Free Monthly Tarot Readings Offered

Profile of Reader

Rev. John (Ing) Snodgrass, HP:

Tarot Reader, 25 plus years experience I know that for many of you monthly readers of our magazine here may not always get the opportunity to physically sit down with someone who is skilled in the art of reading the cards, or perhaps afford to pay for expensive regular monthly readings, so what I would like to do is provide you with a free monthly reading...a little guidance as it were, and an easy and convenient access to much needed information for the coming month. What I am offering to you is a free basic3 Card - Tarot Card Reading which can help guide you through periods when your emotions have become troubled and clouded thoughts are all you have. I wish to be of service to you by offering this free reflection of your past, present and possible future and thus offer to you For this project, I am calling upon all Temples, Proto-Temples, Witan Shrines, a short fresh perspective on your life, and its many problems.

Announcements

For your free reading just email me at: **rev.ing.hp@gmail.com** with your 1 question for the upcoming month ... I will post both the cards and their answer for you... At no time will names be used or email addresses posted... I will require you to email me your zip code (or a 5 number code) and a 3 alphabetic letter combination of your choice...these I will use as the title for your printed reply so that you can find your personal reading in totally anonymity... as I will remove the email from my files as soon as your reading is done and thus no further emailed comments will be forth coming from me...

CNT Donations

Greetings Everyone,

It is hoped that someday, through fundraising events such as this and regular monthly donations by our members that we as a Tradition will be able to financially support our High Priesthood who has sacrificed so much through the years to bring this Tradition to the world. Consider becoming a regular supporter of CNT by going to the "Givers Zone" webpage on our website. **<http://www.correllian.com/donate.htm>** If you have something you wish to donate for the April Lustration of the Ancestors Silent Auction - it is not too early. contact me at:

Crystal Web Mapping Project

The Order of the Web Weavers has been working diligently on mapping the Crystal Web. If any of you have a crystal that you have added or removed from the Crystal Web contact us to ensure our records are up to date and accurate. The information we need in order to best catalog your crystal/s is the following. Your Craft Name and E-mail Address along with your City, State, Country, Latitude, and Longitude. Send to the following e-mail address:

Windy0716@aol.com

Please include the above information, if you have removed your crystal from the Crystal Web along with 'Remove' in the subject line. If you have added several crystals then we would need a separate entry for each crystal, unless they are located together. If they are located together then please include how many crystals are at that location.

We are excited about this project and hope that you will be too. Once the

Announcements

crystals have been properly cataloged we can then begin placing them on the map program. This will give us a good visualization on the Crystal Web. Thank you in advance for your participation in this wonderful project.

Bright Blessings~Order of the Web
Weavers

Order of Web Weaver's Monthly Ritual

Ritual on the 11th. of each month (Time you do the Ritual is up to you as long as it is done on the 11th.)

The Ritual is for Hope, Peace, Love and Prosperity.

The energy sent out through the Web is for anyone to use throughout the world if they so desire.

Hope

May the winds of hope bloom sweeping away despair & sorrow so that life again may grow building a better tomorrow. May hope clear the air and end the darkling clouds of fear & pain and bright beginnings send that we may dare to dream again.

May what was dark & overcast be now renewed & once more whole freed from all limitations past. Healed by hope within the

Announcements

soul. Awake now hope! Spread wings & fly!
Cleanse & liberate my heart! All things are possible and I in wings of hope shall claim my part!

Peace

May the Fires of Peace burn bright giving light when the world is darkest putting hate & bigotry to flight and laying prejudice to rest. May the light of peace melt away the encrustation of violence and bitterness which holds sway so often in the world's events.

May peace transmute & tame unruly aggression and arrogance. Subdue them in humanities name to give the future a decent chance.

Thus I say and thus I pray and thus I will it to come to be I pray and work for peace this day for all the world, for you, for me!

Love Calling

May love like water pour forth filling my heart and soul. Flowing out over all the Earth and making all things whole. Love as deep as the ocean, clear as the mountain lakes crowning all other emotion. The Thirst of Humanity slakes love enters & heals the anchoring heart and washes away its pain.

Thus clearing the way for a better start to reach out & love others again fill me oh love, like a cup to the top fill the world as well like without stop and all the world know love

Announcements

a sea that I may know love from the world

Prosperity Blessing

Prosperity high as the mountains fastness,
Prosperity rich as the fertile ground,
Prosperity deeps as the caverns vastness,
Prosperity wide as the World round,
Prosperity helps heal the hating heal,
Prosperity helps heal fear.

Prosperity fosters the peace-makers art,
Prosperity I call you here! Prosperity come make us feel secure! Prosperity helps us love peace! Prosperity help us the future ensure!

Prosperity I pray you increase! Prosperity I call you to manifest now! Prosperity rumble & shake! Prosperity now in my life I allow! Prosperity like an earthquake!

Creating a Crystal Access Point

Dig the hole in which you will bury the crystal before you start to cast the circle.

Begin by casting a Circle. Since you will be out of doors and may not be burying your crystal in a private place, you may want it to be a very simple.

Circle: you can do it entirely in your head, imagining the Circle around you, then silently calling the Quarters and imagining Them as pillars of white light.

You may invoke Goddess and God silently.

Announcements

Of course if you are in a more private as place, or are comfortable being observed casting a Circle, you may do the Circle elaborately as you choose.

Hold your crystal. Above the crystal imagine a three dimensional triangle of white light. Imagine this fully.

Then imagine the triangle spinning clockwise.

