Pagan Calendar 18 - 31 May

May 18 The Feast of Twins. On this day, festivals honoring twins are held annually in the African republic of Nigeria. It is widely believed among the Yoruba people that all twins are born with abundant magical and supernatural powers.

May 19 On this day in the year 1780, a strange and unexplained darkness draped most of New England, turning daytime into night. Many folks believed that a Salem Witch's curse was responsible for the day of darkness, since no other explanation for the phenomenon has ever been found.

May 20 On this date, a sacred festival called the Plynteria was celebrated annually in ancient Greece. The festival was held in honor of Athena, the goddess of wisdom and battle, and the patroness of the city of Athens (which was named after her), and included the ritual sea cleansing of her statue, followed by prayers in the Parthenon and feasting.

May 21 On this date in the year 1911, Peter Hurkos was born in the Netherlands. He developed astonishing psychic powers after recovering from a coma, and became world-famous for solving crimes through the divinatory art of psychometry. He passed away in Los Angeles on May 25, 1988. On this date in the year 1946, Gwydion Pendderwen was born in Berkeley, California. He was a Celtic bard, a cofounder of the Faery Tradition of Witchcraft, and the founder of a Neo-Pagan networking organization called Nemeton. He died in the Autumn of 1982 as a result of a tragic automobile accident.

May 22 On this date (approximately), the Sun enters the astrological sign of Gemini. Persons born under the sign of the Twins are said to be communicative, curious, charming, and often nervous and fickle. Gemini is an air sign and is ruled by the planet Mercury.

May 23 The Rosalia, a sacred rose festival dedicated to the springtime flower-goddess Flora and the love-goddess Venus, was celebrated annually on this date in ancient Rome.

May 24 On this day, an annual harvest ritual called Sacred Furrow Day was held in Cambodia. As part of the rite, the farmland would be plowed by members of the royal family in order to appease the ancient gods of the harvest and to ensure the fertility of the land.

The birth of the Greek moon-goddess Artemis (who also presides over hunting and wild beasts) has been celebrated each year on this day since ancient times. As a lunar goddess, she has been an influential archetype for many Witches and worshipers of the contemporary Goddess religion. Artemis is equivalent to the Roman moon-goddess Diana and is identified with Luna, Hecate, and Selene.

May 25 In Europe (especially France), this day is sacred to Saint Sarah of the Gypsies and also to an ancient Triple Goddess who rose from the waters of the ocean.

In ancient Greece, the birthday of Apollo, the twin brother of the goddess Artemis, was celebrated annually on this date.

On this date in the year 1581, famed occultists and alchemist John Dee first realized his natural gift for looking into the future through the art of crystal-gazing. He served for years as the royal astrologer of Queen Elizabeth and had a reputation as a powerful wizard.

May 26 Sacred Well Day. On this day, it is traditional for Pagans and Witches (especially in Ireland and Great Britain) to decorate sacred wells with wreaths and to toss offerings of flowers into the water in honor of the deities and spirits of the well. This custom dates back to the ancient Romans, who celebrated an annual well festival called the Fortinalia, which took place on this day.

May 27 On this day, the Secular Centennial Games were observed in ancient Rome. The goddesses Diana, Prosperina, and the Three Fates were honored in nighttime healing ceremonies.

On this date in the year 1948, Morning Glory Zell was born in Long Beach, California. She is a priestess and vice-president of the Church of All Worlds, and is a practitioner of Celtic Pagan Shamanism.

May 28 A sacred rite called the Pythian Games was enacted every four years on this date in ancient Greece. The rite honored the slain serpent-goddess Python, and was celebrated in Delphi, the most venerated shrine in all of Greece.

May 29 On this day in ancient times, the god Mars was honored by the farmers of Rome with feasts, prayers, animal sacrifices, and annual rites of purification. The Ambarvalia festival was also celebrated on this day in honor of Ceres, Juno, the Lares, and the Family Goddesses.

