Temples and groups.

Witch School has created a new Referral Program. The Tradition itself has enrolled in this program – as you can see from the button in the left-hand menu on [orrellian.com](http://www.orrellian.com). You are encouraged to consider enrolling your Temple or group as well, as a means of generating potential passive income.

The program works like this: members receive their own button which they can put on their website, in their email signature, etc... offering Witch School memberships. If anyone purchases a membership through your button, you will receive (approximately) 25% of the payment –that is \$4 of a \$19.99 yearly membership, or \$25 of a \$99.99 Lifetime Membership.

Each button has its own unique code which tracks payments made through it. If someone buys a membership through your button, then you get the abovementioned 25%.

If you are interested in finding out more about this program, or in signing up for it, go to www.witchschool.biz.

Witch School are offering a discount on supplies to Correllian Temples and groups in good standing: for example the Witch School books at 40% off cover price, and other discounts on the various items the school produces. If you would like to learn more about this, contact Lady Virginia at Virginia@witchschool.com and she will be happy to explain further.

These offers are being extended to all of our Correllian Temples, Proto-Temples, Witan Shrines, Formal Shrines, Personal Shrines, Orders, and Study Groups who might wish to sign up.

THE ORDER OF WEB WEAVERS CRYSTAL WEB MAPPING PROJECT

The Order of the Web Weavers has been working diligently on mapping the Crystal Web. If any of you have a crystal that you have added or removed from the Crystal Web contact us to ensure are records up to date and accurate.

The information we need in order to best catalogue your crystal/s is the following. Your Craft Name and E-mail Address along with your City, State, Country, Latitude, and Longitude. Sent to the following e-mail address: wwcw@correllianorders.info

Please include the above information, if you have removed your crystal from the Crystal Web along with 'Remove' in the subject line. If you have added several crystals then we would need a separate entry for each crystal, unless they are located together. If they are located together then please include how many crystals are at that location.

We are excited about this project and hope that you will be too. Once the crystals have been properly catalogued we can then begin placing them on the map program. This will give us a good visualization on the Crystal Web. Thank you in advance for your participation in this wonderful project.

Bright Blessings,
The Order of Web Weavers

THE ORDER OF WORLD WALKERS

This Correllian order is headed by the Rev. Krystel High Correll and she is offering training for those who wish to join the order. The training consists of twelve lessons, one a month, for a year, offered through e-mail.

The purpose of this order is to fulfill the deeper purposes of the Correllian Tradition--advanced psychic and spiritual work, primarily conducted on multi-dimensional levels. This work includes:

Learning to connect and work with your spirit guides. Conscious dying and conscious incarnation. Advanced dream work. Exploring the known boundaries of the multi-dimensional universe, then conducting independent work to go beyond those boundaries. The study of time and advanced work within it. Soul rescue (helping those who are not aware they have died, or are not willing to cross over). Mediumship (being a voice for the so-called dead, visiting the land of the dead and communicating with them, and building a pathway between the living and the dead). Healing, both personal and of our Earth.

These purposes are divided among five houses that consist of the members who are dedicated to the work of the House.

The Order of World Walkers is a working order. The training is only the beginning. Each of the houses offer work that can be done for the rest of your life, if you choose to do it.

I believe that everyone who chooses to become a member of the order chose this before coming into this life time to continue work begun in other lives.

For more in-depth information, including the cost of the lessons, contact me at krystelneuman@yahoo.com

May You Blessed Be
Krystel