Imagine a ball of white light in the Heart Chakra. When this is clear in your head, send a beam of green light from the Heart Chakra into the spinning triangle. As the green light enters the triangle, it will change its shape, becoming a cube (still spinning clockwise). Imagine this change fully.

Fill the cube with green light from your Heart Chakra.

Once the cube is full of green light the flow will reverse, and green light will flow back to your heart. Let the green light fill your heart, your chest, your whole body, as well as the crystal you hold. Let the crystal fill with this light.

Put the crystal in the hole and cover it with earth.

Place both hands directly over the now-covered hole and focus white light down into the earth and the buried crystal. Now charge the crystal to link into the Crystal Web.

Announcements

This may be spoken aloud or done silently.

"O crystal, I charge you to link into the Crystal Web, becoming one with its energies.

Through you I gain access to the Web, which links my Correllian family."

Imagine a beam of white light coming from the crystal and shooting off in one or another direction, underground – this is the crystal linking into the Web.

To use this crystal in the future, follow these steps:

Imagine the buried crystal within a cube of white light. Imagine the cube spinning clockwise.

Focus a beam of energy from your heart into the cube, and imagine it changing into a triangle, still spinning; the crystal will then be open and may be interacted with. When finished, allow the image to fade. This can be done from a distance; you do not need to actually be at the site where the crystal is buried.

**You have now created a
Crystal Access Point!**

How to Make a Cinnamon Stick Trinket Box

AllFreeCrafts.com

<http://www.allfreecrafts.com/nature/cinnamon-stick-box.shtml>

designed by Twila Lenoir

Here's a versatile natural craft to appeal to the senses - it not only looks attractive, it smells heavenly as well!

Different variations of this cinnamon stick box are possible for almost any special occasion. See our suggestions at the end of this free nature project.

Cinnamon Stick Box

Supplies:

2¼ inch cinnamon sticks (40 or more)
one 2¼ inch cinnamon stick cut in half
White glue
Deer moss
Raffia
Silk flowers

Cinnamon Stick Trinket Box

Project Instructions:

1. Begin by gluing four cinnamon sticks together to form the bottom of the box.

How to Make a Cinnamon Stick Trinket Box

4. Once the box is dry, begin filling in gaps between the cinnamon sticks by inserting and gluing in place small tufts of deer moss. It is unlikely that the box walls will be exactly even, so add deer moss to the top of the shorter sticks to level out the box top.

5. Fill any gaps in the lid with deer moss. If you feel the box, or the lid, would look better with additional deer moss, add it where you wish.

6. Glue on a selection of small silk flowers and tiny green leaves.

7. Finish by wrapping a strand of raffia around the bottom of the box and tying it in a bow. Embellish with one small flower and a leaf.

Variations:

Personalize this lovely gift for a special teacher or for Mom on Mother's Day and fill with potpourri. To make a Christmas version, add holly and red berries and tie with a seasonal bow. For St. Patrick's Day, replace the silk flowers with clusters of green silk clover and tuck a bag of gold foil-covered chocolate coins inside. For Valentine's Day, decorate in red and white and fill with bag of cinnamon hearts.

How to Make a Cinnamon Stick Trinket Box

2. To form the sides, glue cinnamon sticks in an upright position all around the bottom. Gaps between the sticks will be decoratively filled in a later step.

3. While the box is drying, begin gluing the lid together. This is made by gluing nine cinnamon sticks together in a panel, then gluing a cinnamon stick at both ends of the panel to finish the lid. Cut one stick in half and glue it to the top to form a handle.

**Celtic Folklore Cooking by Joanna Asala © 2010 Llewellyn Worldwide

375 pages \$19.95 (U.S.) \$22.95
(Canada) www.llewellyn.com**

I have been reviewing a number of cookbooks this year, and this is the final one in my stack at this point. Most of them have concentrated less on recipes and more on correspondences and ingredients, whereas this book is definitely skewed towards the recipe end of things. That doesn't mean that she neglects other aspects (such as historical notes, basic explanations of the cycles of Celtic life, or other items), it simply means that they serve as

Mike Gleason's Book & CD Reviews

seasoning while the recipes compose the meat of the volume.

Not only do you get recipes (some modern, some early-modern, some medieval), you get mythology and folklore, anecdotes and general correspondences. And you get all of that in an entertaining package, by an author who knows how to keep your interest.

This is not a magickal cookbook, although Ms Asala does give suggestions for Sabbats and other holidays. It is a book composed of recipes drawn from the breadth of a culture which spanned a continent and covered millenia. There are recipes from Scotland, Ireland, Galicia, and other places. Some are drawn from family recipe books, some from published sources; from homesteads to bed and breakfasts; from simple to elaborate.

And the stories follow in similar vein. Some are short, some are longer. Once in a while it is a bit difficult to see the connection with the recipes around them, but that truly isn't important. They convey the flavor of the existence of an entire people.

There are snippets of folk songs, proverbs and sayings all the sort of things you would be likely to find in a

Mike Gleason's Book & CD

Reviews

treasured family cookbook. You will find recipes for everything from soups to desserts; from teas to liqueurs.

The index, in an inspired bit of planning, not only has the recipes grouped by type, but also by holiday. So, if you want something special for a birthday, or New Year's, or Michaelmas, all you have to do is check the index to be guided to a group of related recipes.

Considering the number of people who claim Celtic heritage (even though actual Celts are few and far between), this book should be very popular. Pick up a copy at your local bookstore (before they all disappear) and browse through it. You should have no problem finding something to catch your interest. Then add this book to your collection.