May 30 On this date in the year 1431, French heroine and military leader Joan of Arc was burned alive at the stake as punishment for committing the crimes of Witchcraft, heresy, and "being given to the forbidden arts of magic and divination."

May 31 On this day, the annual Triple Blessing of the God Buddha is observed by Theravada Buddhists. To celebrate the god's birth, enlightenment, and passage into nirvana, shrines and houses are decorated with flowers and special prayer flags. Offerings of flowers, incense, and rice are also made. The Triple Blessing often lasts for three consecutive days.

Enchanted Mystery Witan Shrine Announces Charter of the Children Are the Future Formal Shrine

Today May 12, 2015 the Enchanted Mystery Witan Shrine announces immediate availability of membership to the Children Are the Future Formal Shrine, a chartered Formal Shrine of the Correllian Nativist Tradition. Membership to the Children Are the Future Shrine is open to all members of the Correllian Tradition with an emphasis on Pagan Children and Pagan Parenting.

The purpose of the "Children Are the Future Formal Shrine" is to pave the way for our future. In the words and lyrics of the great Whitney Houston, "I believe the children are our future. Teach them well and let them lead the way. Show them all the beauty they possess inside. Give them a sense of pride..." (Whitney Houston, Greatest Love of All.)

There are a number of children being raised by pagan parents who have the desire to introduce their children to their faith. They however are unsure of how to do so or simply lack resources. The Children Are the Future Formal Shrine is a community outreach shrine to reach these parents and their children on a local, tradition-wide, and global basis.

We plan outreach and resources for both pagan parents who wish to have parent guided pagan worship, with an emphasis on Correllian Wicca for their children and for a group based program, which is geared to forming children's worship services within the group, especially but not exclusively to Correllian Shrines and Temples.

While we would never recruit children or force our beliefs on them, we have the right and the duty as parents to guide them as they grow into their own spirituality. Our main goal and purpose is to help pagan parents facilitate this duty.

We fulfill our Shrine's purpose we hope to have the following:

Member Support:

- Daily support and sound boarding between members on the Shrine's Facebook group.
- Monthly Shrine Chat to discuss topics, projects, and activities.
- Facebook posts/photos/files: Daily posts giving parents sample activities, ideas, and pictures they can use in their children's spiritual path.

Videos:

- Videos like the Chancellor's v-logs where Parents can submit questions on Pagan Parenting topics and get a comprehensive answer.
- Guided Mediation Videos geared towards children.
- How-to activity videos such as making simple crafts
- Weekly Story Time Video (could be radio broadcast) this could be on wide range of topics such as other religions, gods and goddesses, creation stories etc.
- Rituals for Children-videos of rituals appropriate for children. (Could also be subject matter of radio show).

Radio Broadcast Show:

- Weekly radio broadcast show alternating between a children's story time and a possibly support call in broadcast show.
- Newsletter/e-zine: pagan parent subjects and activities in a newsletter format each Sabbat.

A SPIRITUAL WAR FOR PEACE

Please join the members of the Contemplation Temple each month for the global rolling peace Prayer.

Please say the Correllian Peace Prayer or one of your own on the 22nd day of each month at 9pm your time.

Join in on the 'Correllian Spiritual War for Peace'

Prayer for Peace

Offer a brief prayer for peace, while imagining the sigil strongly. Meditate on thoughts of peace, love, and healing, focusing these energies into the sigil. As you do this, imagine the spiral circling inward, integrating the energy into the sigil. When you have sent all the energy that you comfortably can, give thanks and allow the image of the sigil to fade. Make

sure to clear and release afterward.

The Correllian Peace Sigil is connected to

the Crystal Web enabling peace energy to spread across the world.

Correllian Peace Prayer

I pray for Peace

I pray for Love

I pray for Stability

I pray that Love may overcome Fear

And I send energy of Love and Peace

For all people of the World

I create it, I accept it, and I receive it

By my will so mote it be!