Fraterfamilias by Judith Doloughan and Paula R. Stiles© 2007 Innsmouth Free Press ISBN: 978-0-9866864-1-2 Paperback 331 pages \$15.99 (U.S.) \$17.99 (Canada)

that you can add a long-lived Inquisitor and Interpol. If there isn't something in there to pique your interest, put the book down and walk away slowly. There are echoes of the Highlander TV series here, along with your average (or not-so-average) TV cop series.

Ms Doloughan passed away in 2007 and Ms Stiles worked to fulfill her promise to bring this book into a print edition. I'm glad she did. I know that e-books are the wave of the future (they are convenient, light weight, and inexpensive), but I still like the feel of a printed book. Besides, at this point, I can't scrape together enough spare cash for even an inexpensive reader, so I am limited to my dinosaur laptop (not that I'm complaining â€" at least I have one thanks to a generous reader of my reviews) or printed copies.

The story, as it plays out in this book, is not a particularly fast-paced one, but it is gripping. Granted that it uses certain buzz words (like Wicca), but it isn't reliant on them. It relies on good storytelling, characterization, and a general feel for what will intrigue the reader. The story flows along at a good pace, pulling you along like an eager child who wants to see what is around the next corner, and unwilling to wait for you.

Mike Gleason's Book & CD Reviews

There are some truly unexpected twists and turns in the plot of this story. I found myself wondering, as the end approached, just how things were going to play out. Normally, I don't have a problem anticipating how things are going to progress but, even as late as three quarters of the way through this book, I wasn't comfortable making any predictions.

The Epilogue ties up the loose ends loosely. If Ms Dolough hadn't succumbed to cancer I would anticipate a follow-up book (or more). There is so much more to this story both before and to come. You can be sure that Paul will make it to Seattle, eventually, but what about Roberta/ Does she succeed at the Sorbonne? And Jonah “ does he remain with Interpol, or go off in search of his newly discovered family? Detective Rains has issues to resolve does he overcome his problems? Does he keep his job with the NYPD? And, most importantly of all, what happens to Alan?

This is not a book with a nice, tidy ending. It raises more questions than it answers. There are echoes of other stories and characters here. And while it is thoroughly enjoyable in itself, it could be the start of so much more. This was one of the most enjoyable, and

Mike Gleason's Book & CD Reviews

intriguing, mysteries I've had the pleasure of reading in quite a while. I heartily recommend it.

**Immortal Fire by Anthology Â© 2009
loveyoudivineAlerotica2009 ISBN:
978-1-60054-372-2 Paperback 321
pages \$20.00 (U.S.)
www.loveyoudivineAlerotica.com**

Immortal Fire is an anthology of seven alternative erotics stories with the common theme of immortality. Who hasn't dreamed of immortality ‘ or had nightmares inspired by it? To live forever and to witness history; to love forever and inspire distrust, fear, and hatred from the vast majority of the world's populace; to live forever and to watch your near and dear age, become enfeebled, and die. To live forever what would it be like?

While I don't normally review specifically erotic works, I have done so in the past and, since I have read some of Adrienne Brennan's other offerings I couldn't resist the temptation to see what she had to offer this time around. Her writings always combine erotica with good solid story-telling, and that is a combination to be savored.

The six authors who have contributed to this collection have very different

Mike Gleason's Book & CD Reviews

views of the benefits, drawbacks, and costs of immortality. There is little commonality within their perceptions, and the single unifying theme is the alternative sexuality. If you prefer your erotica in the more mundane boy-meats-girl (no, that's not a typo), this collection is not for you. If you prefer your erotica in the tough-leather crowd type, again this won't be your book. If you prefer erotica as opposed to pornography, this collection will definitely appeal to you.

There are vampires and survivors of ancient Atlantis artists and angels changed humans and dryads in short something for everyone.

These stories are each, in their own way, love stories. As such they have their primary focus on things other than sex, although they don't shy away from the topic. Since the authors are female, they bring a different perspective to the subject. Their eyes see things some male authors may miss, and they are very aware of (and comfortable writing about) the feelings which underlie the desire of which they write. I am well aware that male writers are capable of being sensitive, and I don't to make you think otherwise. It is simply a matter of bringing the sensitivity to the forefront, while still keeping it in the background(yeah, I know, it's confusing.

Mike Gleason's Book & CD Reviews

To quote Dr. Who's big club. We should get T-shirts).

If alternative sexuality appeals to you; if you enjoy well-crafted stories, this is a book you will find quite enjoyable.

**Silver Wheel 2 (anthology) Â© 2010
Lear Books ISBN: 978-1-907614-03-3
Paperback 203 Pages \$20.60 (U.S.)
www.learbooks.co.uk**

The anthology has long been one of my favorite book types, primarily because I enjoy viewpoints on a particular theme, and the anthology means I don't have to go out and hunt them down. Also, anthologies frequently provide more concise writing, which means less verbiage and more meat of the matter.

Described by the publishers as an anthology of Paganism, folklore, ritual, Craft and Druidry, this volume, unfortunately suffers from some of the ills common to the genre in today's world inconsistency in editing (as many publishers rely more and more on the authors to self-edit) and uneven differentiation between personal opinion, commonly accepted facts, and consensus.

The topics covered range from relatively simple rituals, to instructions in basic

Mike Gleason's Book & CD Reviews

numerology; from the Wild Hunt to thoughts on the Eightfold Paths; and from the meaning of the pentagram to crosswords. There are recipes included for incenses and wines. The sheer breadth of what is covered is one of the most appealing aspects of this book.

Perhaps the only drawback to it is its lack of a unifying theme. It might have been more appealing if the articles dealt with a particular aspect, or culturally distinct range of topics. On the other hand, the sheer lack of such unifying aspects broadens its appeal in a lot of ways.

Granted, the orientation of the offerings are highly British- and Euro-centric and that MAY put off a few American readers, but that is their loss. It may be worth reminding folks in the U.S. That, for all practical purposes (with the exception of Native American and African diaspora religions) the Paganism, Wicca, and Witchcraft we practice in this country came over from Britain and Europe. It behooves us to pay attention to what our overseas kin have to offer, both from a historical perspective and in the realm of speculative development.

Lear Books offers several books by Anna Franklin, as well as several by

Mike Gleason's Book & CD Reviews

Nigel Pennick, both of whom are well-respected authors. Based on that list, and what I read in this volume, I would have to say that I need to start paying closer attention to what Lear is offering, as it is sure to be worth the read. If you are tired of 101 rehashes, and tepid retellings of the past, make the effort to get this book (and others by the same publisher) and enjoy a breath of fresh air.

The Iron Witch (Novel) by Karen Mahoney © 2011 Llewellyn Worldwide ISBN: 978-0-7387-2582-6 Paperback 288 pages \$9.95 (U.S.) \$11.50 (Canada) www.llewellyn.com

I know that the misunderstood teenager, who is convinced that no one could tolerate the REAL her is pretty close to a cliché at this point. And I know that certain concepts have become buzz words which authors often overuse (“Witch” being one of them). I also know that the idea of “outsiders” being drawn into some things through purely mundane actions has some serious mileage on it. In spite of all that, I was willing to give this novel a go – and I'm glad I did.

Quite honestly I wasn't sure what to expect when I opened the covers of this book. On the one hand, I expected a

Mike Gleason's Book & CD Reviews

fairly conventional story, and it started out fulfilling those expectations, with a few unexpected twists (Donna is only semi-orphaned – her mom is still alive, but non-functional for reasons no one can explain. She is also being raised and educated by a group of Alchemists [didn't see that one coming], but isn't real comfortable with the restrictions imposed on her by them). When she encounters a half-fey young man who bears his own scars (physically and emotionally) she begins to realize that things are not always as they seem.

Ms Mahoney has opened a new series (the second volume is scheduled for release in February 2012 – Gods I hate waiting for follow-up volumes) and has drawn together a group of individuals it is easy to care about, even if you're not completely sure about them. You just KNOW that they will grow into adults who will make a difference.

There is a coherence to the world, as viewed by Donna Underwood, and those associated with her. It is not one which would be familiar to everyone, but it works. Even for those with no experience of alchemy, or of the fey, there is an ease of presentation and acceptance. The characters behave in a believable manner. In fact, the only sticking points for some readers may be the assumption that there are working

Mike Gleason's Book & CD Reviews

alchemists in this day and age, and the fact that it is possible to access the world of the fey.

Of course, being the opening gambit in a series, the loose ends remain just that. Donna follows her heart, opposes the Order of the Dragon, and finds herself in deep water on that front. Of course. By following her heart she saves Navin, her totally unaware (but deeply devoted) friend. Xan (Alexander) confronts some of his own fears in the land of Faerie. Maker has been brought back, but so far hasn't figured too prominently in story (although I suspect that may change in the future). There is no telling how Aunt Paige is going to react – she cares for Donna, but Donna's behavior reflects on her, and she IS a well-respected member of the Order.

Perhaps it is only the fact that Donna's father died protecting her from the Dark Elves a decade ago which gives her any hope of overcoming the trial which she faces. I guess we will just have to wait and see how the storyline develops as we follow Donna through the future volumes of this series.

It might surprise some folks to hear me say that I am a sucker for a love story, but it's true. And it doesn't matter to me whether the protagonists are human or not, boy/girl, boy/boy, or girl/girl. There doesn't need to be sex (but let's be honest with each other, love without sex is pretty sterile) for it to resonate with me. My one requirement is that there be real love involved. Having said that, I have to say that this was one of the most enjoyable collections of love stories I have seen in quite a while. Add to that the fact that the proceeds from the sales of this collection are being donated to Marriage Equality USA (www.marriageequality.org) and I have even more reason to recommend it.

I have members of my extended family who have confronted the difficulties portrayed in this collection. The fact that I have been in a committed (or is that, have been committed in a?) hetero marriage for better than 30 years is irrelevant. My heart goes out to those who face the prejudices which would deny them the basic human right of committing to the one they love simply because of gender issues. Fortunately, I reside in Massachusetts, so my friends

Mike Gleason's Book & CD Reviews

hereabouts can express their love without "official" opposition.

These stories reflect the joys and fears which every couple must face as they decide how they want their wedding to go; who to invite (and who not to). For my Pagan readers, there are a few Pagan-themed stories included – My Big Fat Greek Pagan Lesbian Wedding (by one of my favorite authors – Adrienne Brennan) and Jumping the Broom by Moondancer Drake as an added bonus.

As I commented in a previous review (Silver Wheel 2), this anthology unfortunately suffers from one of the ills common to the genre in today's world – inconsistency in editing (as many publishers rely more and more on the authors to self-edit). As readers of my reviews know, this is a personal hot-button issue for me (my daughter and I have been accused of being "grammar Nazis"), and I am trying to cut back on commenting about it. I only mention it this time because it is the ONLY thing I can find which is in any way negative. The authors are consistent in providing quality stories. There is nothing "over the top" about any of them, they are simply well-told love stories.