If you have participated in the rolling peace prayer each month and would like to add your area to the rolling peace prayer map please email your country and area to:

Starting a Shrine Order or Correllian Study Group

Personal Shrines: Personal Shrines are a personal expression of faith and are wholly the property and responsibility of the individual Correllian who runs them. Personal Shrines are not considered bodies of the Tradition as such, but are a demonstration of personal piety on the part of an individual member of the Tradition. A Personal Shrine cannot be upgraded!

Formal Shrines: Formal Shrines are Chartered bodies of the Tradition which exist to fulfil a specific spiritual, educational, or charitable purpose.

A Formal Shrine is basically the same as a Personal Shrine: a private worship centre maintained by an individual Correllian Tradition member of Inner Court. The difference is that a Formal Shrine is dedicated to a specific project, event, or program of a social or charitable nature which the Tradition endorses. A Formal Shrine cannot be upgraded!

Witan Shrines: Witan Shrines are the first stage in the Temple-making process. Witan Shrines must fulfill a probationary period of a MINIMUM of one year before being reviewed for Proto-Temple status which is the next stage in the Temple making process.

Correllian Orders: An Order is an association dedicated to the study or practice of a particular subject, such as ecology, healing, music, etc.

Although regarded as an independent body, an Order is formed by a Charter from the Tradition, which may only be granted by the Heads of Tradition through the office of the Chancellor. An Order may be formed around any subject of interest.

Correllian Study Groups: Like Personal Shrines, Study Groups are not formal bodies of the Tradition, but are independent groups run by Correllian members.

Study Groups exist to help students of Correllian Wicca join together to help one another in their studies.

For information on how to start a Shrine Order or Correllian Study Group or for an application form contact the Witan Herald: witanherald@gmail.com

Spanish Wiccan Blog and Pod Cast

Wiccan blog and pod cast in Spanish, 13 lunas (13 moons), created and maintained by Rev. Clara Fuentes (aka Harwe Tuileva), a Correllian priestess from Spain.

The blog seeks to keep Pagans and Wiccans from all the Spanish-speaking countries informed by means of an easy access format, and, of course, for free. Besides, the recent creation of a radio program in the form of a podcast completes this successful project that is currently receiving more than 400 visits per day at its website. The wonderful reception granted by the Spanish-speaking community reflects the need of more information of the Pagan and Wiccan community, which was looking forward to counting on this kind of initiatives in their own language.

The blog can be found at <http://www.13-lunas.com>.

For more information please contact Rev. Harwe Tuileva: harwe1982@hotmail.com

The Order of Web Weavers Crystal Web Mapping Project

The Order of the Web Weavers has been working diligently on mapping the Crystal Web. If any of you have a crystal that you have added or removed from the Crystal Web contact us to ensure are records up to date and accurate.

The information we need in order to best catalogue your crystal/s is the following. Your Craft Name and E-mail Address along with your City, State, Country, Latitude, and Longitude. Sent to the following e-mail address: wwwcw@correllianorders.info

Please include the above information, if you have removed your crystal from the Crystal Web along with 'Remove' in the subject line. If you have added several crystals then we would need a separate entry for each crystal, unless they are located together. If they are located together then please include how many crystals are at that location.

We are excited about this project and hope that you will be too. Once the crystals have been properly catalogued we can then begin placing them on the map program. This will give us a good visualization on the Crystal Web. Thank you in advance for your participation in this wonderful project.

Bright Blessings,

The Order of Web Weavers

Order of Peace Weavers

The Order of Peace Weavers was created to provide members of the Correllian Tradition with the means of gathering together to collectively promote the weaving of peace into the fabric of society through meditation, prayer, Reiki, visualization, spell working, ritual, creative writing, intentional art and music, and other positive energy work and light work, with harm to none, and for the highest good of all concerned.

The motto of the Order of Peace Weavers is: "Be Peace, Live Peace, Send Love, Weave Peace." We hold a monthly 15 minute group peace meditation on the first Wednesday of every month and would love to have more join us to promote peace.

The Order of Peace Weavers is a chartered order of the Correllian Tradition. Membership is by invitation or application and is open to Inner and Outer Court members.

For more information, please find us at