So, if you enjoy true-to-life love stories; if proposals gone awry bring

Mike Gleason's Book & CD

Reviews

chuckles (see The Anti-Proposal); if you enjoy the unexpected attitude turn-around (My Big Fat Greek Pagan Lesbian Wedding); in short, if you are a sucker for a love story, this is a book which will appeal to you. And who knows, it may help you to anticipate some some of the potholes on your own road to commitment.

Void of Course of Moon July, Year 11 Aquarius

<http://www.findyourfate.com/astrology/year2010/2010-vocmoon.html>

When the moon is about to leave one zodiac house and does not have any major aspects with other planets before entering the next sign after its last major aspect in that sign to any other planet, then the Moon is said to be Void of Course.

This is a period of no activity and is unfit for major projects, ventures and activities. Any activity started during this condition brings no major yield.

1. Do not start anything new when the Moon is void of course.
2. Avoid doing important things like Interviews, buying a house/vehicle, getting married, starting a relationship, major meetings, signing contracts, etc.
3. Do not plan, decide, purchase/buy and commit anything in this period.
4. Avoid consultations with ministers, lawyers,, doctors, counselors, teachers, anyone whose advice you need.
5. Rejuvenate your spirit, relax, take a break, time out, meditate, read, and take a break from your routine life.
6. Avoid communications that are

DEATH XXI

Cosmology: In a manner of speaking Death is the engine which drives the universe –even more than Birth. For Birth without Death would create but not evolve. Without death there is no change. Death clears away the old so that the new can take shape –and fertilizes that new growth with the debris of the old. Indeed, since energy cannot be destroyed but only change shape, death must be viewed as the agent of that change rather than as an ending of any sort. Death makes possible all new beginnings, all transformations and evolutions –it allows the Soul to take sequential new shapes, evolving its skills continually in a way that would not be possible otherwise.

Monthly Tarot Affirmation

*I am focused feeling and emotion;
I am in touch with the power of passion and love.*

*I have discovered the depth of emotion in my being;
feelings add meaning to my life.*

*I am attuned to changes in my emotional life;
I take time to allow my fluctuating feelings to
surface.*

*I encourage emotional development,
offering acceptance and unconditional love
to those around me.*

*I enjoy the benefits of love's power,
increased acceptance of self
and empathic connection with others.*

**MONISM, One Wiccan Perspective
Durwydd MacTara**

"Henotheism n. Belief in one god without denying the existence of others." (American Heritage Second College Dictionary)

"Monism n. philos. A metaphysical system in which reality is conceived as a unified whole." (American Heritage Second College Dictionary)

"Monotheism n. The belief or doctrine that there is only one God." (American Heritage Second College Dictionary)

"Pantheism n. 1. The doctrine identifying the Deity with the various forces and workings of nature. 2. Belief in and worship of all gods." (American Heritage Second College Dictionary)

"Polytheism n. The worship of or belief in more than one god." (American Heritage Second College Dictionary)

"To witches, deities manifest in different ways and can be worshipped and contacted through any form suitable to local conditions and personal needs. Wicca does not believe, as do the patriarchal monotheisms, that there is only one correct version of God and that all other God forms are false: the Gods

of Wicca are not jealous Gods. We therefore worship the personification of the male and female principles, the God and the Goddess, recognizing that Gods are aspects of the One God and all Goddesses are different aspects of the one Goddess, and that ultimately these two are reconciled in the one divine essence."

(Vivianne Crowley, WICCA: The Old Religion in The New Age, pp. 11-12)

Vivianne Crowley, a very capable spokesperson for British Traditional Wicca, identifies the core belief of Wicca (at least BTW) as Monism in the piece quoted above. However, she also opens the door to defining Wicca as duotheistic in principle with the subdivision of the monist reality into the praxis of worshipping both Lord and Lady.

However, there is yet a THIRD level of obscurity in Wiccan Praxis! Most Wiccans worship a threefold Goddess (Maid, Mother, and Crone) and many also worship at least a twofold God. So, are the Wicca REALLY polytheists or perhaps pantheists or even modified Henotheists as some have claimed? Or, perhaps, a new category altogether needs to be invented to accurately describe Wiccan belief and practice.

Beyond Weird

invented to accurately describe Wiccan belief and practice.

One suggestion has been made to add a word to our Thea/Theo-logical lexicon, perhaps "Cthontotheism" (provided we MUST have a "Theism") to describe "Theistic Wicca". One advantage is that it makes the assumption of worshipping that which was there to be found and worshipped, NOT a Deity or deities invented in 1939! (More on this later.)

1557

The following is the only published copy of the (Gardnerian) Blessing Prayer that I know of.

"In the name of Dryghtyn, the Ancient Providence, Who was from the beginning and is for eternity, Male and Female, the Original Source of all things; all-knowing, all-pervading, all-powerful; changeless, eternal.

"In the name of the Lady of the Moon, and the Lord of Death and Resurrection.

"In the name of the Mighty Ones of the Four Quarters, the Kings of the elements.

"Blessed be this place, and this time, and they who are now with us."
("Witch Blood! The Diary Of A Witch

Beyond Weird

High Priestess!" by Patricia Crowther in chapter four (paperback edition 1974, House Of Collectibles, Inc.)

Courtesy of David Piper

The Gawain Poet (the poet who wrote Sir Gawain and the Green Knight in Middle English) used the term 'Dryghtyn' to refer to the Lord God.

At the start of fit IV -

"Now neghes the Newe Yere and the night passes, The day drives to the derk, as Dryghtyn biddes."

("Now approaches the New Year and the night passes, The daylight comes up on the darkness, as the Lord God bids." or from Brian Stowes verse translation (Penguin Classics, 1974) -

"Now the New Year neared, the night passed, Daylight fought darkness as the Deity ordained.")

Grendel Grettison, an Asatruar from Seattle suggests the "Dryghtyn" may be an alternative spelling of the Teutonic "Drihten" meaning "Lord". I admit this is interesting, to me, as the closeness of the linguistic link between the Old English and Old German languages has been a scholarly "fact" widely known for many years. Supporting this view, the Anglo-Saxon

Beyond Weird

(Old English) word was actually 'dryhtin', meant 'lord, the Lord' and is linguistically related to 'dreogan' meaning 'to perform, to serve'.

1558

As a side issue, this might be some evidence that runs contrary to the thesis put forth by Aidan Kelly that Gerald Gardner "manufactured" Wicca in 1939. From personal experience, I have found that one unique distinction of the non BTW strains of Witchcraft (sometimes called "FamTrads" of Family Traditions) is the incorporation of old Christian Imagery, often including ArchAngels for the four directions or elements. Though this instance does not include Archangels, it DOES include archaic (and relatively unknown) Christian terminology. If Gardner did discover a remnant of the Old Religion upon which he based his modern reconstruction effort, it is this sort of linguistic "artifact" which would have survived. Perhaps a more scholarly investigation than Mr. Kelly's will "turn up" more evidence?

Jim Taylor, an Eastern Orthodox Theologian, also makes two (to me) illuminating statements, concerning "The Dryghtyn Prayer":

1. "In the name of Dryghtyn, the Ancient

Beyond Weird

Providence, Who was from the beginning and is for eternity, Male and Female, the Original Source of all things; all-knowing, all-pervading, all-powerful; changeless, eternal.' This would be, entirely, an acceptable way of describing God, both for most Jews and for most Christians."

AND

2. 'In the name of the Lady of the Moon, and the Lord of Death and surrection.' The Lord of Death and Resurrection would seem, to any Christian to refer to Jesus Christ."

This evidence of a possible mixing of an older (unrecorded) Christian Prayer may lend further credence to Gardners' claims of building on an older, hidden, traditional remnant.

I, personally, also agree with Mr. Taylors' statement that "the idea of Wicca being 'manufactured' in 1939 is far too pat, and ignores a great deal which ought not to be ignored. At the very least, some degree of recognition should be accorded to the obvious fact that most Wiccan practices and attitudes predate Wicca by considerable periods of time--possibly even millennia".

The existence of Monism, Duotheism, and Polytheism simultaneously in the belief structure of Wicca is one

Beyond Weird

good example of one of the Five Mysteries of Wicca, that of Union. Wicca is a mystery religion, a PARTICIPATORY religion, and much of its symbology must be lived and practiced to have meaning because much of the real (some say hidden meaning is based on the knowledge of experience and not the intellectual knowledge of mere logic and conscious thought processes.

I am an eclectic Wiccan with strong ties in my beliefs and practice to British Traditional Wicca. I am a Monist, yet I have had strong direct experience with Brigid, Danu, and the Morrigan as well as the Earth Mother and the Horned Lord of the Forests. So my personal answer to the question of "What kind of Theism fits Theistic Wicca?" is "several, or none; it is not really a valid question in those limited terms"! But perhaps the concept of "Cthonotheism" would give a better label to this concept when attempting to discuss the idea of the peculiar theism unique to Wicca?

Blessed Be,

Monthly Tarot Reading

For

July 2011

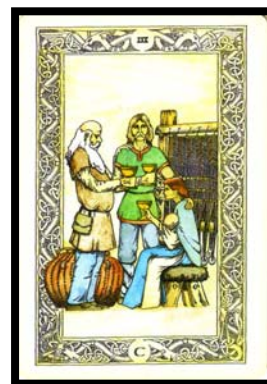

By: Rev. John (Ing) Snodgrass, HP

You should take note that **July** has been divided into 5 increments –the first 4 are 7 days long and the last increment is 3 days long.

The deck of Tarot Cards I am using for this month is "The Norse Tarot" by Clive Barrett...a very beautifully illustrated deck steeped in imagery based on Norse Mythology.

Note: *Although I will show all the Tarot Cards in their Upright view - their true position is noted under the individual card.*

The First 7 Days: 7 - 1 to 7 - 7

3 of Cups (Reversed)

Illustration: A happy scene such as the birth of a child celebrated by the infant's mother, father, and grandfather.

Monthly Tarot Reading

The **First 7 Days of July** finds the **3 of Cups** in its **Reversed** position ...

The **Threes** are about new growth, a time of stability, of something finally finding a direction and moving in that direction. The birth of a baby, if you will, a third added to the two to create a very solid triangle.

The reverse is that we lose all the liquid in our cups. Remember also that one of the most negative things about the suit of **Cups** is that they can stand for sloth, over indulgence in food and or drink.

As the first week of July opens before many of us it seems to herald a time for slow progress. In fact many of us are in fact out of the fuel to drive our selves: emotionally, physically, and spiritually. We need to find a refueling spot and service our engines, check our tires, and change the fluids...

The Second 7 Days: 07 - 8 to 07 - 14

5 of Pentacles (Reversed)

Monthly Tarot Reading

Illustration: The card shows a man and a woman struggling against the wind and snow on a cold winter's night. The woman holds a child in her arms and tries to protect it from the cold. In their efforts to combat the elements, both of them risk overlooking the five golden coins that lie partially covered by the falling snow.

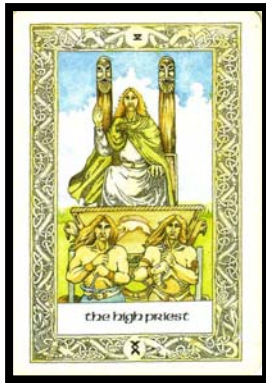

The **Second 7 Days of July** finds the **5 of Pentacles** in its **Reversed** position ... The **Fives** speak about loss, and change. They suggest a hard loss that carries with it a lesson and an important change.

The reversed meaning does not mean that we can turn our loss into a gain. As the folks that we might in other times turn to for help are not around - we are on our own...

A bad week for many as there will be the loss of jobs, a breakup of love, ideas will be shelved or outright stolen, and yes, time, energy, and money will be decreased. All just to make us stronger and to prepare us for future events and blessings...

Monthly Tarot Reading

The Third 7 Days: 07 - 15 to 07 - 21

The High Priest (Upright)

Illustration: The brother of Freya, Frey is of the race of Vanir; he rules over the realm of Alfheim, the home of the Light Elves. His symbol is a golden boar, Hildisrin. He is also the owner of the ship Skithblathnir. While being large enough to carry all the gods, it could be folded so small as to be easily held in the palm of the hand.

An ancient tradition held yearly in Sweden, the image of Frey would be carried in a special wagon. This took place in the autumn when the image was removed from his temple and ceremoniously transported from farmstead to farmstead. Throughout its travels the image was believed to be invested with the presence of the god himself, to whom sacrifices would be made. In return his followers received his blessings. These included a promise

Monthly Tarot Reading

of prosperity in the year ahead. In the vicinity of the wagon no sword could be drawn from its scabbard and no act of aggression perpetrated.

Frey is shown raising his hand in blessing as his attendants carry him onwards in his ceremonial progress through the fields.

The **Third 7 Days of July** finds **The High Priest** card in his **Upright** position ... The High Priest is, for many, a mysterious card, both frightening and marvelous. He stands guard over an ancient library – secret knowledge, instincts, and yes even magic. This is the card about personal and individual journeys across dark places towards enlightenment.

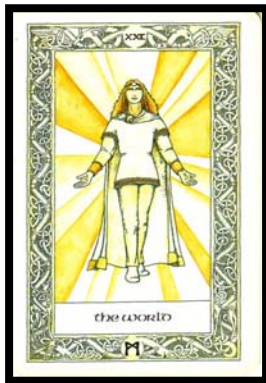

Therefore the High Priest is not about the making of a decision so much as about taking the time to listen to your inner voice - to verbalize our thoughts, and at the same time to silently reflect on our feelings. The High Priest offers to all both the needed illumination, revealing secrets and hidden dangers, and also a still, quiet place where one can pause and reflect on what we really want to do with this new ideas as they pop up and demand our attention.

For this, the third week of July - seek

Monthly Tarot Reading

and you will find all that has been both promised, withheld from us in the past, and what is needed to plan, support and carry forth this week all that we are called to...

The Fourth 7 Days: 07 - 22 to 07 - 28

The World (Reversed)

Illustration: Hel has gone; the underworld is no more, and Balder, bright as the rising sun, returns. Now there are new gods in heaven and he comes to lead them, to rule over the new people on the earth below. The dark past is forgotten; his eyes look to a glorious future.

The card shows Balder reborn. Gone are his earthly weapons, his sword, dagger, and spear. He needs them no more. His purity is transformed, raised to a higher plane. He is haloed in golden light symbolizing his great sanctity.

Monthly Tarot Reading

The **Fourth 7 Days of July** finds **The World** card in its **Reversed** position... **The World** card is about achievement, mastery, completion, and a feeling of being welcome anywhere you go. It is a card of travel, not travelling to learn but travelling to dispense knowledge. This is the Wise Scholar going wherever the road takes them, sharing what wisdom is needed or required.

Reversed, the opposite of travelling is to stay at home; the reverse of mastery is utter ignorance.

This week we will become, or meet a person who is, either fooled, or is fooling themselves and thus our selves. Any new knowledge offered or information offered or found will be false; the feeling that no travel, i.e., forward motion, is possible will be a blinder to this truth for many....

The Last 3 Days: 07 - 29 to 07 - 31

King of Pentacles (Reversed)

Monthly Tarot Reading

Illustration: The King holds his shield high above his head. Behind him a rocky outcrop has become overgrown with grass and trees.

The **Last 3 Days of July** ... finds the **King of Pentacles** in its **Reversed** position...**Note:** Although **Kings** usually stand for a male in a spread, they can be female if the situation warrants it.

Where the Queens are the life-giving water of the Kingdom, the Kings are its inspirational fire, representing the power of civilization and authority, control and command.

Reversed, therefore, these cards signal abuse of power; judgment is bad and control has either been blocked or surrendered.

The **King of Pentacles** is the hard-working, earthy man who motivates with common sense and a hands-on attitude. Reversed: here is a person who won't take chances, won't hear of making any changes in the way things are done.

As July ends we find ourselves ignoring our own good sense, taking gambles and unnecessary risks, or keeping going as we have been due the fact that we are just too stubborn to change.

The Month in Summary:

Monthly Tarot Reading

3 of Pentacles (Reversed)

Illustration: Three coins fall from a purse onto the hand of the craftsman. In the background are shops selling their wares.

In Summary, Here we find the **3 of Pentacles** in its **Reversed** position... The **Threes** are about new growth, a time of stability, of something finally finding a direction and moving in that direction.

The whole of the month of July is patterned as a time of loss, miss information, missed opportunities, nagging health problems, in short –

A half hearted approach in a time requiring full awareness, full dedication, and full efforts - nothing less will suffice.....

**The Lovers

**Knight of Cups

**7 of Pentacles
(Upright)**

Ing's Free Personal Readings

CARD ONE: The Lovers (Upright):

The Lovers card is not just about love and sexuality; it has several meanings which are all related to the duality expressed in the image of the card. The image of the two lovers holding hands or intertwined is a powerful symbol for the harmonious union of two beings, but it also stands for the necessity of choice that must be made. And based on the choice made there is always the potential for a sad conclusion, despite the best of beginnings.

CARD TWO: Knight of Cups

(Upright): In most decks the Knights or Princes are the spirit of change, movement, and action. Knights are never still; they suggest messages, they suggest travel and the sharing of what they know.

The Knight of Cups often indicates a change that involves an emotional roller coaster ride - from joy to depression, from sadness to optimism.

Though moody, the Knight of Cups is fiercely loyal to anyone and anything he loves, especially family.

CARD THREE: 7 of Pentacles

(Upright): Seven is a magic number, a number of creativity and individuality. In all four Sevens, the challenge presented cannot be won unless one is determined to succeed and will not allow ones

Ing's Free Personal Readings

self to give up.

This is a hard card for some to take to as they must extend their patience almost up to the breaking point. Hang in there the answer is near.

The SUMMARY: Arriving at the answer to your question is like looking at a fork in the road with two equal paths to choose between. For many it might be a complicated decision by which many of our strongest beliefs and ideals could be tested.

Look inside, and turn to your subconscious for inspiration. Through it you can access the wisdom needed to make these choices properly, and for the good of all involved. Trust the counsel of your Inner Voice, and once you have made your decision, do not turn from it no matter how much opposition you face.

In matters of the heart, slow is better than faster and faint hearts never win fair gentle men.....

King of Cups
(Reversed)

The Hierophant
(Upright)

Queen of Cups
(Reversed)

CARD ONE: King of Cups (Reversed):

Note: Though Kings usually stand for a male in a spread, they can be female if the situation or reading warrants it.

Where the Queens are the life-giving water of the Kingdom, the Kings are its inspirational fire. Not unlike the Emperor, they represent the power of civilization and authority, control and command.

Ing's Free Personal Readings

Reversed, the King and it signals an abuse of power, a judgment (reasoning skill) that is bad; power has either been blocked or surrendered.

CARD TWO: The Hierophant

(Upright): The Hierophant's purpose is to bring the spiritual down to Earth; the Hierophant leads his flock in shared, communal rituals.

The Hierophant could appear as a reminder that the aim of traditions is not to follow them by rote, but to use them to keep alive the spirit and faith of a people.

CARD THREE: Queen of Cups

(Reversed): Note: A Queen will likely stand for a woman, but it can also stand for any person: who they are, what their position in life is, even if they are male. Queens are the "hearts" of the kingdom, its life-giving water, while the King may give the commands to shape what is going to happen, but the queen is the one who has to make sure it happens. Reversed, therefore, the Queens signal a block to things being accomplished.

The Queen of Cups solves problems with love and affection. She also has a negative, reversed, side: she is a person who uses emotions to manipulate others.

The SUMMARY: I would recheck those

Ing's Free Personal Readings

plans and look for the real reasons behind them... and if your reasoning is still sound and worth the effort in time, energy, and emotions then beware there are those that wish you to fail and will outwardly sympathize with you but inwardly they will be glad for your failures as this will be a boost their own self worth and importance in any of your future plans....

The Readers Question: I am having some trust issues with my boyfriend; what is the truth in his heart?

Note: Although I will show all the Tarot Cards in their Upright view - their true position is noted under the individual card and card meaning.

8 of Swords
(Reversed)

The Tower
(Reversed)

Queen of Pentacles
(Reversed)

CARD ONE: 8 of Swords (Reversed):

Unlike with many cards, there is no uncertainty with the Eights, no question of whether what you're doing or choosing is the right thing. Doing what needs to be done might not be easy, but what needs to be done is sure.

Reversed Eights and there appears to be many areas of uncertainty, as to the right course of action to be taken is only one of many.

CARD TWO: The Tower (Reversed):

The Tower, a dreaded card, it signals a powerful shake-up that will bring down structures, i.e., plans, jobs, loves, dreams - that have been built and thought were stable...

Reverse this and what do we find... there is no major shake-up, no utter destruction. Yet the message is clear and loud and it tells of things that some do not want to hear, things that many will refuse to believe.

CARD THREE: Queen of Pentacles

(Reversed): Note: While a Queen will usually stand for a woman they can also refer to a man.

Queens are the "hearts" of the kingdom, its life-giving water; the King may give the commands to shape what is going to happen, but the queen is the one who has to make sure it happens.

Reversed, therefore, the Queens signal a block to things being accomplished.

Queen of Pentacles is about getting things done practically; this is the Queen who knows where to look for answers but is not afraid to get her own hands dirty if need be to solve problems.

Reverse the Queen of Pentacles and blockages are everywhere, problems appear that have no easy answer to them.

The SUMMARY: A time of deep trial may be ahead for you, not an easy time but the right answers to the right questions are present if you look for them at the right time and in the right place...

Remember not all those around you are your true friends right now... listen to what they say but do not answer without much clear after- thought and regard any fore-thoughts as best - when the doubts come in 3s...
